A WORD ABOUT GRADING

Grading is an art and not a science and opinions of grade for a particular item can and will vary. We urge all bidders to examine lots they may wish to bid on prior to the sale either in person or through their own agent. Grades stated are the opinion of the cataloguer given as a convenience to bidders only to assist in identifying lots they may wish to examine themselves.

HOW TO BID BY MAIL

Bid as much as you are willing to pay for the lot you are interested in. Lots will be opened to floor bidders at approximately 5% over the second highest mail bid. For example:

On lot 777 you bid $325. If the next highest mail bid is $260 the lot will be opened to floor bidders at $275. If no one bids higher ($300) from the floor you will be awarded the lot at $275. If we receive a bid of $300 from the floor, the book (your bid) will bid $325 for you. If the floor action stops here you will be awarded the lot at your full bid of $325. Should the bidding proceed past $325 the book (you) is out and a floor bidder will be awarded the lot.

In this manner you participate on an equal basis with floor bidders, and have an equal opportunity to obtain your lots well below your top bids.

A WORD ABOUT ESTIMATES

The estimates in this catalogue are guides to the bidders. We have tried to make them as accurate as possible. They are not intentionally low to allow us to claim bragging privileges as to how much over the estimate we obtained, nor are they high in an attempt to lure the unwary into bidding more than market. While it is a certainty that some items will bring somewhat under estimate, it is equally certain that some items will sell for over estimate. We would expect that the total estimates in this catalog will be within 10%, one way or the other, of the total prices realized.

SPECIAL THANKS

An undertaking of this size requires the informal assistance of a great number of collector and dealer friends. We wish to thank everyone who called on their specialized area of expertise to assist us where we were lacking.

In particular we would like to thank Mr. Martin Gengerke of Stack's, who allowed us to access his pioneering research in both Large Type and Nationals. His voluminous computer files are helping to transform the currency market from pricing based on hearsay to prices based on objective research.

Thank you, friends and colleagues.

CONTINENTAL CURRENCY

1 **Continental February 17, 1776 $3 Choice New.** Very close to Gem. This is a really nice Continental Note! (150-up)

2 **Continental February 17, 1776 $3 Choice New.** Sharp printing and good signatures. A lovely piece. (150-up)

3 **Continental February 17, 1776 $5 New.** Gem in every respect but for the centering, which unfortunately is below average. (100-up)

4 **Continental April 11, 1778 Yorktown Issue $4 Very Fine.** A respectable example of this rare issue. Genuine notes are seldom seen in any grade and this evenly circulated note is absolutely genuine. (350-up)

5 **Continental April 11, 1778 Yorktown Issue $5 Extra Fine.** This is a very nice example of the only rare issue of Continental Currency. The issue was called in due to extensive British sponsored counterfeiting but this lovely lightly circulated note thankfully escaped. (550-up)

REMINDER —
A 10% BUYER'S FEE
WILL BE ADDED
TO ALL
SUCCESSFUL BIDS.

6 **Continental April 11, 1778 $5 Yorktown Counterfeit Extra Fine.** An example of colonial period economic warfare, printed by the British to undermine the value of Continental Currency. Lightly circulated and decently centered, this note is sharp enough to easily focus on its differences from the genuine. (300-up)

7 **Continental September 26, 1778 $30 Choice New.** All four margins are larger than normally seen and this nice note is evenly spaced between them. (125-up)

8 **Continental September 26, 1778 $40 Choice New.** Margins all the way around. (125-up)

9 **Continental September 26, 1778 $50 Very Choice New.** Excellent margins, bright and with good paper originality. The seal, which shows a pyramid, is clean and sharp. (150-up)

10 **Continental September 26, 1778 $60 Choice New.** A clean note with lots of eye appeal. (125-up)

11 **Continental January 14, 1779 $30 Choice New.** The paper is fresh and its clean surfaces show considerable original embossing. (150-up)

12 **Continental January 14, 1779 $30 Choice About New.** (100-up)

13 **Continental January 14, 1779 $65 New.** A popular odd denomination. (125-up)

14 **A January 14, 1779 Continental Group.** $40, $50, $55, $70, and $80. Mixed grades from Very Fine to Extra Fine, one with a small hole. (5 pieces) (275-up)

COLONIAL CURRENCY

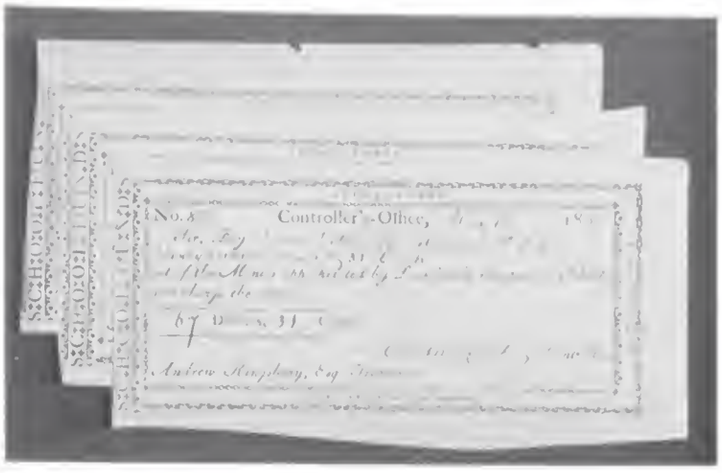
CONNECTICUT

15 **Connecticut June 19, 1776 5s Choice New.** Cancelled with a single neat slash, this beautiful note has its deep original embossing clearly evident. (100-up)

16 **Connecticut October 11, 1777.** A denomination set of all five small change pieces; 2d, 3d, 4d, 5d and 7d. None of the notes are cancelled and all are good looking. The grades in denomination order are Fine, About New, Very Fine, New, and Fine. All are the blue paper variety. (5 pieces) (250-up)

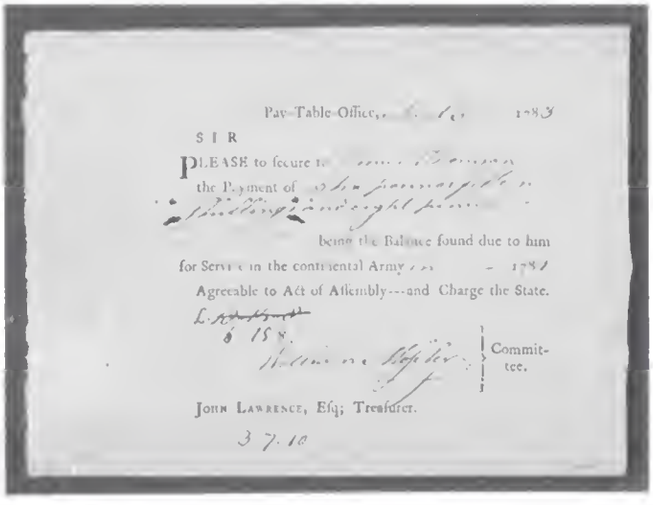
CONNECTICUT FISCAL PAPER

Although Connecticut is the most common colony for early fiscal items, this group contains some forms that are rarely seen from any colony and six highly desirable items that make mention of the Continental Army or the Revolutionary War.

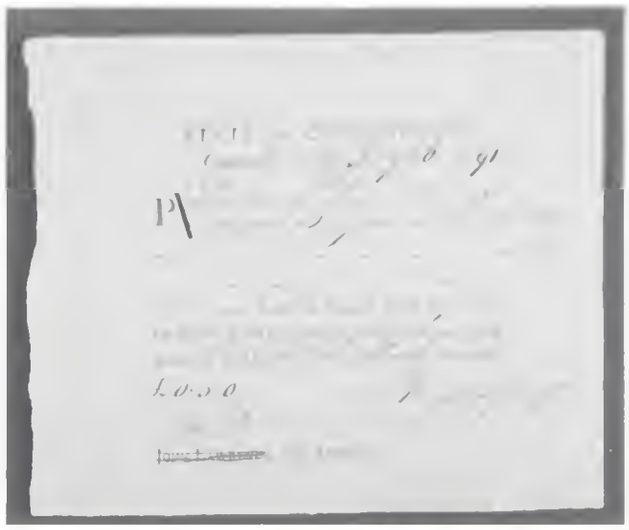


17 **1809 School Funds.** Three pieces of fiscal paper paying out money "appropriated by law for the support of the schools." (3 pieces) (45-up)

18 **Pounds and Dollars.** Two different forms dated two days apart (Nov. 17 & 19, 1795), one denominated in pounds, shillings and pence and the other in dollars and cents "on stock in the United States' Funds." Both signed by John Porter as "Compt'r." (2 pieces) (100-up)

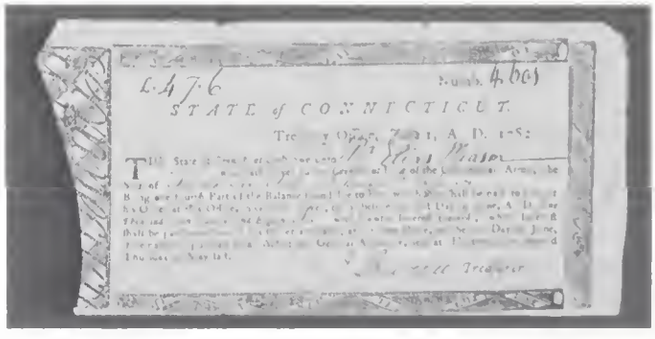


19 **April 3, 1783 Continental Army Soldier's Pay Voucher.** Identical but for date to Lot 19 of our May 1993 Sale which brought $121. (100-up)

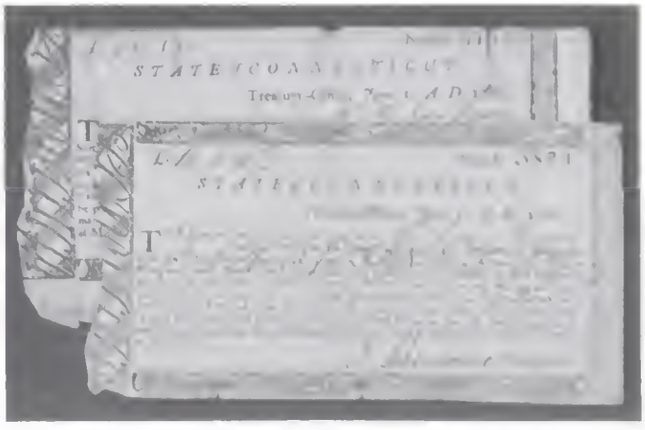


20 **July 26, 1791 Continental Army Soldier's Pay Voucher.** A slightly different form and a later date. A single light fold otherwise perfect. (100-up)

21 **Revolutionary War Loan Receipt.** Payable "at or before the end of one year after the expiration of the present war, or a cessation of hostilities, between Great-Britain and these United States". Endorsements indicate interest payments up through 1799 when the note passed down to the estate of the payee. (150-up)



22 **Connecticut Line of the Continental Army June 1, 1780.** The State of Connecticut "doth owe unto... who hath served in the Connecticut line of the Continental Army..." etc. A great item that is covered with reverse endorsements indicating interest payments. (100-up)



23 **...Continental Army.** Two more very similar but in complete shape. (2 pieces) (125-up)

24 **Misc. Fiscal Paper.** Three pieces dated from the 1780s to the 1809. (15 pieces) (125-up)

MAIL BIDDERS

Please check your bid sheet carefully to ensure against errors. We can not be responsible for your errors in bidding.

25 **Seventeen More.** Some with hole cancels. (17 pieces) (150-up)

DELAWARE

26 **Delaware March 1, 1758 10s Very Good.** Previously quartered but now glued back together with a piece of a different note filling a gap in the center. This Franklin issue is not often seen much nicer than this. (100-up)

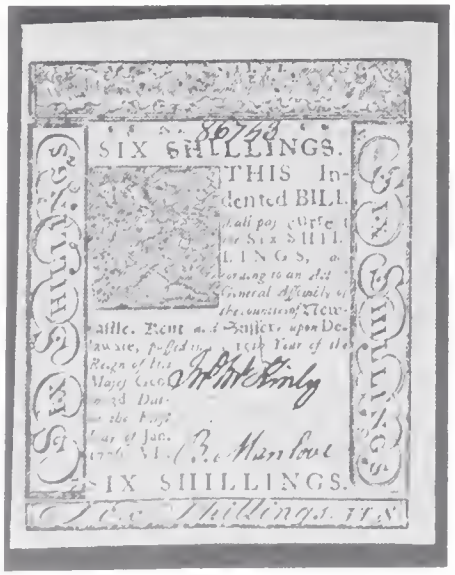
27 **Delaware June 1, 1759 15s Very Fine.** A wonderful grade for this early Ben Franklin note. All the printing on both sides of the note is clear and distinct as are the signatures and the horse vignette on the back. But for its rounded corners this note approaches Extra Fine. One of the very nicest notes of this issue we can recall seeing. (350-up)

28 **Delaware June 1, 1759 15s Fine+.** Split and sewn but basically Very Fine. (250-up)

29 **Delaware June 1, 1759 20s Fine+.** Much better than average grade for this printed by Ben Franklin note. Franklin's name and the lion vignette are both nice and clear. (250-up)

30 **Delaware January 1, 1776 5s Choice New.** (110-up)

31 **Delaware January 1, 1776 5s About New.** A little light staining near the signatures. (50-up)



32 **Delaware January 1, 1776 6s Gem New.** Excellent margins and strong distinct printing and signatures. (175-up)

33 **Delaware January 1, 1776 6s Choice New.** Clean and attractive. (125-up)

GEORGIA

34 **Georgia 1776 Sterling Denomination 3d Very Fine+.** An attractive lightly circulated note that is problem free. (200-up)

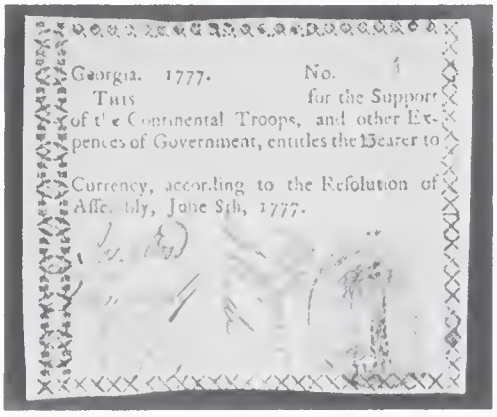
35 **Georgia 1776 Sterling Denomination 1s Very Fine.** A respectable note signed by William Few, one of the signers of the U.S. Constitution. The top margin has been trimmed away but the note is quite presentable. (125-up)

36 **Georgia 1776 Sterling Denomination 2s6d Fine.** Heavily circulated but undamaged except for some minor edge splits. There are no restorations of any kind and in spite of some evenly distributed soil the signature and horse vignette are sharp. (200-up)

37 **Georgia 1777 $5 Fine.** The blue cannon vignette is far stronger with sharp printing and deep color than the grade would imply. In fact, it's better looking than on most high grade examples. All five signatures are strong and legible. In spite of its heavy use in circulation, this note's only problems are minor and have been repaired with tape from the back. (225-up)

38 **Georgia June 8, 1777 $4 Extra Fine.** Strong signatures and a bright orange stag seal. (300-up)

DUPLICATES?
Consign them to our June 1994 Sale!



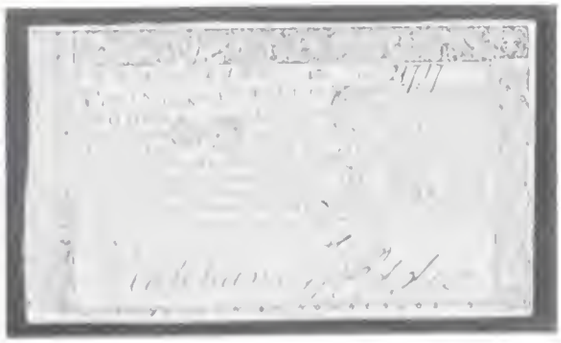
39 **Georgia June 8, 1777 $6 Extra Fine.** Wonderful color and better than normal centering, a very nice Georgia. (400-up)

40 **Georgia June 8, 1777 $6 Very Fine.** A very respectable and problem free circulated note. All the colors are nice and all five signatures are easily read. (250-up)

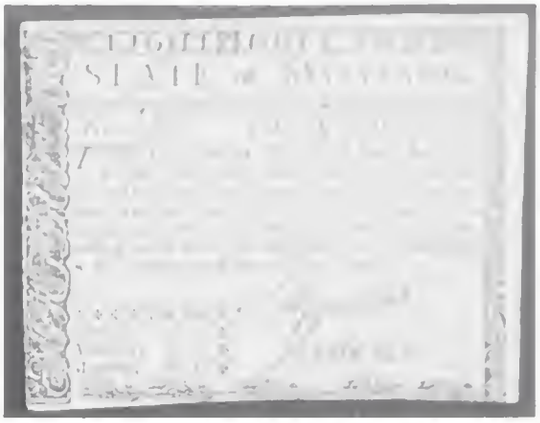
41 **Georgia May 4, 1778 $30 About New.** A very pretty Georgia note with an extremely strong printing of the seal showing a wild boar running onto a spear. The seal is heavily embossed through to the other side. Bright and beautiful, the only defect a non-distracting minor restoration of what appears to have been a tiny hole. (500-up)

MARYLAND

42 **Maryland April 10, 1774 $6 Choice New.** An extremely high grade for this issue. The face margins are about average but the back centering and its printing quality are as nice as any Maryland we have ever seen. (250-up)

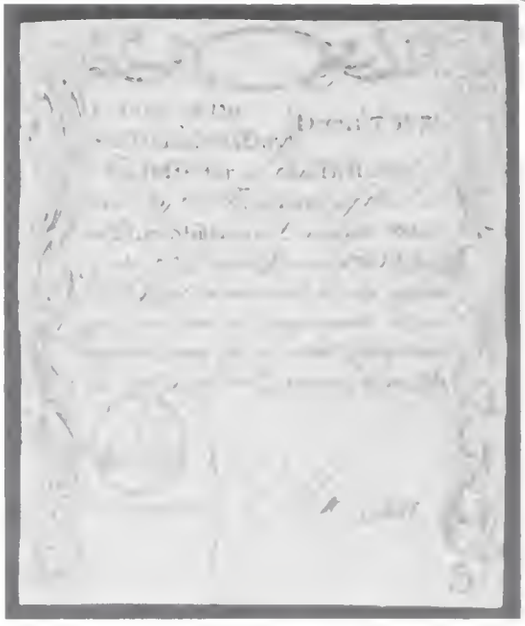


43 **Maryland April 10, 1774 $2 Choice New.** A very rare grade for this issue. Because these Maryland notes are so very common in Very Fine and lower grade, collectors tend to overlook their scarcity in Uncirculated condition. They are really rare! (300-up)



44 **Maryland June 28, 1780 $8 Choice New.** A rare note and very, very nice. (500-up)

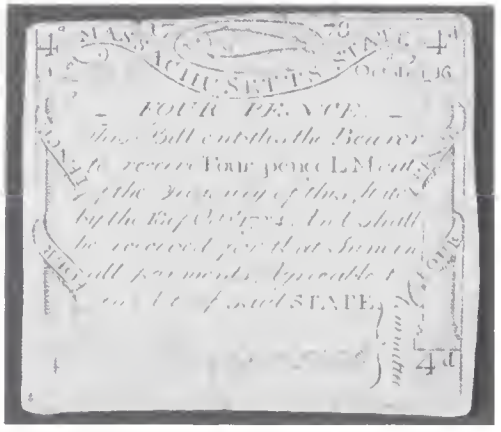
MASSACHUSETTS



45 **Massachusetts December 7, 1775 3s.** This [illegible] In Hand Note has had some expert restorations done to the edges and corners but gives the look of a Very Fine Select in any grade, this issue engraved and printed by Paul Revere is one of the most popular in Colonial Currency not only because of his association with the note but because of the wonderful back showing the American Soldier with his sword raised in defence of America's Liberty. None of the restorations [illegible] design is affected by the restorations. (250-Up)

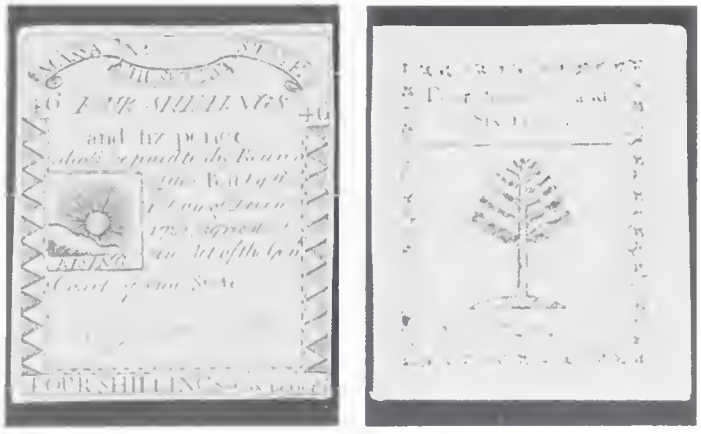
46 **Massachusetts June 18, 1776 $4 Counterfeit Extra Fine.** Pen canceled with four crosshatchings across the face and the word "counterfeit" written on the back. These contemporary counterfeits circulated side by side with the genuine notes for years and are highly collectible and desirable. (400-up)

47 **Massachusetts October 16, 1778 3d Fine.** Heavily circulated but undamaged. Engraved and printed by Paul Revere. (150-up)



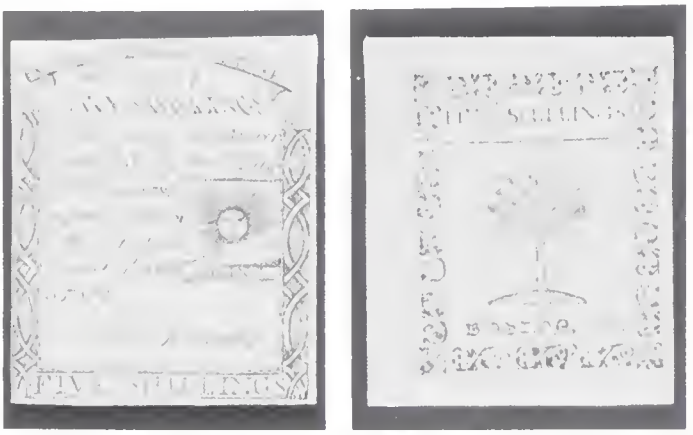
48 **Massachusetts October 16, 1778 4d Fine.** A very good looking Codfish Note with no problems but for a few very small splits. A nice Paul Revere engraved note. (200-up)

49 **Massachusetts October 16, 1778 2s Very Fine.** Circulated but undamaged. This is a good looking Codfish. (250-up)



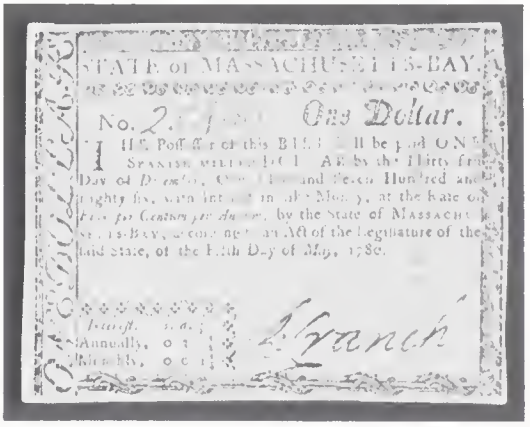
50 **Massachusetts 1779 4s6d Extra Fine.** A lovely, lightly circulated example from this extremely popular series whose face plate was engraved by Paul Revere and printed in his shop. This well margined clean example has more eye appeal than many pieces several technical grades higher. A lovely no problems note. (400-up)

Currency Auctions of America, Inc.
is pleased to announce
that our next public auction
will take place
in Memphis in June of 1994!



51 **Massachusetts 1779 5s Extra Fine.** The face of these Rising Sun issues were engraved and printed by Paul Revere. This is a particularly nice example with a very clean appearance and both sides sharply printed. (400-up)

REMEMBER!
PLEASE SIGN YOUR BID SHEET!



52 **Massachusetts May 5, 1780 $1 Choice New.** There is a minor split in the middle of the note and it appears as though cancellation was attempted but not accomplished. A very good looking, almost uncancelled note. (150-up)

53 **Massachusetts May 5, 1780 $3 Hole Cancelled Choice About New.** (40-up)

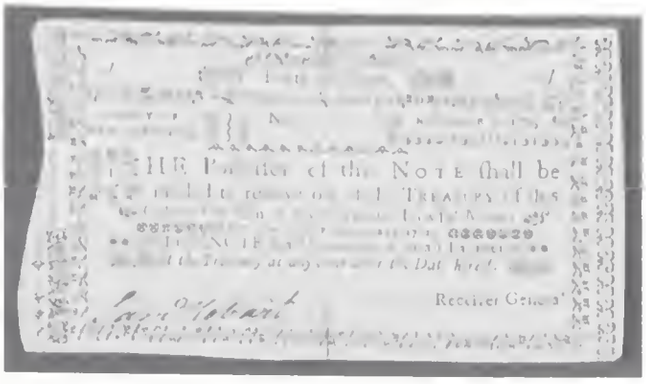
54 **Massachusetts May 5, 1780 $4 Hole Cancelled Choice New.** Lovely centering and a bright attractive note with a diamond shaped hole cancel. (50-up)

55 **Massachusetts May 5, 1780 $7 Choice New Cut Cancelled.** Fresh and with excellent margins. Its "pie slice" cancel is its only flaw. (50-up)

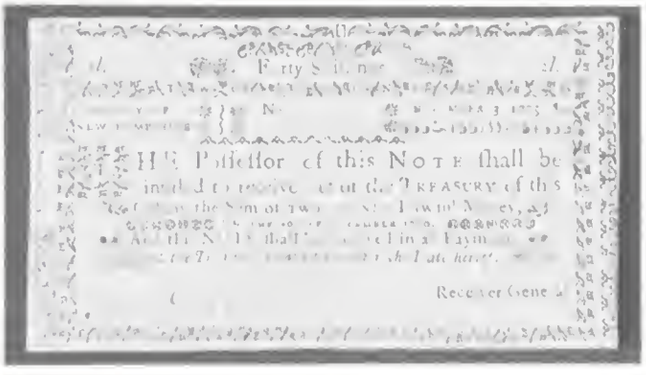
56 **Massachusetts May 5, 1780 $8 Hole Cancelled Choice New.** Bright and well centered with a much smaller hole than usually seen. (80-up)

57 **Massachusetts May 5, 1780 $20 Counterfeit Extra Fine.** This contempory Tory counterfeit is reasonably deceptive except for the watermark, which is hopelessly irregular with big and little letters and a backwards "N" in United. To us the historical importance of this piece makes it as, or even more, desirable than the genuine article. (150-up)

NEW HAMPSHIRE



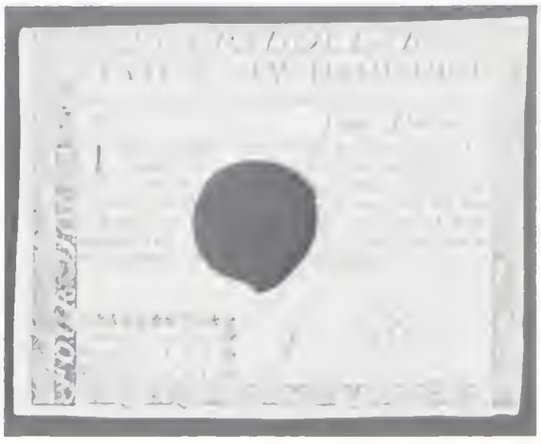
58 **New Hampshire November 3, 1775 £2 Extra Fine.** Other than a heavy center fold there is little evidence of circulation on this note. Listed as a counterfeit in Newman, although printed by one of the signers and with signatures of two of the others. We suspect that these "counterfeits" were actually overruns from the proper plates and that there was an overlap of the types listed as genuine and those listed as counterfeit. In any event, no marketplace difference in price is apparent between the genuine and "counterfeit" varieties. (550-up)



59 **New Hampshire November 3 1775 £2 Very Fine.** A second example, this listed as genuine in Newman. There are some pinholes and expert restoration of a few splits. (400-up)

60 **New Hampshire April 29, 1780 $1 New.** No signs of circulation on this tightly trimmed, hole cancelled example. (350-up)

61 **New Hampshire April 29, 1780 $3.** But for the hole cancel, this is far and away the finest example we have ever seen of a New Hampshire Guarantee Note. **Gem New** in every respect with three bright signatures in three different colors and a boldly printed brightly colored back design far superior to anything we have seen on a New Hampshire note. (800-up)



62 **New Hampshire April 29, 1780 $4 Choice New.** Hole cancelled as almost always, but if you are going to own a hole cancelled note, it might as well be this one as it's very nice in every other way. (400-up)

63 **New Hampshire April 29, 1780 $4 Hole Cancelled Extra Fine.** Attractive for one of these. (225-up)

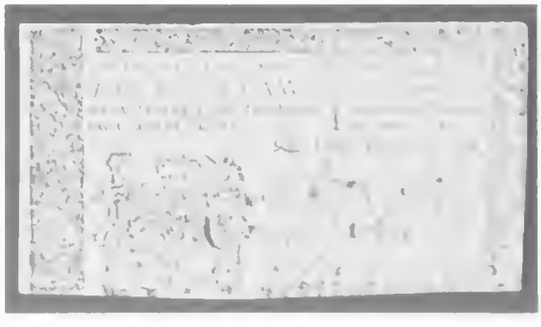
NEW JERSEY

64 **New Jersey June 22, 1756 1s Choice New.** Normal centering for this issue but superior in all other ways. Scarce in this grade. (200-up)

65 **New Jersey June 22, 1756 1s Choice New.** Wonderful condition and a Gem in every way but for the faulty centering that is so typical for this issue. (200-up)

66 **New Jersey June 22, 1756 15s Choice New.** Very bright with excellent signatures and sharp printing on both sides. A Gem in every way but for the centering. (200-up)

67 **New Jersey April 12, 1760 £6 Fine.** Quite a high grade for this issue. The colors are strong and the New Jersey Coat of Arms is particularly vivid. This note would grade Very Fine but for its rounded corners and a center split which is tape reinforced on the back. (150-up)

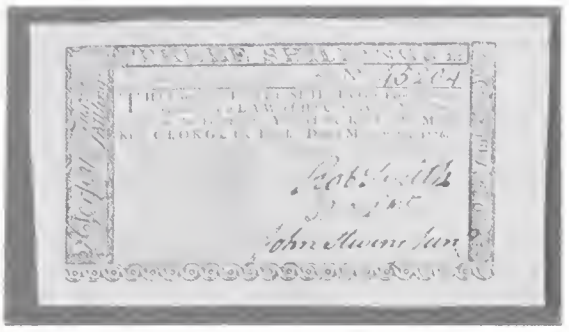


68 **New Jersey December 31, 1763 1s Choice New.** Exceptionally bright for this issue, with good signatures and better than average centering. (125-up)

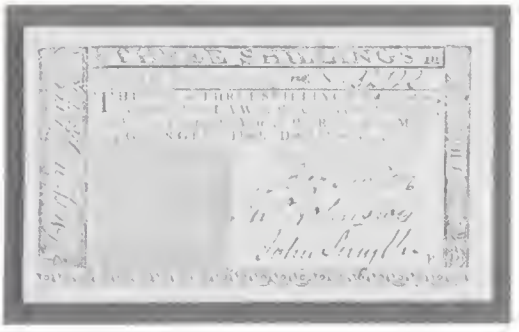
69 **New Jersey December 31, 1763 1s New.** Crisp and fully New but toned to the color of tea. (75-up)

70 **New Jersey December 31, 1763 3s New.** Bright, fine strong centering for these. (300-up)

71 **New Jersey December 31, 1763 12s Choice New.** Better color and margins than usually seen on this issue. The blue fibers and anticounterfeiting mica chips are both well in evidence on the back. (125-up)

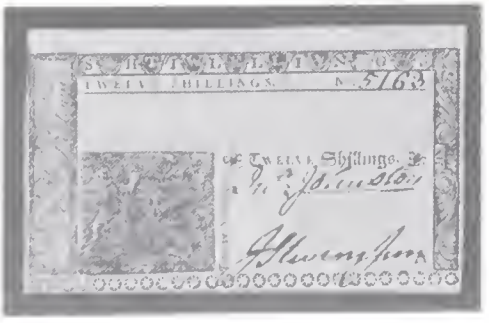


72 **New Jersey March 25, 1776 3s Superb Gem New.** Signed by John Hart, one of the signers of the Declaration of Independence. Jumbo margins and a dark signature. (750-up)

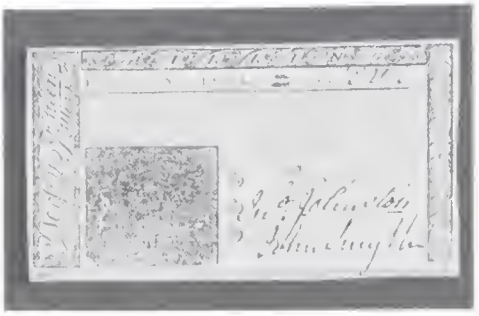


73 **New Jersey March 25, 1776 3s Superb Gem New.** A super piece of Colonial. (250-up)

74 **New Jersey March 25, 1776 6s Gem New.** Well centered and bright. (150-up)

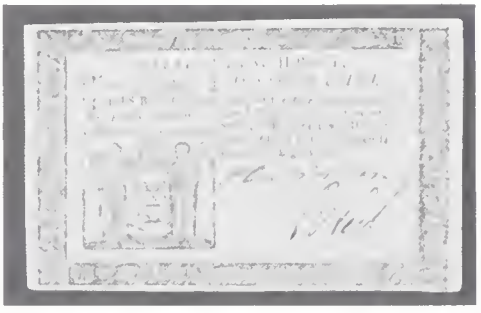


75 **New Jersey March 25, 1776 12s Very Choice New.** Signed by John Hart, one of the signers of the Declaration of Independence. Avidly collected by both autograph and currency collectors. (400-up)

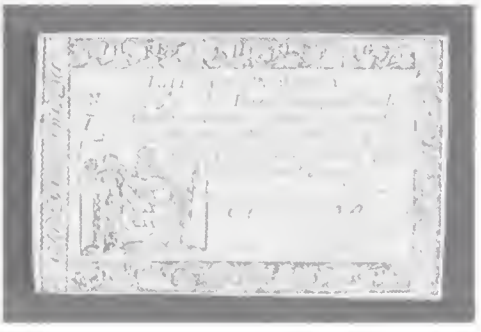


76 **New Jersey March 25, 1776 15s Choice New.** Well printed. (100-up)

77 **New Jersey March 25, 1776 £3 Very Fine.** A decent looking circulated example of this tri-color note. (100-up)



78 **New Jersey January 9, 1781 1s6d Choice New.** Although lightly aged, the centering and overall appearance of this rare note easily carry the Choice grade. (300-up)



79 **New Jersey January 9, 1781 3s6d Extra Fine.** Well margined and quite clean, a good representative note from this issue. (250-up)

80 **New Jersey January 9, 1781 $1 Extra Fine.** From the scarce late issue. Well centered and very slightly soiled although unfolded and with little actual use. The one dollar denomination is rarely seen. (300-up)

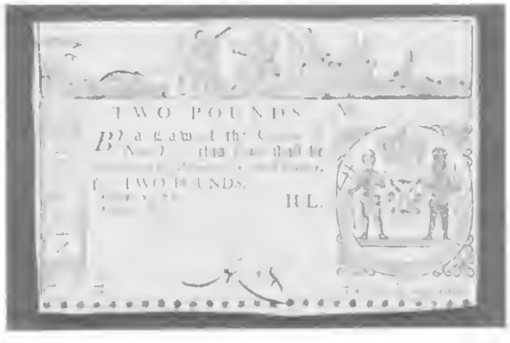
81 **Four Early New Jersey Notes.** All are from the December 31, 1763 Issue and all grade from Good to Fine. (4 pieces) (100-up)

NEW YORK

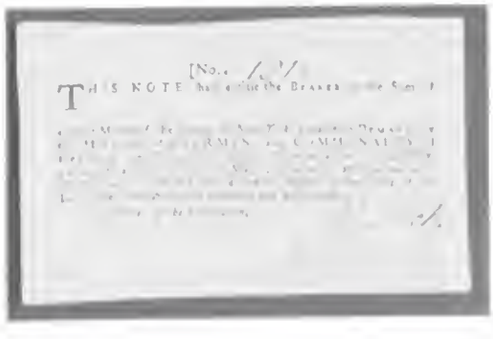
82 **New York April 20, 1756 £5.** Very nice overall appearance for this early issue grading essentially **Very Fine** but for rounded corners and an expertly repaired partial center split (250-up)

CHOICE NEW 1756 NEW YORK

83 **New York April 20, 1756 10£ Choice New.** Unpriced in any grade in either Newman or Friedberg. This wonderful note is by far the finest we have ever seen for any denomination from this issue. Sharply printed on heavy dark coarse paper containing fibers that appear to be horse hair. All New York notes prior to the 1771 issue are usually seen as rags when they are seen at all. They are also invariably the 1758, 59 and 60 issues. This is an extremely rare issue in the highest grade possible. (1000-up)

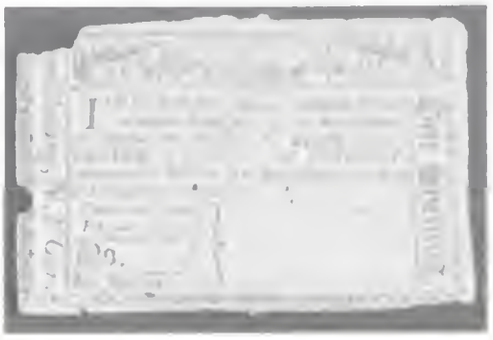


84 **New York February 16, 1771 £2 Choice Very Fine.** An extremely high grade for this issue with none of the normal edge tears and missing pieces that are always present on this issue. Sharply printed and with the appearance of a full About New from the face. (200-up)



85 **New York August 2, 1775 8s Waterworks Choice New.** Lots of red printing help the eye appeal of this very nice note (200-up)

86 **New York August 2, 1775 8s New.** This is the red and black Waterworks Issue. (125-up)



87 **New York, Albany County February 17, 1776 1s.** Essentially Very Fine but with some pieces missing from the edges. The center fold is reinforced with a fragment from a Connecticut Note. (100-up)

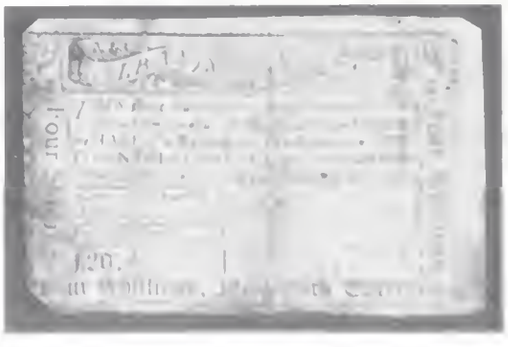
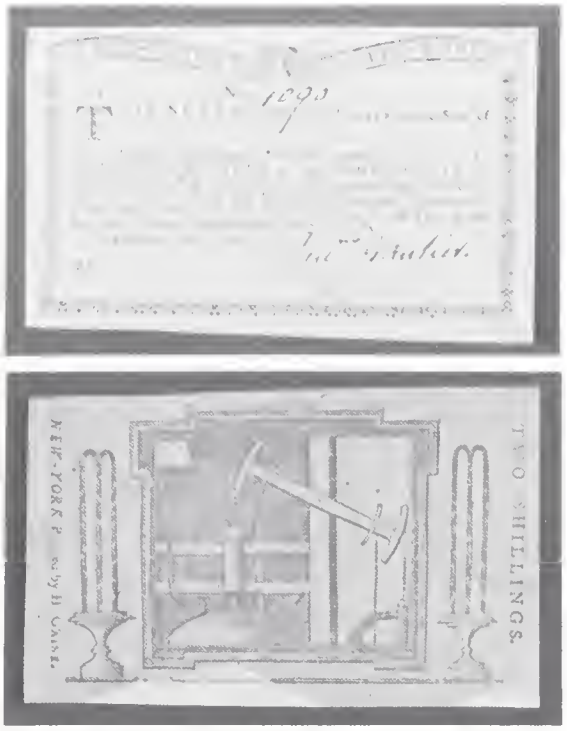
88 **New York, Albany County February 17, 1776 2s.** Split and sewn and with the lower right corner missing. Easier to photograph than to describe. (100-up)



89 **New York, Albany February 17, 1776 4s.** This [illegible] signed by John Van Rensselaer and Jacob [illegible] basically **Very Fine** although it is [illegible] places. Not priced above Very Good ($250 [illegible] (200-up)



90 **New York January 6, 1776 2s Waterworks Gem New.** Very well centered. The mounting of the dark backing was not totally complete, clearly showing that the backing was done prior to printing as the printing intrudes on the lighter area. A lovely note. (200-up)

91 **New York January 6, 1776 8s Waterworks Choice New.** Well printed with deep original embossing. (150-up)

92 **New York March 5, 1776 8s Waterworks Gem New.** Bright, well margined and very attractive. (225-up)

93 **New York March 5, 1776 8s Waterworks Choice New.** Very nearly Gem but a bit of light staining at the lower left. (125-up)

NORTH CAROLINA

94 **North Carolina December, 1768 £5 Very Fine.** This is quite a high grade for this issue. Although there are some very minor edge splits, the clean surface and unusually large margins make this a very desirable note. (250-up)

95 **North Carolina April 2, 1776 $5 Triton Very Fine.** Good looking but tightly trimmed at the top and with a few minor edge restorations. Still easily worth... (150-up)

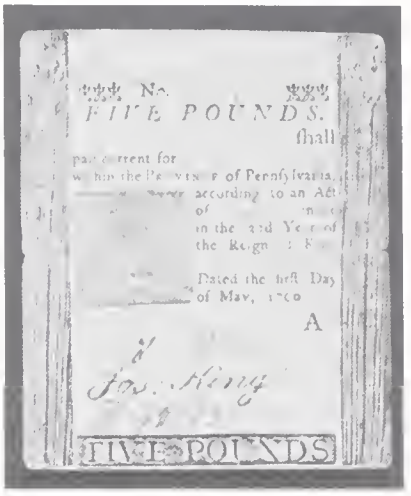
96 **North Carolina April 2, 1776 $10 Extra Fine.** A fairly heavy center fold but otherwise unusually nice. (250-up)

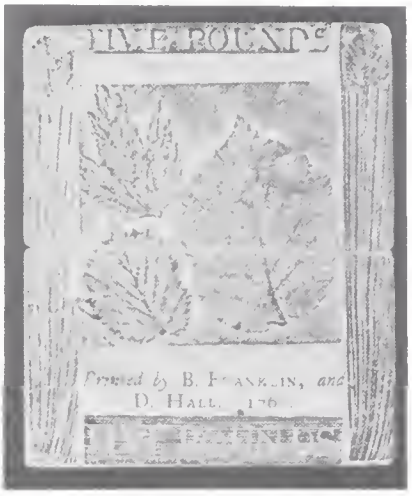
PENNSYLVANIA

97 **Pennsylvania May 20, 1758 15s Fine.** Split and sewn but still rather clean and attractive. This is a decent example of this early Ben Franklin note. (125-up)

98 **Pennsylvania May 20, 1758 20s Very Fine.** An exceptional grade for this issue. Evenly circulated with no problems or damage. All three signatures are clear and legible and even the nature print is reasonably intact. A very nice note printed by Ben Franklin. (350-up)

99 **Pennsylvania May 1, 1760 £5 Extra Fine.** An outstandingly high grade for this rare issue, the only signs of wear being slightly rounded corners and a single fairly heavy horizontal center fold. (400-up)





100 **Pennsylvania June 18, 1764 3d Very Fine+.** Evenly circulated and with the appearance of a higher grade. There are two small tape reinforcements on the back although they appear to be reinforcing nothing as the note is not split. (250-up)

101 **Pennsylvania June 18, 1764 20s Fine.** Split and sewn, still attractive from the face. (100-up)

102 **Pennsylvania, An Important Early Certificate.** A wonderful Colonial Currency association item. The February 18, 1768 act that authorized the March 10, 1769 "Bettering House Money" currency issue was preceded by the "Corporation of contributors for the relief and employment of the poor of the City of Philadelphia." This is a contribution receipt of that corporation which bestowed membership on one Jacob Graaf for his contribution of £10. The act of the following year authorized the printing of currency drawn on the Treasury of this corporation of contributors. Printed on laid and watermarked bank note paper, this certificate has a wax seal impressed with a paper eight pointed star reading "Seal of the Corporation for the Relief and Employment of the Poor in the City of Philadelphia." The seal is 100% perfect, the certificate is folded twice and taped on the back but otherwise as issued. A superb item. (500-up)

103 **Pennsylvania March 10, 1769 2s Good.** Split and backed and backed and backed. This appears to have been backed three layers deep and kept on going, just like the bunny. (100-up)

104 **Pennsylvania March 20, 1771 10s Extra Fine.** Excellent color and eye appeal. The margins are excellent and the signatures strong. Scarce this nice. (100-up)

105 **Pennsylvania March 20, 1771 10s Choice Very Fine.** A really good looking note from this red and black printed issue. (100-up)

106 **Pennsylvania March 20, 1771 15s Choice Extra Fine.** A very clean example of this scarce red and black issue with lots of eye appeal. (175-up)

107 **Pennsylvania April 3, 1772 1s Choice New.** [illegible] clean. Tight at the bottom, otherwise a Gem. (100-up)

108 **Pennsylvania April 3, 1772 2s6d Gem New.** Four large margins, superb signatures and extraordinary printing quality and centering. A wonderful piece of Colonial paper. (200-up)

109 **Pennsylvania October 1, 1773 50s Choice New.** Better printed than most. This "Farm Scene" note has excellent eye appeal. (125-up)

110 **Pennsylvania October 1, 1773 50s Choice New.** Attractive. (125-up)

111 **Pennsylvania April 10, 1775 50s Choice About New.** Excellent centering. (125-up)

112 **Pennsylvania October 25, 1775 1s Very Choice New.** Far better than average centering. (125-up)

113 **Pennsylvania October 25, 1775 18d Gem New.** Very exceptional in every way. Even the seal, which is usually very muddy, is printed with every line distinct. (200-up)

114 **Pennsylvania October 25, 1775 18d About New.** A lovely note with a center fold but no other problems. (60-up)

115 **Pennsylvania October 25, 1775 2s Very Choice New.** Very good looking Pennsylvania note. Excellent for type. (150-up)

116 **Pennsylvania October 25, 1775 2s Choice New.** An irregular cut at the top, still that surprising crisp, Gem. (125-up)

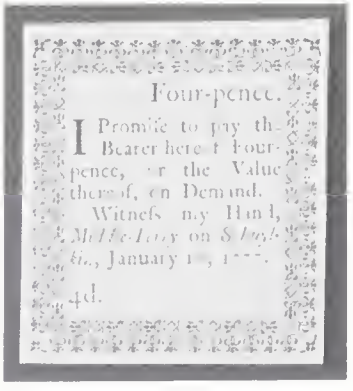
117 **Pennsylvania October 25, 1775 2s6d Very Choice New.** Another lovely note from this exceptional run of choice Pennsylvania items. (125-up)

118 **Pennsylvania October 25, 1775 2s6d Choice New.** Bold printing quality and strong signatures. (125-up)

119 **Pennsylvania October 25, 1775 5s Very Choice New.** Yet another well matched, clean note from this issue. (150-up)

120 **Pennsylvania April 25, 1776 20s Very Choice New.** Pristine and with wonderful embossed surfaces, not a rare note but decidedly uncommon this nice. (150-up)

121 **Pennsylvania April 25, 1776 Sheet of 8.** Fully signed and issued, this is a rare item as a multiple. The margins are tattered and there are a few tears but only one note is affected. The sheet is composed of two each of the 18d, 1s, 2s and 2s6d with seven of the notes being **About New** or **New** and one 2s being slightly torn. (450-up)

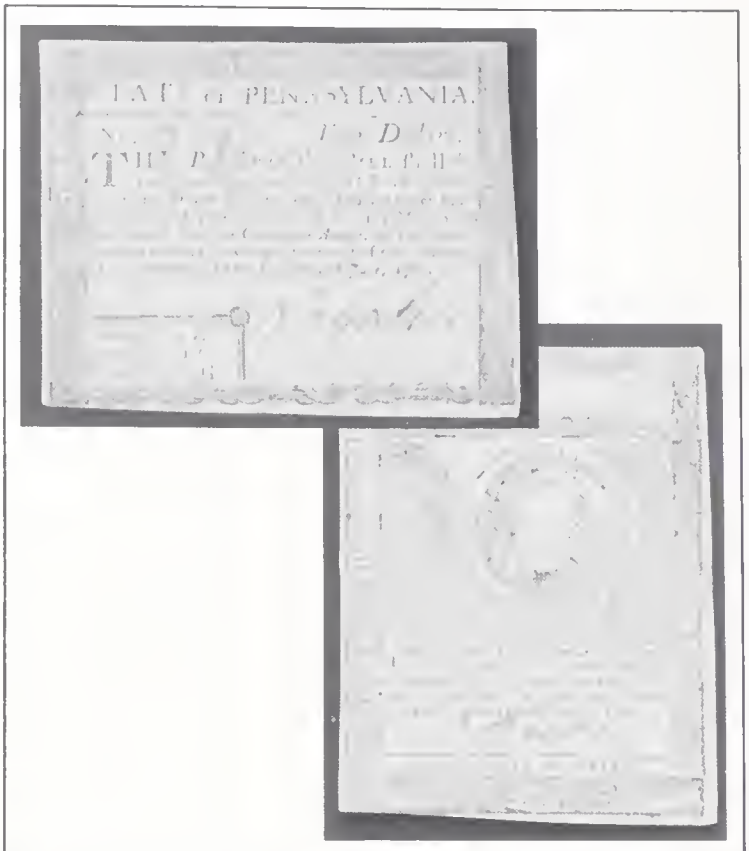


122 **Pennsylvania January 18, 1777 4d Superb Gem New.** A remainder note from the Middle-Ferry on Schuylkill Private Issue. As nice as they can come. (175-up)

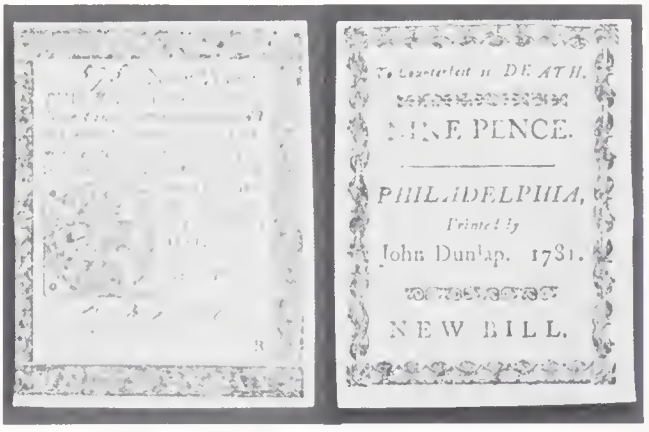
123 **Pennsylvania January 18, 1777 4d Gem New.** A beauty of a private note. From the Middle-Ferry on Schuylkill Issue. (175-up)

124 **Pennsylvania April 10, 1777 4d Gem New.** Excellent centering and super original paper surfaces. (175-up)

125 **Pennsylvania April 10, 1777 9d Very Choice New.** One margin a tad tight, otherwise a Gem. The red signature and serial number are extremely bright. (150-up)



126 **Pennsylvania June 1, 1780 $4 About New.** This is the very rare guaranteed by the United States Issue which is seldom seen in any grade. One of the very best in existence. (800-up)



127 **Pennsylvania April 20, 1781 9d Choice New.** This "New Bill" Late Issue Note is rare in all grades and just about impossible to find New. If the left face margin were not tight, this little beauty would be a full Gem. (450-up)

128 **Pennsylvania March 1, 1785 10s Very Fine.** A bit soiled, but well margined and without too much actual wear and tear. This late issue is very scarce. (150-up)

129 **Pennsylvania March 16, 1785 20s Very Fine.** A much nicer example than is usually encountered from this issue. Both the margins and the signatures are exceptional. (200-up)

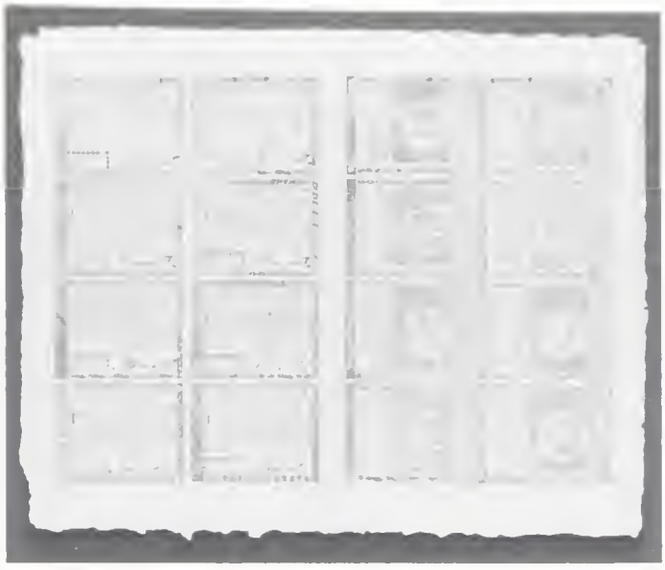
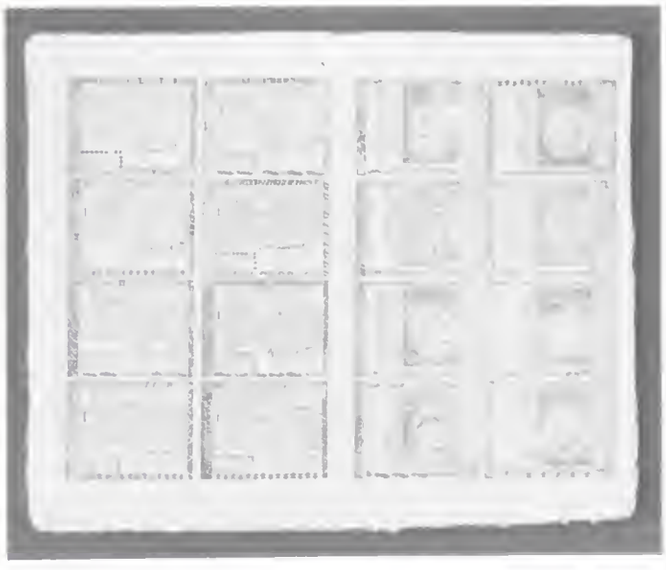
THREE CHOICE GUARANTEED ISSUE DOUBLE SHEETS



130 **Rhode Island July 2, 1780 Double Sheet of 16.** A superb double sheet with two each of the $1, $2, $3, $4, $5, $7, $8 and $20 denominations, for a total of 16 superb **Gem New** notes. As fine as any we have seen, this sheet is signed in red by Harris and below this in brown by Comstock. (1200-up)



131 **Rhode Island July 2, 1780 Double Sheet of 16.** Another, just as nice. This signed first in brown by Comstock then red by Harris. It would appear that they "switched off" on the chore of signing first as that man also got the fun job of numbering each note. (1200-up)

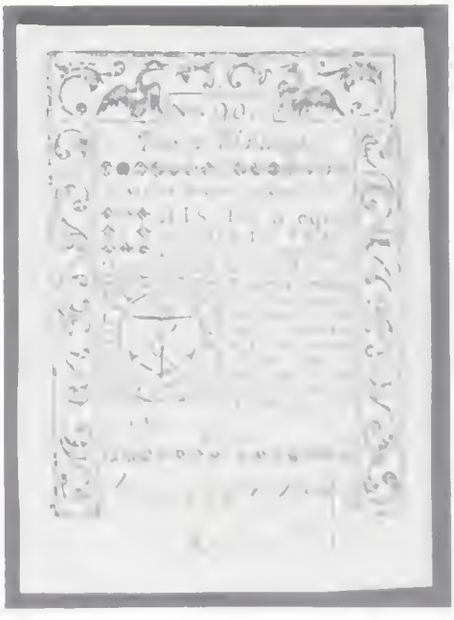
132 **Rhode Island July 2, 1780 Double Sheet of 16.** A third sheet nearly as nice. One note has a short split and another a minor sheet fold. Signed in red by Harris and brown by Bowler. 14 **Gem** notes, 1 **About New** and 1 **New** with a split. (1000-up)

133 **Rhode Island May 1786 9d Gem New.** Jumbo margins and deep original embossing. (100-up)

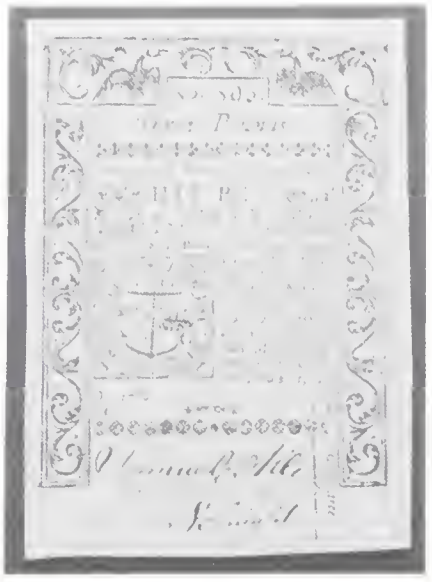
134 **Rhode Island May 1786 9d Choice New.** Clean from the face and well margined, but with a bit of glue on the back. (75-up)

135 **Rhode Island May 1786 1s Choice New.** Well centered and clean from the face but with a bit of glue on the back. (75-up)

136 **Rhode Island May 1786 5s New.** Tightly trimmed. (65-up)



137 **Rhode Island May 1786 30s Choice New.** Small [illegible] this scarcer high denomination note [illegible] (125-up)



138 **Rhode Island May 1786 £3 Gem New.** These higher denomination notes are far more rare than the shilling and pence notes usually seen. Because these are printed on both sides, and on thin paper, the print shows through. They never look as clean as the low denomination uniface notes. This, though, is a really nice one. (125-up)

139 **Rhode Island May 1786 Double Sheet of 8 Gem New.** Two each of the 1s, 6d, 2s6d, and 9d. Signed in red by Comstock and brown by Allen. A few age spots here and there but not dark enough to affect the grade. (750-up)

140 **Rhode Island May 1786 Double Sheet of 8 Gem New.** Another, identical to the last but signed by Allen in brown and Knight in red. (750-up)

SOUTH CAROLINA

141 **South Carolina March 6, 1776 £15.** Basically **Very Fine** and with a strong vignette of the British Lion being attacked by a rattlesnake. However, multiple splits and weak areas have been reinforced from the back. (200-up)

142 **South Carolina December 23, 1776 $2 Gem New.** A remainder note signed only by Dart and Wakefield. (250-up)

143 **South Carolina December 23, 1777 (Redated 1776) $2 Choice New.** A remainder note signed by Dart and Wakefield. Clean and pretty. (350-up)

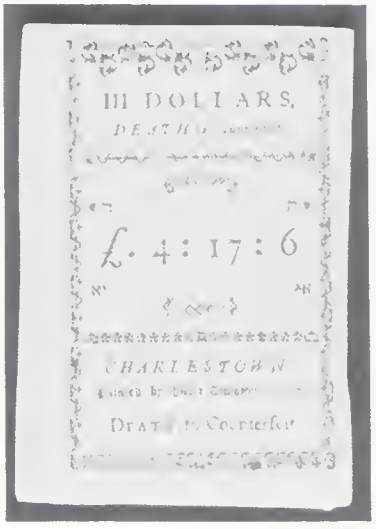
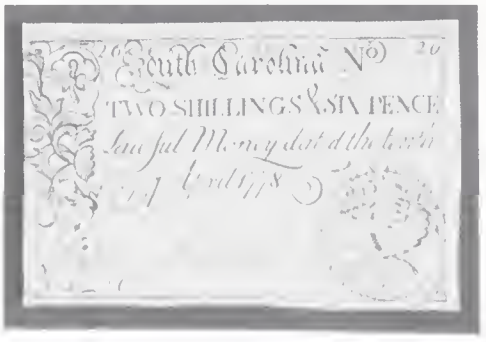
144 **South Carolina December 23, 1776 $3 Choice About New.** Fully signed and issued, and rare thus. This issue is almost always found in remainder form or in very low grade. We cannot recall seeing a signed and numbered note anywhere near this nice. An added feature of interest is the Hebrew letters used on the back as decoration and anticounterfeiting confusion. (450-up)



145 **South Carolina December 23, 1776 $4 Gem New.** A crisp and clean remainder note signed by Wakefield only. (250-up)

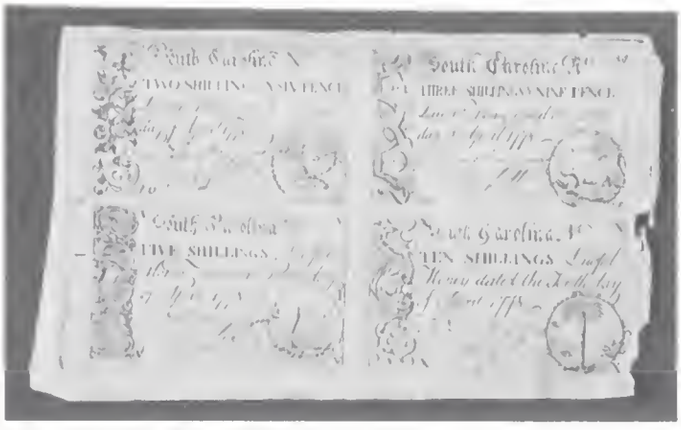
146 **South Carolina February 14, 1777 $30 Extra Fine.** Very clean looking with strong signatures and far better than normal centering. A very nice note for this issue. (250-up)

147 **South Carolina February 14, 1777 $30 Fine.** A far higher grade appearance is given by the face although the back is weak. There are also several edge splits. Still a good looking example. (150-up)



148 **South Carolina April 10, 1778 2s6d Choice New.** Well printed with a sharp vignette. (175-up)

149 **South Carolina April 10, 1778 5s Phoenix About New.** Clean and attractive with two very large margins. (150-up)



150 **South Carolina April 10, 1778 Sheet of 4.** The 2s6d and the 5s are **Choice New** and the 3s9d and 10s are both water stained and slightly torn. The right edge of the sheet itself is somewhat tattered. (450-up)

151 **South Carolina February 8, 1779 $90 Extra Fine.** In spite of a few short edge splits, this note is simply too nice to grade any lower. The centering and printing quality are excellent and this bright note is almost entirely free of soil (350-up)

VIRGINIA

152 **Virginia May 6, 1776 $5 Extra Fine.** A little light circulation but with great eye appeal. A nice affordable Virginia note. (125-up)

153 **Virginia October 7, 1776 $10 Choice Very Fine.** A good looking note. (80-up)

154 **Virginia May 5, 1777 $8 Very Good.** Circulated but still attractive. (75-up)

155 **Virginia October 20, 1777 Very Fine.** Clean looking and well centered. (100-up)

156 **Virginia October 5, 1778 $100 Very Fine.** Tape reinforced on the back at the site of a few short splits but much better centered and cleaner than these usually come. (200-up)

157 **Virginia October 16, 1780 $100.** Printed on extremely thin paper, this **Very Fine** is in far better shape than most surviving pieces. (125-up)

158 **Virginia October 16, 1780 $200 About New.** Mounted on light cardboard, this thin paper note is one of the best we have seen for this issue. (125-up)

159 **Virginia March 1, 1781 $150 Choice Extra Fine.** Other than a few very light folds, its only problem is a 1/2" split taped on the blank back and invisible from the front. (200-up)

160 **Virginia March 1, 1781 $150.** Essentially **Extra Fine** but split and sewn which is most unusual for a note in this grade. There are also three stamp hinge reinforcements on the back. (80-up)

MIXED COLONIAL

161 **Three Early Colonials.** Delaware June 1, 1759 5s **Poor** and two March 10, 1769 Pennsylvania notes, both **Poor** and sewn (3 pieces) (50-up)

162 **A Well Mixed Group** Continentals, 1 29 1778 $8 **Very Good**, 2 17 1776 $7 **Very Fine**, 2 22 1776 $8 **Fine**, 2 26 1775 $7 **Fine**, 9 26 1778 $40 **Very Fine** and 11 14 1779 $8 **Fine**, Pennsylvania 3 10 1777 3d **Fine**, Massachusetts 5 5 1780 $4 hole cancelled **Extra Fine**, Virginia 10 20 1777 $8 **Very Fine** corner off, Maryland 4 10 1774 $2 **Very Fine** and $8 **Very Fine** and a Confederate 4 6 1861 $20 **About New** (12 pieces) (160-up)

FRACTIONAL CURRENCY

THE WAYNE LIECHTY COLLECTION

Wayne Liechty has been a serious collector of Fractional Currency for three decades and is a Charter Member of the Fractional Currency Collectors Board.

His interests as a collector are at one and the same time broad ranging yet focused. Wayne acquired material across the entire gamut of Fractional Currency production. Whether he purchased scarce specialty items with tiny known populations or more common material , he always focused on quality and insisted on having the finest available.

This concern with quality will be evident from even a cursory examination of his holdings. Whenever Wayne located an item better than the same type he already had, however, he generally retained the earlier purchase. His First Issue perforated notes are almost all fully perforated. In his Justice notes item after item will have full margins all around. His fiber paper notes — a type notorious for discolored and brittle paper — are truly outstanding.

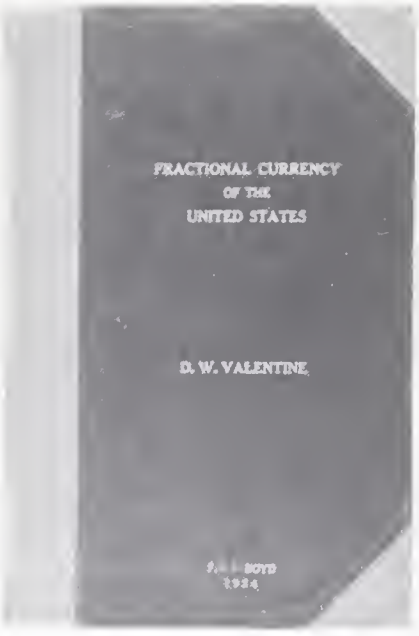
Wayne's collection makes superb quality seem almost commonplace as each note seems better than the last.

It has been both a pleasure and an honor for our firm to have been selected to disperse this wonderful collection to the fraternity. It will be many years before such a high quality grouping encompassing such a wide range of rare material is again available to collectors.

We highly recommend that any serious collector of Fractional Currency attend the sale of the Liechty Collection in person.Actually viewing and examining the lots that comprise it will be a valuable educational experience in itself. Acquiring even a few of Wayne's notes will give any collector a special sense of satisfaction.

Wayne will be in attendance at the sale himself and looks forward to sharing his collecting experiences with those carrying on the tradition he has enjoyed most of his adult life.

163 **D.W. Valentine's Fractional Currency of the United States.** Copy #77 of the 1924 hardcover edition signed compliments F.C.C. Boyd and apparently owned by H.K. Crofoot as his purple rubber stamp appears inside the front and back covers along with his signature. Annotated with corrections and additions throughout, mostly written on the occasional blank pages. There are also a few enclosures of Fractional relevant newspaper clippings and a few other extraneous items, one of which is Herman Crofoot's membership card in the Essay-Proof Society also with relevant notes on its back. A rare book and a wonderful tool for the researcher. (250-up)

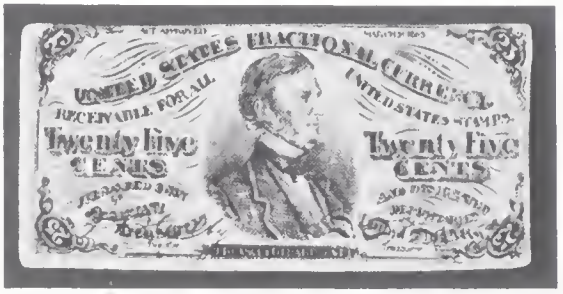


164 **Valentine-Fractional Currency of the United States.** The original hardcover 1924 edition (copy #184) in excellent condition with the only extraneous marks being an inside front cover 1973 presentation inscription to Wayne Liechty from Leo Thomas ANA member 11725. This is the key collectable book for fractional specialists. (200-up)

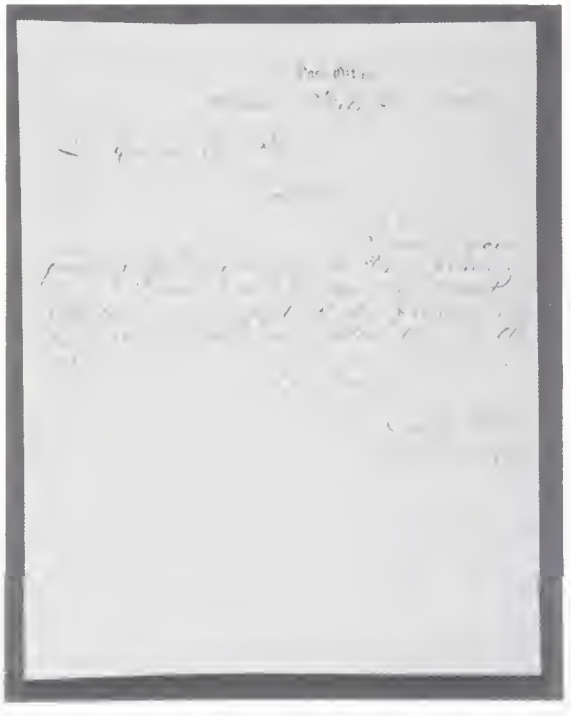
165 **Stacks and Merkin.** Stacks September 24, 1955 sale catalog of the Dr. Frank Limpert collection of Fractional Currency. Included are the prices realized and a Mr. Edwin Morr's bid sheet and invoice. Also a copy of Lester Merkin's 1963 Fractional Currency Fixed Price List. (2 pieces) (75-up)

166 **Dr. F.A. Limpert's Fractional Currency Books.** 1946 **United States Postage Currency and Fractional Currency,** 36 pages, illustrated with photos and 1947 **Classified List of U.S. Postage and Fractional Currency**, 32 pages. Both books contain their Errata Sheets. (2 pieces) (75-up)

167 **Rothert and Friedberg.** Matt Rothert's 1963 **A Guide Book of United States Fractional Currency** and Milt Friedberg's 1977 soft cover **The Encyclopedia of United States Fractional and Postal Currency**. The Friedberg is new and still in its shrink-wrap. (2 pieces) (40-up)



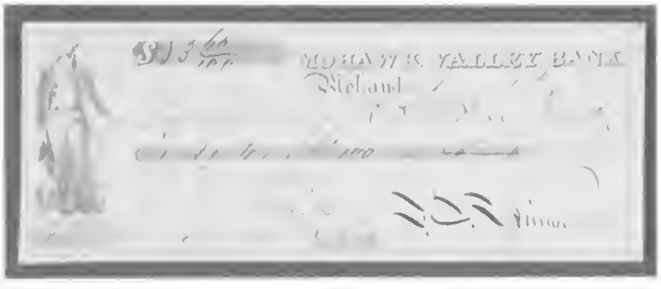
168 **25¢ Third Issue Match Safe Cover.** Before the advent of the "Safety Match," matches were kept in tin or ceramic bins for safety. This lid is from one such "safe." It's 1/4" thick with a striker on the inside. We have seen a few different Fractional types on these covers. This one bears the 25¢ Fessenden in a life size likeness and dates to about 1870. (150-up)



169 **Postage Currency Shortage.** From the Cleveland, Ohio Postmaster on official stationery dated Feb. 2, 1863 ..."Relative to postal currency, I cannot supply you at present but have made application for $1000 and when received will give you notice"... A very nice Association item. (100-up)

170 **Treasury Card.** The card that was included with Treasury issued sets of Postage and Fractional Currency. (25-up)

171 **Half Sheet of CSA paper.** An interesting story goes with this great historical item. A Civil War blockade runner, the *"Bermuda"* bound for Nassau in the Bahamas left Liverpool, England in March 1862 with a cargo of miscellaneous goods badly needed by the Confederacy. She was sighted during the crossing and captured by the Federal ship *"Mercidita"* on April 27, 1862. She was taken to Philadelphia, adjudged a legal prize of war and her cargo sold at auction. One of the articles of cargo in her holds was a consignment of bank note paper bound for Keatinge and Ball in Columbia, South Carolina, for use in printing Confederate currency. The sheets measured 13 inches by 17 inches and had the block CSA watermark eight times. The purchaser of this paper at auction was the U.S. Treasury Department, who used it extensively to print Fractional Currency Specimen Notes of the Second and Third Issues, many of which show parts of the CSA watermark identical to that on several Confederate Note Issues of 1861-3. This 8 1/2 x 13 half sheet has the watermark four times. (50-up)



172 **Spinner Check.** A June 12, 1848 Mohawk Valley Bank check signed by Spinner as Cashier. (50-up)

FRACTIONAL CURRENCY WALLETS

From the original issue of Postage Currency up to the end of the Fractional Currency period wallets were made to hold these small notes. After 1880 wallets were made to hold large bills only or large bills and a pocket for change (coin). These 1862-1880 wallets were produced with four pockets to hold the four original denominations of 5c, 10c, 25c and 50c. Once you know what to look for, these old wallets can be found on rare occasions at flea markets or antique shops. This group in the Liechty Collection is the largest we have ever seen assembled. Please note that our use of the word leather in this section means either leather or other material that looks to us to be leather.

173 **A Tri Color Wallet.** Four fractional pockets, a change area, a fold out large note area, two tuck under leather bands and a chain handle. A very neat wallet and in excellent shape. (75-up)

174 **A Dark Brown Leather and Cloth Wallet.** This one has a change pocket in the middle with two Fractional pockets on each side. (30-up)

175 **A Cardboard Criss-Cross Wallet.** The "X" ribbon and the parallel ribbons change places when the wallet is opened. One ribbon is loose. Contains two low grade notes, both Second Issue. (50-up)

176 **A Red, Blue and Brown Wallet.** [illegible] with a fold out pocket for large bills. This wallet contains two low grade notes, one a Stanton and [illegible] tuck under band. (60-up)

177 **An All Leather Wallet.** [illegible] and a fold out large note area. Closes with [illegible] leather band.

178 **A Maroon Leather Wallet.** With a rather [illegible] Four Fractional pockets, two on each side of a [illegible] pocket. Contains a low grade 25c Fifth Issue Note. (75-up)

179 **A Light Brown Leather Wallet.** With four Fractional [illegible] a fold out section for large size notes. Closes with [illegible] under bands that are still complete and functional. Neat. (75-up)

180 **A Hand Sewn Wallet.** Metal rim but with the [illegible] Four Fractional pockets. (30-up)

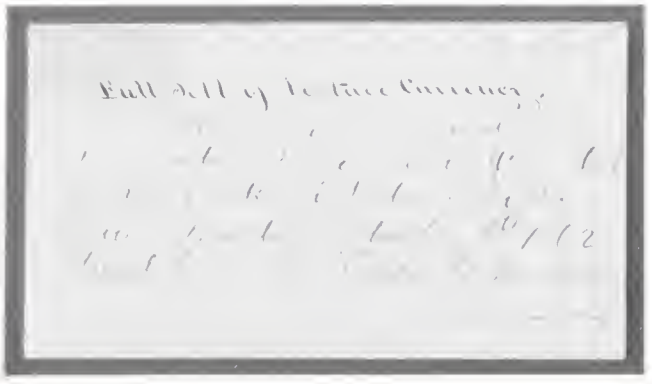
POSTAGE ENVELOPES

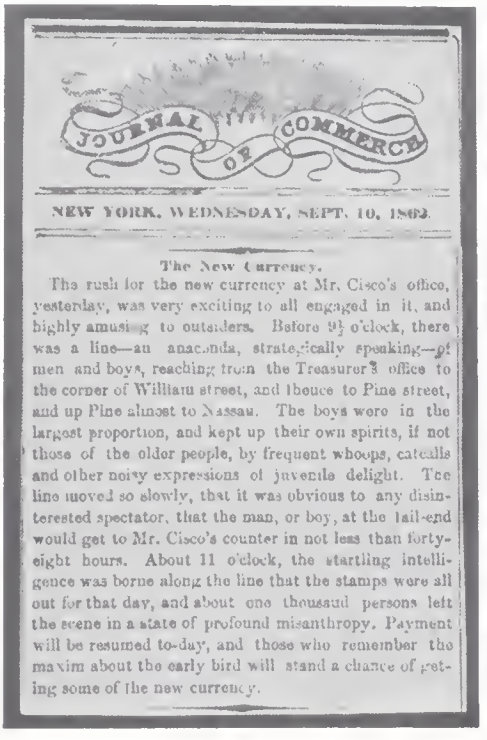
Used early in the Civil War during the first days of the severe coin shortage, these merchant envelopes were true emergency money and an important part of the transition period from chaos to Postage Currency. They were used to contain and preserve postage stamps of the value stated on the face and circulated along with Encased Postage Stamps and loose stamps. In our combined 70+ years in the business we have seen less than a total of fifty of these envelopes in all conditions and varieties.

181 **Postage Envelope 25c Wm. Murphy, 438 Canal St. New York.** Unlisted by Friedberg and mentioned only by merchant with no description or denomination in Krause-Lemke. An extremely unusual square format. At the top of the back flap in very small print is "Made by Wm. Murphy, 438 Canal St, New York. It appears that Mr. Murphy was a manufacturer of these envelopes as a commercial venture, not a merchant using them for advertising. This envelope is near perfect with its only fault being some very minor damage at the upper right corner of the back where the edge of the flap has torn. (600-up)

182 **An Advertising Postage Envelope.** Hatch & Co. [illegible] 29 William St. in New York City, this [illegible] Postage Envelopes which marked the [illegible] of loose stamps to that of Fractional Currency. This is a beautiful envelope printed in yellow and black. It is [illegible] undamaged. We know of no others, and until [illegible] up, it must be regarded as unique. (750-up)

183 **First Day of Issue Set.** The eight pieces in this lot represent to us what collecting is all about. This is the ultimate interest item to a Fractional Currency collector. First, clipped from a N.Y. paper (most likely the Times) is Assistant Treasurer John J. Cisco's September 8, 1862 announcement that Postage Currency will be distributed at his office beginning that day. There are two other clippings, one from the Journal of Commerce and one from the New York Times, both dated September 10, 1862. Both are reports on the chaos and humor of a small change hungry city desperate for the new currency. The crowning item is a handwritten envelope containing a "full sett (sic) of Postage Currency" and inscribed "These specimens received from the assistant treasurers office, (Wall Street, New York) on the first day of Public Issue, Monday September 8th 1862 obtained by — Theodore W. Van Norden". In the envelope are four fully perforated examples of Postage Currency; Fr. 1228 5c **Superb Gem New**, Fr. 1242 10c **Superb Gem New**, Fr. 1279 25c **Gem New**, a bit tight at the bottom and Fr. 1310 50c **Gem New**, a bit close at the top and left. All four have deep even perforations and perfect original color. There is no way to be certain if these are the very same notes Mr. Van Norden waited on line for, and no additional value would attach for that reason. The set of notes alone is worth over $2000 - and with these wonderful history items included, we would expect bids in the range of... (2500-up)





JOURNAL OF COMMERCE

NEW YORK, WEDNESDAY, SEPT. 10, 1862.

The New Currency.

The rush for the new currency at Mr. Cisco's office, yesterday, was very exciting to all engaged in it, and highly amusing to outsiders. Before 9½ o'clock, there was a line—an anaconda, strategically speaking—of men and boys, reaching from the Treasurer's office to the corner of William street, and thence to Pine street, and up Pine almost to Nassau. The boys were in the largest proportion, and kept up their own spirits, if not those of the older people, by frequent whoops, catcalls and other noisy expressions of juvenile delight. The line moved so slowly, that it was obvious to any disinterested spectator, that the man, or boy, at the tail-end would get to Mr. Cisco's counter in not less than forty-eight hours. About 11 o'clock, the startling intelligence was borne along the line that the stamps were all out for that day, and about one thousand persons left the scene in a state of profound misanthropy. Payment will be resumed to-day, and those who remember the maxim about the early bird will stand a chance of getting some of the new currency.

191 **Fr. 1230 5¢ First Issue.** A pair of notes both grading **Gem New**. One has deep yellow paper with the bright red brown ink and the other is on the tan paper with the dark brown ink. 192 **Fr. 1230 5¢ First Issue Very Choice New.** Near Gem. (50-up)

205 **Fr. 1242 10¢ First Issue Very Choice New.** Nearly Gem. (60-up)

206 **Fr. 1242 10¢ First Issue Very Choice New.** Terrific printing and color. (50-up)

210 **Fr. 1243 10¢ First Issue Choice About New.** Lots of eye appeal to this scarce no monogram note. (75-up)

211 **Fr. 1279 25¢ First Issue Superb Gem New.** A virtually unimprovable perforated note, just about as nice as these ever come. (500-up)

212 **Fr. 1279 25¢ First Issue Very Choice New.** Fully perforated on all four sides. (200-up)

This is the first unsevered pair of twenty-five cent no monogram notes that we have ever seen. All perforated multiples are extremely rare and Fr. 1280, in our opinion, is the rarest of the perforated notes. A prize item for any Fractional specialist." 218 **Fr. 1281 25¢ First Issue Very Choice New.** Boldly printed and neat. Gem. (85-up)

219 **Fr. 1281 25¢ First Issue Vertical Pair.** Although lightly folded between the notes, each of them are **New**. (125-up)

220 **Fr. 1281 25¢ Block of 8.** Quarter folded but bright and attractive, with six notes grading **Choice Extra Fine**. The other two are **Extra Fine** with ink on their backs. (175-up)

221 **Fr. 1282 25¢ First Issue Very Choice New.** There is a real temptation to call this rare note a Gem. It is superb in every way including its original paper surfaces but the face margins are just a bit tight in spots. We cannot recall ever seeing a finer example. (750-up)

222 **Fr. 1310 50¢ First Issue Gem New.** A lovely example with deep, full perforations on all four sides and excellent centering. Rare in this grade. (300-up)

223 **Fr. 1310 50¢ First Issue Choice About New.** This note would be a Superb Gem but for a single hard corner fold. It's worth way in excess of an ordinary About New. (150-up)

RARE PERF. 14 VARIETY

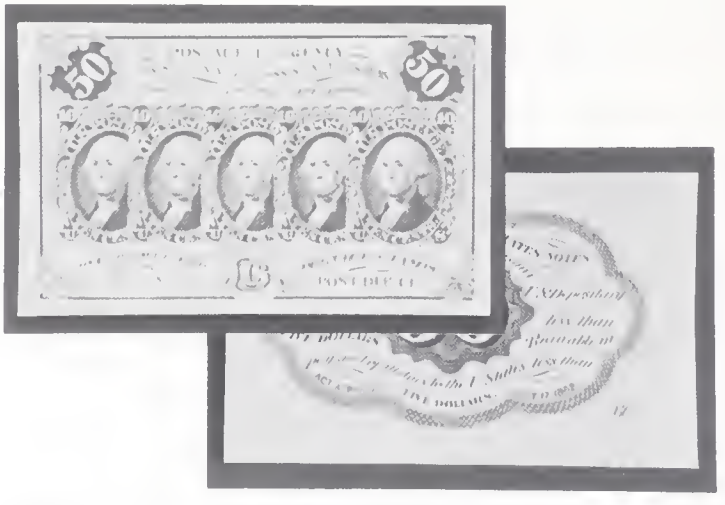
224 **Fr. 1310a Perf. 14 Choice New.** Fully perforated and quite a nice example of this rare and enigmatic variety. The generally accepted history of this variety is that these notes were produced by dealer Harlan P. Smith circa 1890. In cataloging another of these which sold last Spring, our colleague Martin Gengerke told the story thusly: "Though no documentary evidence exists, there is substantial circumstantial evidence that Smith perforated two sheets himself, though he charged very little premium over normal perforated notes. As the variety was listed by Blake, Valentine, Limpert and Rothert as genuine, it remains highly desirable and collectible." The back design on the presently offered piece is off center to the left, tying it in origin to all the other known pieces. (1500-up)

POSSIBLY UNIQUE PERF. 16 5¢ & 10¢ NOTES

225 **Fr. 1228 (a?) 5¢ Perf. 16 First Issue.** Purchased from Lester Merkin in the 1970's, this note has perforations that are even closer together than the well known and listed "Perf 14" 50¢ Note. Bought as a set of 3 (5¢, 10¢ and 25¢) the 25¢ has been sold privately leaving this and the following lot. This note grades **Choice New** with its original paper surfaces evident. No records exist to prove or disprove that this is not a government product (the Perfs, not the note) but it is not too much of a leap of faith to suppose that their origin is from this same source as the Fr. 1310a (see Lot #224). In any event, we believe this note will bring about... (500-up)

226 **Fr. 1240(a)?) 10¢ Perf. 16 First Issue Choice New.** The second note from the set of three. (See above.) (500-up)

227 **Fr. 1311 50¢ First Issue About New.** Fully perforated and nicely centered. (125-up)



228 **Fr. 1312 50¢ First Issue Superb Gem New.** Perfect centering between four huge margins which have the full cutting guides and more all the way around. As nice as could exist. (500-up)

230 **Fr. 1313 50c First Issue Very Choice New.** One of the finest examples we have ever seen of this rare note. Extremely well printed on both sides and lacking only a broad left face margin to be the elusive Gem we have never seen of this number. Lovely original paper surfaces and 100% perfect back centering. MAGNIFICENT SET OF FIRST ISSUE SHEETS

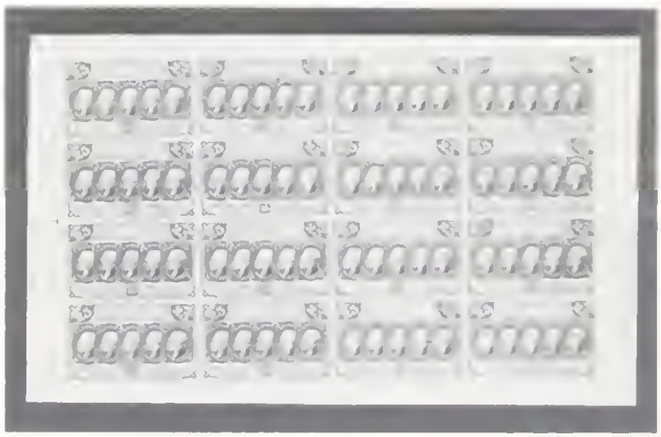
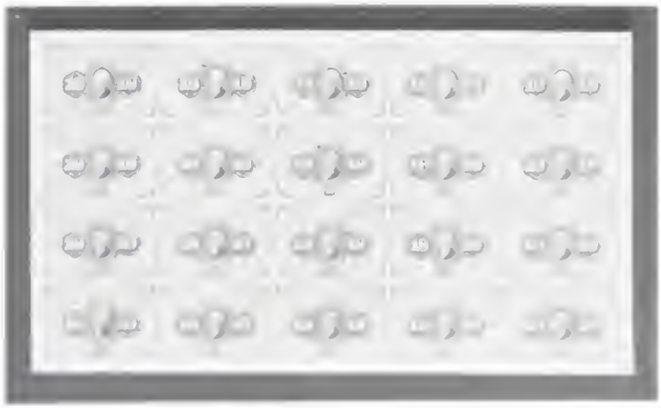
232 **Fr. 1230 5c First Issue Full Sheet of 20.** Both the sheet itself and all twenty notes grade **Superb Gem New**. Fully bright and sharply printed, this is the finest 5c sheet we have handled and equal to the finest that could exist. (1750-up)



234 **Fr. 1281 25c First Issue Full Sheet of 16.** Another superb sheet! Fully margined with all 16 notes **Superb Gems**. 25c & 50c sheets are far scarcer than the two lower denominations. This is as perfect as could exist. (2500-up)



233 **Fr. 1242 10c First Issue Full Sheet of 20.** Although the margins are a bit smaller than the other three sheets in this great set, they are still plenty wide. The sheet itself and all 20 notes grade **Gem New**. (1500-up)

235 **Fr. 1312 50c First Issue Full Sheet of 16.** The finest sheet by far of this great set and one of the few 50c sheets extent. Superb in every respect, the notes that could be cut from this sheet (which would be unique and which is why so few 50c sheets remain) would easily sell for over a total of $30000. No finer 50c sheet could exist. (500-up)

SECOND ISSUE

236 **Fr. 1232 5¢ Second Issue Gem New.** The top margin is a bit close at the left but the note is far too nice overall to grade it anything but Gem. (75-up)

237 **Fr. 1232 5¢ Second Issue Horizontal Pair.** One **Choice New** and one **About New** on this pair. Folded right between the notes. (60-up)

238 **Fr. 1233 5¢ Second Issue Choice New.** (45-up)

239 **Fr. 1234 5¢ Second Issue Choice New.** (60-up)

240 **Fr 1235 5¢ Second Issue Gem New.** Wayne acquired this wonderful fiber paper note from our January, 1990 Sale where we called it one of the three best known to us. Since that time I've had the opportunity to reexamine one of the other two and this is clearly one of the two best known to us, moving up one notch in the last four years. A very rare number that will enhance the finest collection. (650-up)

241 **Fr. 1235 5¢ Second Issue New.** The tough Fiber Paper note. This one would be a Gem if the centering were better. (100-up)

242 **Fr. 1235 5¢ Second Issue Extra Fine.** A tough fiber paper note in an affordable grade. (75-up)

243 **Fr. 1244 10¢ Second Issue Gem New.** The paper is toned down a bit but the note is far too nice overall to downgrade. (100-up)

244 **Fr. 1245 10¢ Second Issue Gem New.** Super centering, very hard to find this nice. (110-up)

245 **Fr. 1246 10¢ Second Issue Gem New.** Simply a lovely note. (125-up)

RARE FR. 1248
0-63

248 **Fr. 1248 10¢ Second Issue Gem New.** By far the finest example of this major rarity that we have handled. Bright paper, ink and bronze and excellent margins and centering both face and back. This 0-63 surcharged note is very rare in all grades and the opportunity to obtain one this nice is not likely to repeat itself again for decades. (3000-up)

UNIQUE FR. 1248a

O-36

Enlarged View

249 **Fr. 1248a 10c Second Issue Fine-Very Fine.** An incredible new discovery and the first new Friedberg number for Fractional Currency in decades. The reverse surcharge of this note reads "0 36" unlike all others known which read "0 63." This is not the result of an indistinct surcharge and a vivid imagination as the "36" is clear, distinct and absolutely a part of the original fabric of this note. The bronze "10" and the "0 36" are identical in their composition, color, toning and circulation characteristics. An unbelievable find unknown to exist for over 100 years of active Fractional Currency collecting. We are pleased to have been selected to offer this unique discovery piece to future generations of Fractional collectors. Any attempt at speculation as to the means by which this variety was created would be wild guess work at best. Suffice it to say that prior to this sale the most prominent experts in Fractional Currency have examined this note and all have agreed that what can not exist does exist. With no basis for comparison an estimate would be no more than a pure guess. We will avoid the embarrassment of being way, way off by letting the competition set the value. Offered without estimate. (?)

250 **Fr. 1249 10c Second Issue Fiber Paper. A Gem New** note very rare as such. Heavy fiber paper and as pretty as a picture. The green back is superb. You could wait decades for one this nice to appear. (600-up)

251 **Fr. 1249 10c Second Issue Choice New.** A [illegible] example of the rare Fiber Paper issue. (240-up)

252 **Fr. 1249 10c Second Issue Choice Extra Fine.** Perfect for the grade with good margins and a strong [illegible]. (80-up)

253 **Fr. 1283 25c Second Issue Very Choice New.** [illegible]

254 **Fr. 1284 25c Second Issue Very Choice New.** A [illegible] with razor sharp printing. (125-up)

255 **Fr. 1284 25c Second Issue Very Choice New.** A [illegible] very near the Gem grade. (85-up)

256 **Fr. 1285 25c Second Issue Choice About New.** Well margined, but with a corner tip fold. (50-up)

257 **Fr. 1286 25c Second Issue Very Choice New.** (80-up)

258 **Fr. 1286 25c Second Issue Vertical Strip of 4.** Very rare as a multiple but unfortunately in rotten shape. All four notes are **Very Fine** or so but stained at one edge. Two of the four are torn, one quite badly. (50-up)

259 **Fr. 1286a 25c Second Issue Slate Back Choice New.** This is the scarce variety with the back printed in a dark grey ink. Not faded from purple as is sometimes presumed, but a true separate color. (200-up)

260 **Fr. 1288 25c Second Issue Gem New.** A very lovely note with sharp printing on both sides and boardwalk margins. (250-up)

261 **Fr. 1289 25c Second Issue Very Choice New.** All Second Issue Fiber Paper notes are rare and this is a very nice example. (250-up)

262 **Fr. 1290 25c Second Issue Choice New.** [illegible] temptation to grade this rare and lovely Fiber Paper note [illegible] as it is flawless in every way but for its cut corners. The "0 63" reverse surcharge is [illegible] purple printing is beautiful. (300-up)

263 **Fr. 1290 25¢ Second Issue About New.** A decently margined, attractive example of this scarce Fiber Paper note. (125-up)

264 **Fr. 1316 50¢ Second Issue Gem New.** A rare note which is considerably undervalued in our opinion. This beauty exhibits bright colors of ink and bronze and exceptional centering on both face and back. One of the real "sleepers" of the Fractional Series, particularly in this grade. (500-up)

265 **Fr. 1317 50¢ Second Issue Very Choice New.** A near Gem example and a very good looking note. (125-up)

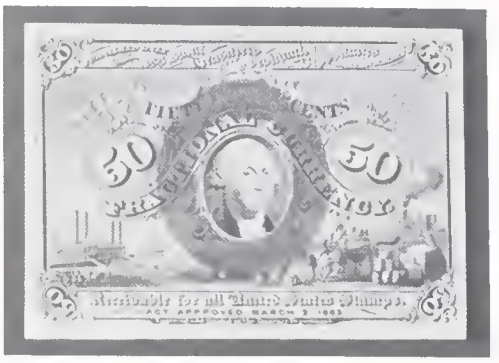
266 **Fr. 1317 50¢ Second Issue Vertical Pair.** A well-margined pair with a fold between the notes, leaving one note **About New** and one **Choice New**. One pair (2 notes) (150-up)



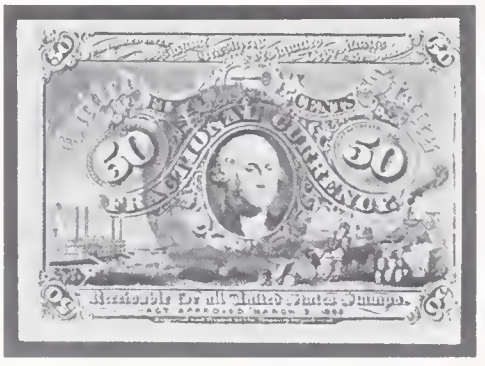
267 **Fr. 1318 50¢ Second Issue Gem New.** A most unusual grade for a Second Issue note, particularly a fifty. Wonderful color and quality and with very exceptional margins. (300-up)

268 **Fr. 1318 50¢ Second Issue Very Choice New.** Only the high back centering prevents the Gem grade. (100-up)

269 **Fr. 1320 50¢ Second Issue Choice New.** Gem but for the centering, this Fiber Paper note is very well printed on both sides and has a clarity of printing to Washington's portrait that is most unusual on these heavily fibered notes. (200-up)

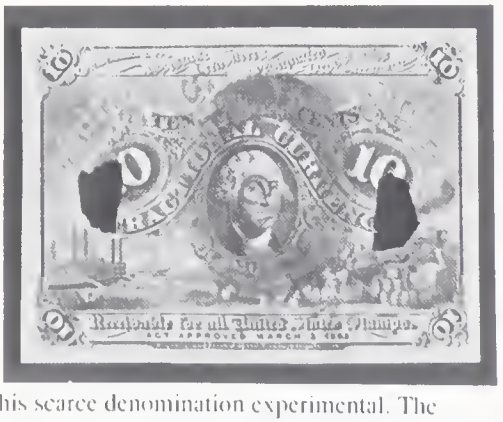
270 **Fr. 1321 50¢ Second Issue Choice New.** Tight margins but unusually nice in every other respect. The S-2-18-63 reverse surcharge is sharp and clear. (200-up)

271 **Fr. 1321 50¢ Second Issue Fiber Paper Extra Fine.** A rare note and a beautiful example for this grade. Superior to most technically uncirculated examples. (75-up)



272 **Fr. 1322 50¢ Second Issue Choice New.** Close at the right face and a small age spot in the left margin, otherwise Gem. (200-up)

273 **Fr. 1322 50¢ Second Issue Choice About New.** Superb colors. (100-up)



274 **V-214 10¢ Experimental Superb Gem.** By far the finest we have seen of this scarce denomination experimental. The totally blank back allows a clear look at the heavy fiber paper. (400-up)

275 **Experimental 25c Second Issue Gem New.** V-218, one of the more common Experimental Notes and in very nice condition. (175-up)

THIRD ISSUE

280 **Fr. 1226 3¢ Third Issue Gem New.** Well centered and very good looking. (100-up)

281 **Fr. 1226 3¢ Third Issue Vertical Pair.** Both the pair itself and each note grade **About New**. One pair. (2 pieces). (60-up)

282 **Fr. 1226 3¢ Third Issue Block of 4.** Although a bit lightly toned, each of the four notes and the block itself are **New**. (125-up)

283 **Fr. 1226 3¢ Third Issue Vertical Strip of Five.** This Extra Fine strip is clean and good looking and could be cut into two **New** notes, two **About New** notes and an **Extra Fine**. (1 strip, 5 notes) (150-up)

284 **Fr. 1227 3¢ Third Issue Gem New.** This dark background note is very difficult to find in Gem. It is easily outnumbered 20 to 1 by Gem light background Fr. 1226s. This one is a beauty. (175-up)

285 **Fr. 1236 5¢ Third Issue Gem New.** A lovely Red Back. (125-up)

286 **Fr. 1236 5¢ Third Issue Very Choice New.** (100-up)

289 **Fr. 1236 5¢ Third Issue Block of 4.** All multiples of the third, fourth and fifth issues (but for the 3¢) are very rare, unique or unknown. This Clark Red Back block is no exception. The first we have had the pleasure of handling, this block is folded once vertically directly between the notes leaving all four notes **Gem New**. Ex-Maurice Burgett with his lightly penciled code (BTTT)= $50.00 and Limpert Catalog Number (C10-d) on the back. A super item for the Fractional specialist and one of the highlights of this collection. (2000-up)

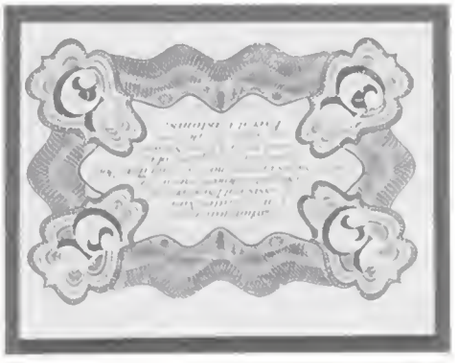
294 **Fr. 1239 5c Third Issue Superb Gem New.** Perfect color and huge "picture frame" margins all the way around. A super note. (125-up)



295 **Fr. 1239 5c Third Issue Invert Choice Very Fine.** From our November, 1992 Sale where it was described as "an unmolested original example of this extremely rare variety. Only one other of this note is known and only six examples of the type are known in total. A Clark Invert would be one of the major highlights of any Fractional Currency collection it entered. Most collectors will never have the opportunity to own any Clark Invert let alone a Fr. 1239." No new examples have come to light in the last two years. (1500-up)

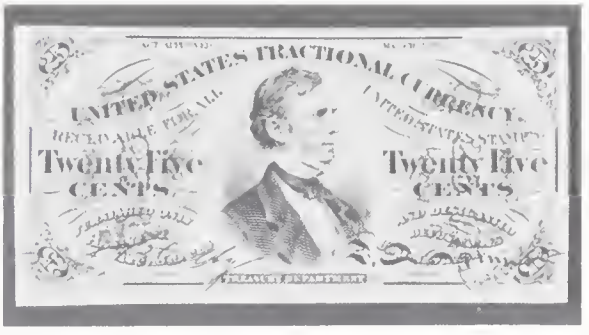
303 **Fr. 1256 10¢ Third Issue Superb Gem New.** A great note with jumbo margins all around. (100-up)

304 **Fr. 1291 25¢ Third Issue Superb Gem New.** An absolute beauty with full margins, color and blazing bronze. The deep original embossing is far superior to that seen on most other strictly original notes and it adds to both the look and value of this super quality Fessenden. (300-up)



305 **Fr. 1291 25¢ Third Issue Gem New.** An exceptional red back Fessenden. (150-up)

306 **Fr. 1291 25¢ Third Issue Choice New.** (100-up)

310 **Fr. 1295 25¢ Third Issue Choice New.** (75-up)

311 **Fr. 1296 (Valentine 41k) 25¢ Third Issue Very Choice New.** A great example of this rare variety with the extremely large "a" 7mm to the lower right of its normal position. 315 **Fr. 1298 25c Third Issue Superb Gem New.** Another outstanding fiber paper note with picture frame margins and near perfect centering on both sides. (650-up)

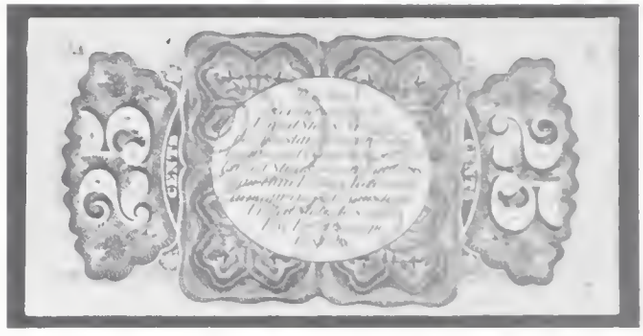
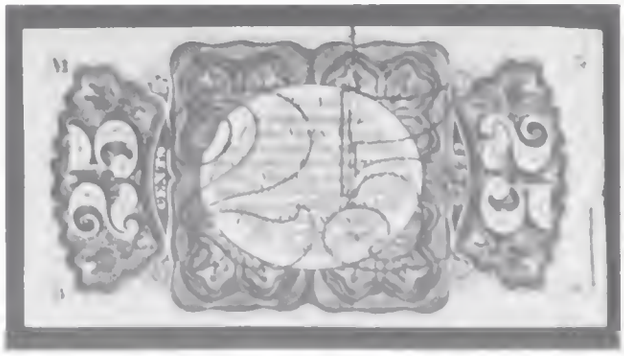
316 **Fr. 1299 25c Third Issue Choice About New.** A very high quality solid surcharge Fessenden with absolutely no problems or restorations. Far better than average centering and with back plate number 2. (750-up)

317 **Fr. 1299 25c Third Issue Choice About New.** Other than a single light fold visible only under close scrutiny, this solid surcharge Fessenden would grade Choice New. No defects whatsoever, and both the bronze and the paper are very bright for the issue. (750-up)

TWO RARE FR. 1300s



318 **Fr. 1300 25c Third Issue Choice Extra Fine.** Despite the technical grade required by the three folds, this is as desirable an example of this major rarity as anyone could hope to own. Totally restoration free and totally defect free with perfect centering of both sides between four jumbo margins. The heavy bronze discs and the design letter "a" that make this note a Fr. 1300 are bold, well printed and perfect. In this cataloguer's opinion, this Extra Fine has more eye appeal and would be a more desirable acquisition than the few technically higher grade examples we've seen. (2000-up)



319 **Fr. 1300 25c Third Issue Choice Extra Fine.** One of the very rarest of all regular issue Fractional Notes. Well margined and with good color. Not a trace of a [illegible] edge defect which so often mar these fiber paper Fessendens. This is clearly among the ten finest we've seen. (4000-up)

320 **Fr. 1324 50¢ Third Issue Spinner Gem New.** Huge margins and super color. (400-up)

321 **Fr. 1324 50¢ Third Issue Spinner Choice New.** As with the great majority of the notes in this wonderful offering, this Red Back Spinner has deeply embossed original surfaces. (225-up)

324 **Fr. 1326 50¢ Third Issue Spinner Gem New.** A lovely note as fine as they come. What appears to be a corner fold when examined closely is a minor preprint fold-over error which has resulted in a tiny piece of the face frameline being printed on the back. (400-up)

325 **Fr. 1326 50¢ Third Issue Spinner Very Choice New.** A scarce Red Back note with exquisite color and paper surfaces. (300-up)

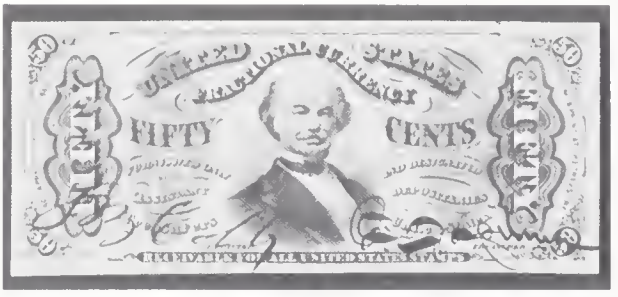
328 **Fr. 1327 50¢ Third Issue Spinner Choice New.** Beautiful color and deep original embossing but the margins, although well clear of the design, are too tight to grade the note Gem. (200-up)



329 **Fr. 1328 50¢ Third Issue Spinner Superb Gem New.** Broad margined, bright bronze and deep heavy signatures of both Colby and Spinner with no bleed through to the back. As fine a piece as anyone could hope to own. (500-up)

333 **Fr. 1329 50¢ Third Issue Spinner Gem New.** Exceptionally well margined and with excellent color. Although everything is nice about this rare hand signed Allison and Spinner note, its finest feature in our eyes is its superb original paper surfaces. (750-up)

A GEM ALLISON-NEW FR. 1330

334 **Fr. 1330 50¢ Third Issue Spinner Gem New.** A stunning example of the extremely rare hand signed Allison/New variety. Terrific color on both sides, bright bronze and excellent paper surfaces. Fr. 1330 is the only opportunity to obtain a hand signed John New U.S. Currency note. Price records of well over five thousand dollars exist for this note in this grade. With a few other pieces having reached the market recently, it is possible that this beauty may be obtainable for under that amount. Regardless of where the hammer may fall, this is one heck of a piece of Fractional Currency. (4500-up)

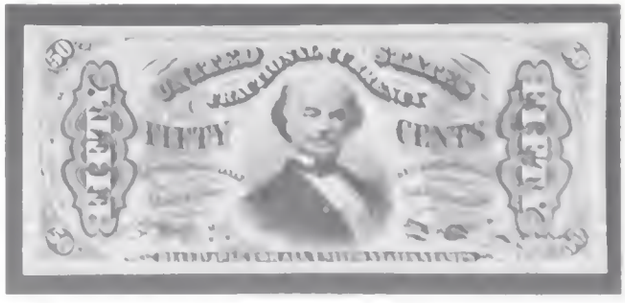
343 **Fr. 1333 50¢ Third Issue Spinner Choice New.** Fresh and original, a Gem but for slight tightness at the bottom. (200-up)

344 **Fr. 1334 50¢ Third Issue Spinner Choice New.** Bright bronze and good eye appeal. (300-up)



345 **Fr. 1335 50¢ Third Issue Spinner Superb Gem New.** A marvelous, pristine example of this difficult Spinner type. Boardwalk margins and near perfect centering are also noted. (500-up)

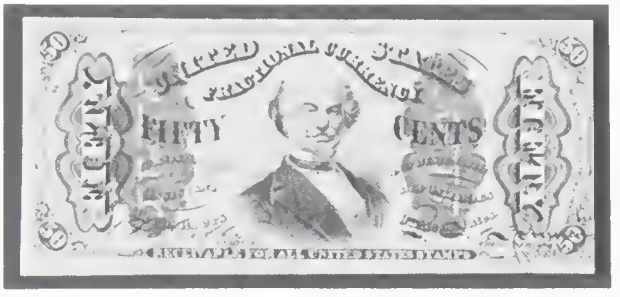
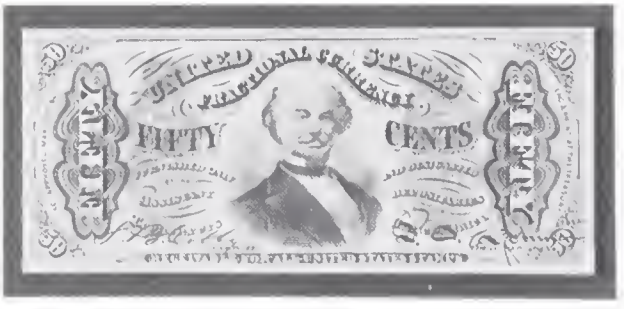
352 **Fr. 1340 50¢ Third Issue Spinner Type II.** This **Choice New** example is a bit off center both face and back but otherwise quite nice. (300-up)



353 **Fr. 1340 50¢ Third Issue Spinner Type II.** This rare "1" and "a" note grades **Choice About New** due to a light center fold. (200-up)

354 **Fr. 1340 50¢ Third Issue Spinner Type II About New.** Very well-centered. (200-up)



355 **Fr. 1341 Third Issue 50¢ Spinner Type II Gem New.** A Superb note with everything going for it including deep original embossing and perfect centering on both sides. (500-up)

356 **Fr. 1341 50¢ Third Issue Spinner Type II Extra Type.** (75-up)

SPECTACULAR FR. 1344

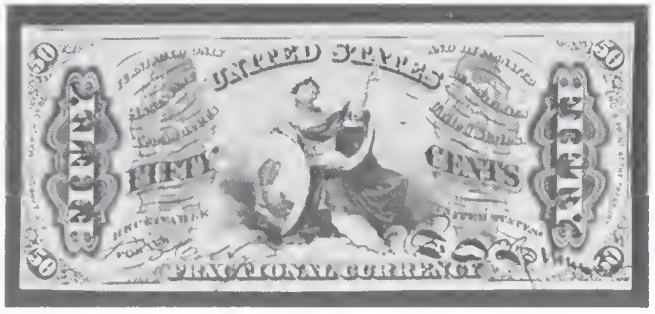
360 **Fr. 1344 50¢ Third Issue Justice Superb Gem New.** One of the highlights of this set, and quite possibly the finest "1" and "a" Justice to exist. There are not enough superlatives to properly describe this utterly pristine note. Only personal examination will convince the experienced collector that a Justice note this fine can be found. No Friedberg 1344 is inexpensive, and this Superb piece is worth multiples more than any of the others. If you wish to assemble the very best Fractional collection, you must own this note. (3500-up)

361 **Fr. 1345 50¢ Third Issue Justice Very Choice New.** Full glorious color including reflective bronze. There is a real temptation to call this beauty a Gem even though the left margin touches the frame. (450-up)

362 **Fr. 1346 50¢ Third Issue Justice Gem New.** [illegible] margins all around the [illegible] paper [illegible] original embossing, perfectly centered [illegible] very scarce number to [illegible]

363 **Fr. 1347 50¢ Third Issue Justice Gem New.** A terrific Justice note. Bright and well margined with letter perfect inking, bronze and color. (700-up)

364 **Fr. 1347 50¢ Third Issue Justice Choice About New.** (150-up)



365 **Fr. 1348 50¢ Third Issue Justice Choice About New.** Appears Choice New under all but the closest of scrutiny. A very rare "1" and "a" Justice seldom seen in any grade. (750-up)

366 **Fr. 1348 50¢ Third Issue Justice Extra Fine.** A lovely circulated example of this very rare note. Three good margins and tight at the left. This major rarity shows little circulation soil and would fit very nicely in a high grade set. (600-up)

367 **Fr. 1349 50¢ Third Issue Justice Very Choice New.** Bright and well printed, a very scarce number. (350-up)

368 **Fr. 1349 50¢ Third Issue Justice Very Choice New.** Perfect back centering and at least a hair of margin all the way around the face. A rare number, seldom available anywhere near this nice. (350-up)

369 **Fr. 1349 50¢ Third Issue Justice Choice New.** perfect in every way but the margin cuts the design at the left. (300-up)

370 **Fr. 1350 50¢ Third Issue Justice Superb Gem New.** One of the very nicest Justices in this entire collection. Perfect color of paper, ink and bronze, with three huge margins and the fourth margin, although smaller than the others, is far larger than needed for the Gem grade. This is also one of the rare numbers infrequently seen in any grade. (800-up)

371 **Fr. 1355 50¢ Third Issue Gem New.** A very elusive grade for a hand signed Justice which requires what every other Justice does before qualifying as Gem; then it needs the ink in the overly large signature to not have cracked through the paper. This note meets all the criteria in spades. Looking closely at the bright face margin will clearly show you why these Justice notes are so poorly centered. The next note on the sheet is visible less than 1/32 of an inch from this note. (600-up)

372 **Fr. 1355 50¢ Third Issue Justice Very Choice New.** Just a tiny hair of margin away from Gem and one of the nicest hand signed Justices in this lovely run. (250-up)

373 **Fr. 1355 50¢ Third Issue Justice Choice New.** Much better margins than most of these but lightly aged. (200-up)

374 **Fr. 1355 50¢ Third Issue Justice Choice New.** Another, also well-margined but with a stamp hinge on the back. (150-up)

375 **Fr. 1355 50¢ Third Issue Justice New.** Choice but for a few ink cracks at Spinner's signature. (125-up)

376 **Fr. 1356 50¢ Third Issue Justice Choice New.** Light at the left, otherwise well margined. Friedberg 1356 is many times rarer than Friedberg 1355, although both tend to be priced similarly. (300-up)

377 **Fr. 1356 50¢ Third Issue Justice Choice About New.** (150-up)

378 **Fr. 1357 50¢ Third Issue Justice Very Choice New.** A near Gem example of this rare fiber paper note, and one of the very nicest we have seen. Its surfaces are pristine, with each side clearly embossed through to the other. The margins, although small in places, are clear of the design all the way around. Both the printing and the bronze are complete and sharp with the S 2-6-5 surcharge being particularly sharp and clean. We cannot ever recall seeing a Friedberg 1357 as nice as this, and are sorely tempted to call the note a Gem. (1250-up)

379 **Fr. 1357 50¢ Third Issue Justice Extra Fine.** A good looking example on heavy fiber paper. (250-up)

380 **Fr. 1357 50¢ Third Issue Justice About Extra Fine.** Solid fiber paper without a hint of a problem. (250-up)

381 **Fr. 1358 50¢ Third Issue Justice Choice New.** Three huge margins, but cut slightly into the design at the left. Other than the centering, this scarce note is purely Gem. (300-up)

382 **Fr. 1359 50¢ Third Issue Justice Choice New.** One of the rarest "1" and "a" Justice notes, and a beautiful example of that. Deeply original paper surfaces and high quality printing of both the ink and bronze. This is a Friedberg number that is rarely available in any grade and is found this nice only when major holdings such as this collection reach the market. (2000-up)

383 **Fr. 1360 50¢ Third Issue Justice Choice New.** But for the lack of a left face margin, this scarce note is a Gem. (250-up)

384 **Fr. 1361 50¢ Third Issue Justice Choice New.** Margins all the way around and with good color. The face bronze is printed low on the note. (275-up)

385 **Fr. 1361 50¢ Third Issue Justice Choice About New.** A scarce number and quite nice. (150-up)

386 **Fr. 1362 50¢ Third Issue Justice New.** Typical poor Justice centering. (125-up)

387 **Fr. 1362 50¢ Third Issue Justice About New.** (100-up)

388 **Fr. 1362 50¢ Third Issue Justice Extra Fine.** Not a lot of grade but with beautiful centering. (100-up)

389 **Fr. 1363 50¢ Third Issue Justice Choice New.** Exceptional centering highlights this "1" and "a" Justice. There is a light transfer on the face design at the far right edge of the back which in no way detracts from this exceptional note. (750-up)

390 **Fr. 1363 50¢ Third Issue Justice Choice About New.** (200-up)

391 **Fr. 1363 50¢ Third Issue Justice Extra Fine.** A more affordable "1" and "a" note. (125-up)

392 **Fr. 1364 50¢ Third Issue Justice Choice New.** Nice, even nice margins but close at the right. (300-up)

393 **Fr. 1364 50¢ Third Issue Justice.** This scarce Choice About New note has excellent margins for a fiscal. (350-up)

394 **Fr. 1364 50¢ Third Issue Justice About New.** Very well margined. (100-up)

395 **Fr. 1364 50¢ Third Issue Justice About New.** One small and three huge margins. (100-up)

396 **Fr. 1365 50¢ Third Issue Justice.** There are three huge margins on this **Choice New** note. The bronze is bright and the inking is excellent but the paper color is a bit dull. Still rare and Choice. (400-up)

397 **Fr. 1365 50¢ Third Issue Justice New.** Nearly Choice. A lightly penned "3rd" on the back along with the inverted back plate number "20." (200-up)

398 **Fr. 1365 50¢ Third Issue Justice New.** Cut into the design at the bottom, otherwise Choice. (150-up)

399 **Fr. 1365 50¢ Third Issue Justice Choice About New.** (100-up)

400 **Fr. 1366 50¢ Third Issue Justice Gem New.** Super margins for a Justice. Bright, clean, and very rare in this grade. (700-up)

401 **Fr. 1366 50¢ Third Issue Justice.** Huge face margins ,bright color and a light center fold. **Choice About New.** (200-up)

402 **Fr. 1366 50¢ Third Issue Justice About New.** Scarce, bright and very well margined but with a center fold. (200-up)

403 **Fr. 1366 50¢ Third Issue Justice About New.** Beautiful color and margins but with a light fold. (200-up)

404 **Fr. 1366 50¢ Third Issue Justice Choice About New.** (150-up)

405 **Fr. 1366 50¢ Third Issue Justice About New.** A scarce note with a light fold and a bit aged but better centering than on 99% of all Justice notes. Each of the last three lots have better centering than 99% of all Justice notes! (See Glazer's Theorem Lot 1829) (150-up)

406 **Fr. 1367 50¢ Third Issue Justice Choice Extra Fine.** One of the major rarities of the Justice Series and a very lovely lightly circulated example with bright bronze, no soil and better than average margins. (1000-up)

407 **Fr. 1367 50¢ Third Issue Justice Choice Extra Fine.** The center fold is a bit too heavy for the About New grade but this is essentially a New note with a center fold. Bright and good looking with the typical Justice centering, the paper surfaces strictly original with deep embossing evident. (1000-up)

408 **Fr. 1368 50¢ Third Issue Justice Choice About New.** Bright and beautiful with three large margins. This series (Fr. 1366 through 1369), although considered scarce, is very much rarer than commonly supposed. (150-up)

409 **Fr. 1369 50¢ Third Issue Justice Gem New.** A rare note and with clock stopping margins for a Justice. The bronze, ink and paper color are all superior on this beauty. One of the finest known. (1000-up)

410 **Fr. 1370 50¢ Third Issue Justice Very Choice New.** Fully Gem from the face, the back centered to the left. Heavy fiber paper with no flaws. (550-up)

411 **Fr. 1370 50c Third Issue Justice Choice About New.** He margins and overall appearance of a Gem. (125 up)

412 **Fr. 1370 50c Third Issue Justice Choice About New.** Exceptional margins and color. (125-up)

413 **Fr. 1370 50c Third Issue Justice About New.** (100 up)

NEAR GEM FR. 1371
POSSIBLY FINEST KNOWN

414 **Fr. 1371 50c Third Issue Justice Very Choice New.** One of the rarest "1" and "a" Justice notes, and the first high grade example we have had the pleasure of offering in any of our sales. Fully margined, fully bright, and not at all brittle. The bronze is reflectively bright and the printing extremely sharp for this issue which is printed on heavy fiber paper. This is the finest Fr. 1371 we can recall seeing in our years as currency dealers. Notes like this are only available when great collections come to the market. (2500-up)

415 **Fr. 1371 50c Third Issue Justice Extra Fine.** A lightly circulated undamaged example of this very rare fiber paper "1" and "a" Justice. (750-up)

416 **Fr. 1372 50c Third Issue Justice Choice New.** One fifty-cut complete margin at the top with the other margins full to jumbo. Excellent color and defect free. This group of fiber paper Justices is the finest we have ever seen together. (500- up)

417 **Fr. 1372 50c Third Issue Justice.** This rare fiber paper Justice note has never circulated and is perfectly clear, but it has a broken corner tip and a small tear at the upper right. Overall, the grade would be **New**. (100-up)

418 **Fr. 1372 50c Third Issue Justice Choice About New.** Three very large margins and lots of eye appeal on this rare fiber paper note. (150-up)

419 **Fr. 1373 50c Third Issue Justice Superb Gem New.** If only they all looked like this. Four fat margins, bright bronze, well centered back engraving, and sharp, clear printing all the way to the corners. One of the very nicest fiber paper Justice notes we have ever seen. (1000-up)

420 **Fr. 1373 50c Third Issue Justice Very Fine.** A truly scarce number seldom available in any grade. In spite of its obvious circulation this heavy fiber paper note has not split or chipped. (100-up)

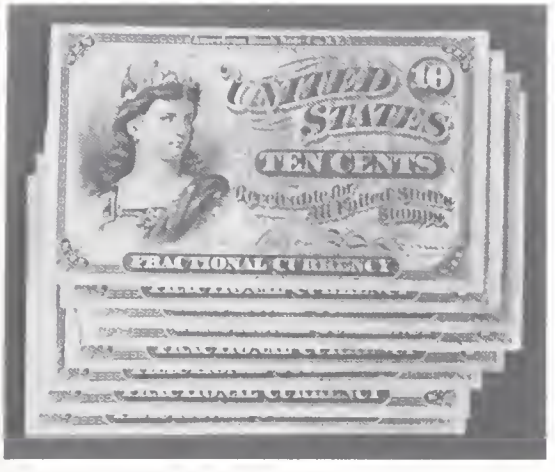
FOURTH ISSUE

421 **Fr. 1257 10c Fourth Issue Gem New.** Huge margins. (80 up)

422 **Fr. 1257 10c Fourth Issue Choice About New.** Two examples, one of which has unbelievable margins. (2 pieces) (50 up)

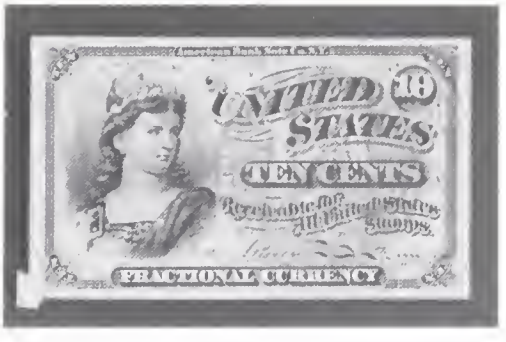
423 **Fr. 1258 10c Fourth Issue Gem New.** Wonderful margins. (75 up)

424 **Fr. 1259 10¢ Fourth Issue Superb Gem New.** A beauty with super color and margins. (100-up)



425 **Eight Gem 10¢ Fourth Issue Notes.** All are Fr. 1259 and all are broad margined, bright, superb examples. Apparently from an original pack, as color and margins are identical straight through the group. (8 pieces) (750-up)

426 **Fr. 1261 10¢ Fourth Issue Gem New.** (75-up)



427 **Fr. 1261 10¢ Fourth Issue Error Gem New.** A minor butterfly corner but any error of this type is extremely rare on Fractional Currency. That this note survived in this grade is nothing short of a miracle. (150-up)

428 **Fr. 1267 15¢ Fourth Issue Gem New.** Simply a lovely note (150-up)

429 **Fr. 1267 15¢ Fourth Issue Gem New.** Although the seal is lightly printed the margins and overall appearance are such that the Gem grade is called for. (100-up)

430 **Fr. 1267 15¢ Fourth Issue Very Choice New.** A near Gem example with the watermark very bold. (125-up)

431 **Fr. 1268 15¢ Fourth Issue Gem New.** Because so many Fr. 1267s are misattributed as 1268, the real rarity of this note is unknown to all but a few specialists. This note is a true Fr. 1268 on the heavily fibered, totally unwatermarked paper, and as such is the third we have handled in our combined years in this business. If a single Fractional note can be called the major hidden rarity in the series, a properly attributed Fr. 1268 is that note. (750-up)

432 **Fr. 1269 15¢ Fourth Issue Superb Gem New.** Wonderful color and boardwalk margins. Although these do come nice, this one is head and shoulders in eye appeal above the average gem. (200-up)

433 **Fr. 1271 15¢ Fourth Issue Gem New.** Outstanding centering and color. The paper for this note has several small wood chips manufactured into it. (150-up)

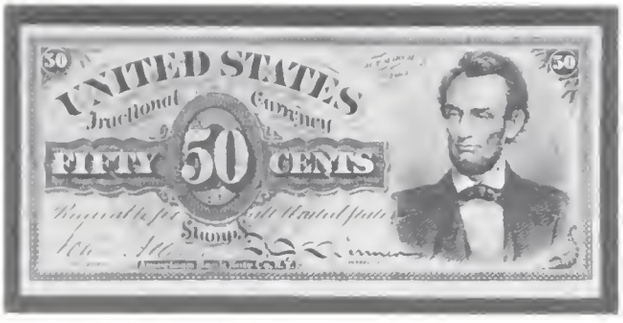
434 **Fr. 1301 25¢ Fourth Issue Choice New.** (50-up)

435 **Fr. 1302 25¢ Fourth Issue Gem New.** Seal plate number 9 in the lower left margin. (125-up)

436 **Fr. 1301 25¢ Fourth Issue Very Choice New.** Near Gem (60-up)

437 **Fr. 1307 25¢ Fourth Issue Choice New.** (75-up)

438 **Fr. 1307 25¢ Fourth Issue About New.** (25-up)



439 **Fr. 1374 50¢ Fourth Issue Lincoln Gem New.** Wonderful margins, bright paper, a deep red seal, perfect back centering, and original paper surfaces. As nice a Lincoln as anyone could reasonably hope to obtain. (500-up)

440 **Fr. 1374 50¢ Fourth Issue Lincoln Choice New.** Very nearly Gem. (150-up)

441 **Fr. 1374 50¢ Fourth Issue Lincoln New.** (100-up)

442 **Fr. 1374 50¢ Fourth Issue Lincoln. New**, and a three margin Gem. But for a missing top margin this would be a $500 note. (100-up)

443 **Fr. 1374 50¢ Fourth Issue Lincoln Choice About New.** Gem centering but one very light fold. (85-up)

444 **Fr. 1374 50¢ Fourth Issue Lincoln Choice About New.** (85-up)

445 **Fr. 1376 50¢ Fourth Issue Stanton Superb Gem New.** The finest color we have ever seen on this variety. Deep red seal contrasting with the extremely dark blue end stain. The margins, paper surfaces and everything else about this note are simply outstanding. (300-up)

446 **Fr. 1379 50¢ Fourth Issue Dexter Superb Gem New.** Simply the best. (125-up)

FIFTH ISSUE

449 **Fr. 1264 50¢ Fifth Issue Gem New.** As fine a Green Seal as we've ever seen. (50-up)

450 **Fr. 1265 and 1266.** The 10¢ Fifth Issue long key and short

451 **Checks and Notes.** Six pieces of Fr. 1266 all of which grade **Choice New** and bear the grumpy countenance of William Meredith along with six 1820s checks drawn on the Schuylkill Bank of Philadelphia and signed by Meredith (12 pieces) (150-up)

452 **Fr. 1308 and 1309.** Both the long and short key varieties of the common Fifth Issue 25¢ note. Both [illegible] Gem New the short key being Superb. (2 pieces) (90-up)

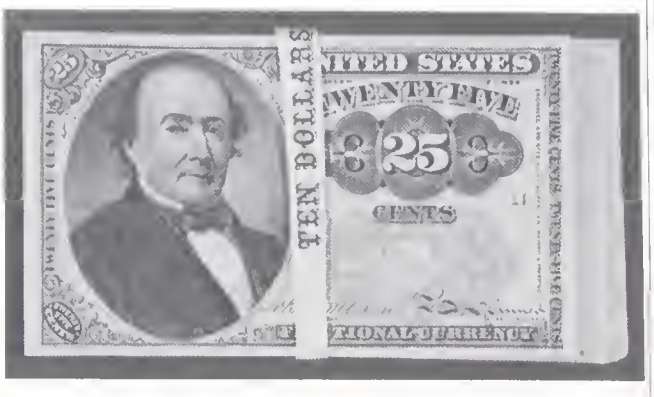
FANTASTIC GROUP OF ORIGINAL BUNDLES

454 **Fr. 1259 Original Bundle of 50.** A 100% original bundle that is totally unique for this issue and denomination. No other Fourth Issue bundles below the 50c denomination are known to exist. The originality of this bundle is totally obvious from the perfectly square edges and corners. However, for the skeptical, there is the lucky happenstance of the partial seal plate number 9 appearing in the upper right hand corner of every single note. In the over 100 years of Fractional Currency collecting, there has not been a hint of the existence of an original 10c Fourth Issue bundle until this pack appeared. All the notes grade **Choice** or **Gem New** with the vast majority grading Gem except for the needle hole in the lower right corner which they all share. (1 bundle) (5000-up)

455 **Fr. 1266 Original Bundle of 50.** A gorgeous original bundle lacking the normally seen needle hole with all 50 notes grading **Choice** or **Gem New**. The original "FIVE DOLLARS" band holding this lovely group is printed in red. (1750-up)



456 **Fr. 1309 Original Bundle of 40.** A 100% original bundle with utterly square edges and perfect corners. As with most original bundles there is a needle hole in the upper right corner where this group was sewn together. Other than the needle hole, the majority of the 40 notes grade **Gem New**, the remainder grading **Choice New** due only to centering, as the colors, inking, and paper quality of all 40 notes are perfect. All are contained in the original band marked "Ten Dollars." (1 bundle) (1500-up)

457 **Fr. 1379 Original Bundle of 20.** In its original band marked "Ten Dollars." All 20 notes grade from **Very Choice New** to **Superb Gem New**, the majority being **Superb**. Perfectly square corners and one of the finest condition bundles of any type we have ever seen. But for the unique Fr. 1259 bundle also in this sale, Dexters are the rarest Fractional bundle. The value of the individual notes totals over $2500. This bundle should bring... (3000-up)

458 **Fr. 1381 Original Bundle of 20.** In the original band marked "Ten Dollars." All 20 notes grade either **Choice** or **Gem New**, depending on their individual centering. This bundle is without the needle hole often seen at the upper right. (1200-up)

ULTRA RARE "NO FRAME LINE" SPECIMENS

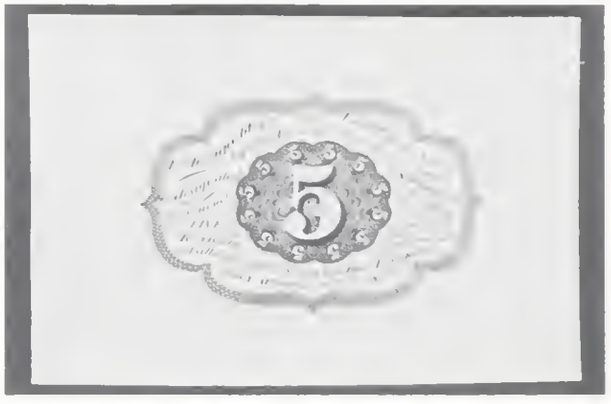
All normal wide margin specimen reverses have a thin but bold black frame line that surrounds the engraving at about the distance where the edges of a regular issue note would be. This set of three (no 25c is known to exist) lacks the frame line but is identical in all other respects to the normal wide margin specimens. Unproven but generally accepted theory is that these were produced for treasury specimen books but were not used. The 25c note that appears in these books also lacks the frame line but has the "ABNCO" monogram which these notes lack. Seldom offered even as single pieces, this is the first time ever a set of three has been available. Wayne was particularly proud of this set and justly so. We believe him to have been the only collector to own all three denominations.

459 **Fr. 1231SP No Frame Line Wide Margin Reverse Gem New.** Fully wide with two full cutting guides. One of just two or three known. (1000-up)

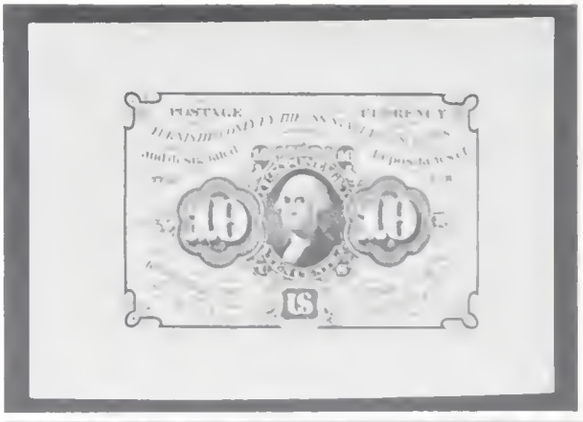
460 **Fr. 1243SP No Frame Line Wide Margin Reverse Gem New.** Super wide with three full cutting guides and 90% of the fourth. One of just two or three known. (1000-up)

461 **Fr. 1313SP No Frame Line Wide Margin Reverse Gem New.** Fully wide with bits of cutting guide showing. One of just two or three known. (1000-up)

FRACTIONAL SPECIMENS



462 **Fr. 1231SP 5c First Issue Wide Margin Pair Superb Gem New.** As fine a specimen pair as could exist for any issue. Ordinary mishandled wide margin pairs are all over the market and should not in any way be confused with pristine items like these two and most of the others in this offering. (2 pieces) (400-up)



463 **Fr. 1243SP 10c First Issue Wide Margin Pair.** Gem fully wide Gems. The [illegible] that could [illegible]

464 **Fr. 1282SP 25¢ First Issue Wide Margin Pair Superb Gem New.** Incredible quality with both pieces so wide that cutting guides (two on the face and three on the back) are visible. Both sides are utterly flawless. (2 pieces) (400-up)

470 **Fr. 1314SP 50¢ Wide Margin Pair Choice New.** There is a slight glue stain on the edge of the back. The face is Gem. (2 pieces) (250-up)

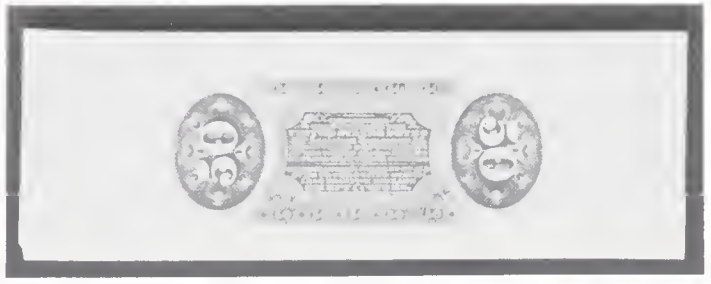
UNIQUE ULTRA WIDE SPINNER SET



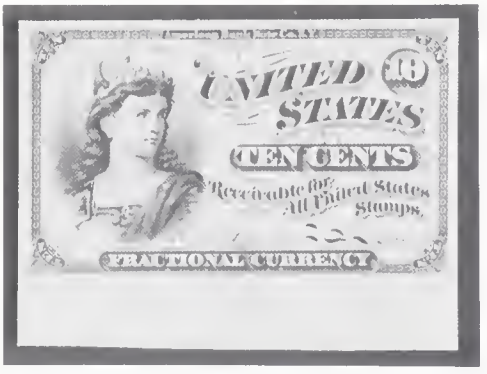
481 **Fr. 1324/31SP Wide Margin Set of Three.** From our January 1992 Sale where it was described as the ultimate Wide Margin Spinner set with all three notes having side margins far in excess of any others we have ever seen. The face and both backs measure almost eight inches wide. This set first surfaced over a decade ago and to the best of our knowledge is unique. All three pieces grade **Extra Fine** with the face and both the red and green back retaining their full original color. A supremely rare item which all Fractional specialists will want but only one will own. Nothing else even remotely like this has yet turned up. (2500 up)

482 **Fr. 1331SP 50¢ Wide Margin Pair Gem New.** Another lovely pair with no problems whatever. (2 pieces) (350-up)

VERY RARE TYPE II REVERSE

483 **Fr. 1339SP Reverse.** Far wider than the Narrow Margin Specimens but with margins not quite large enough to qualify as fully wide. Nonetheless a **Gem New** example of the very rare Type II Spinner Reverse. Green Sheet bid for Gem Narrow Margins Notes of this number is $2,900 with Wide Margin examples bidding at $9,000. While we feel that both these numbers are optimistic, we expect this beauty to realize... (3000-up)

484 **Two Wide Margin Justice Specimen Notes.** Fr. 1343SP and Fr. 1355SP both face only and both **About New**. (2 pieces) (125-up)



485 **10¢ Fourth Issue Proof Milton 4P10F.2.** A cardboard proof of the finished plate for the ten cent design used on Fr. #s 1257-1261. The note grades **Gem New** with a light fold in the extra selvage area at the bottom of the note. This is one of a group of twenty divided up a few years ago. Other than this group, several of which are damaged, all Fourth Issue proofs are so rare as to be virtually unobtainable. With just a handful of nice pieces available, we expect by the end of this decade appearances of these will be few and far between. (750-up)

RARE FIFTH ISSUE SPECIMENS

486 **Fifth Issue 10¢ Uncut tête-bêche Pair Gem New.** Printed on India Paper, mounted on card. The card has one small glue stain on its back. Only seven of these pairs are in existence, with all of them tracing their origin to a single sheet that was divided among the major collectors at the time of its discovery. Both of these notes are true proofs with the ink laid on so heavily and sharply that the design features can be felt with one's fingers. This tête-bêche arrangement was created so that the localized anti-counterfeiting stain could be produced in the center of the sheet and yet appear at the right end of each note when the notes were separated. Consider this an opportunity to purchase an extreme rarity which may not repeat itself for quite some time. (2000-up)

487 **Fifth Issue Specimen.** This India Paper proof of the back design for the 50¢ Fr. 1381 is one of the major rarities in Fractional specimens. Listed as Milton 5P50R.1 as a rarity 8 (2 or 3 known). A few more have surfaced since then making a total of about 10 pieces. The design area is **Choice New**, but there are mounting traces on the wide side margins of the blank back. (1500-up)

667 **Nebraska Territorial Warrant**

Omaha City - Office of the Territorial Auditor $10.00 May 31, 1860

A fascinating early Nebraska document, detailing some of the hardships on the American frontier circa 1860. Presented for payment on June 1st (the day after being issued), it was not paid "for want of money in the Treasury." The warrant was finally paid (albeit with interest) on November 27, 1861, over a year and a half later. 714 **Lovely Confederate Uncut Sheet**

A most attractive uncut sheet with only a touch of handling in the upper right hand corner and one virtually undetectable storage fold along the left end of the four notes on the left side. The sheet itself is wonderfully bright and vivid and makes a superb display item. (300-500)

715 **Another Confederate Uncut Sheet**

Similar to the above, but a tad less bright. The sheet is still quite nice, and what evidence of handling there is can be found only in the margins. (250-450)

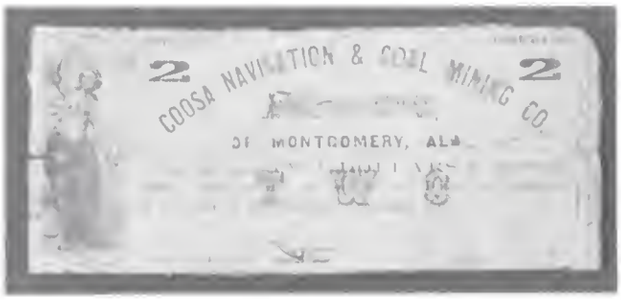
OBSOLETE CURRENCY

We are pleased to offer herein the outstanding James W. Thompson collection of mining related obsolete notes. Mr. Thompson, whose collections of large and small type notes were world famous, also pursued, in a more quiet and lesser known manner, a quest for the finest collection possible of obsolete issues from or relating to mining and minerals. The success of that endeavor is reflected in many of the lots that follow.

ALABAMA



753 **Montgomery - Coosa Navigation & Coal Mining Co.** $2.00 Aug. 9, 1862 Rosene UNL

One of the great pieces from the Thompson collection. It is a bi-state note, with an Atlanta, GA issue location, and was also "Receivable for Salt at Kidd's Salt Works, Clark County, Alabama." **Good-Very Good**, backed on a contemporary newspaper. (250-450)

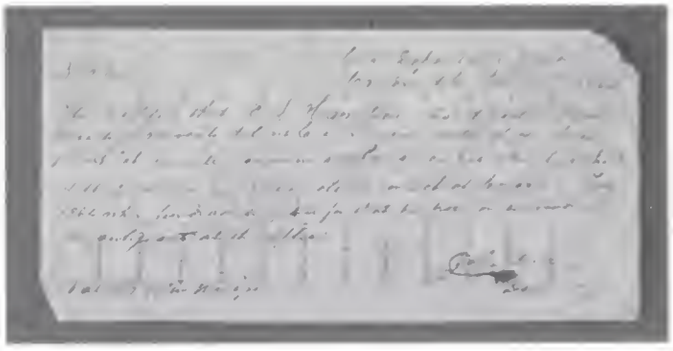
754 **Old Texas - J.J. Simpkins & Co.** 10c July 31, 1862 Rosene UNL

An excessively rare note from an obscure location not found at all in the Rosene reference. Old Texas is a tiny community located SW of Greenville in Monroe County. **Very Fine**. (200-400)

755 **Selma - Alabama & Tennessee River R.R.** $2.00 [illegible] Rosene 289-2

Extremely rare railroad issue. **Very Good** with [illegible] splits but sound and with good color. (200-400)

ARKANSAS



756 **Camden - Mississippi, Ouachita and Red River Railroad Company** $25.00

A scarce and desirable item in itself (a similar piece brought $275.00 in the 1993 Memphis Sale) but the reverse is a Confederate Depository Receipt for the exchange of old currency for new under the Act of 17 February 1864, the receipt noting that the "old issues" would be exchanged for new issues at two thirds of the face value "when funds are supplied for that purpose." **Extremely Fine**, a couple of corner tips off but outside the design. (200-400)

757 **Fayetteville - Town of Fayetteville** 25c, 50c [illegible] Rosene 193-1, 193-2

Scarcer municipal pair. The 25c is [illegible] but right grade for the issue, the 50c typical. **Very Fine-Very Good**. (2 pieces) (90-150)

762 **Little Rock - State of Arkansas** $10.00 Oct. 2, 1874 Cr. 63, Rothert 395-4

An excessively scarce note (R-7 in Rothert, R-9 in Criswell) made even more desirable by being the plate note in the Criswell reference. **Fine** in appearance, with a few tape repairs on the reverse. (300-500)

Unlisted Pine Bluff Issue

763 **Pine Bluff - The City of Pine Bluff** 10c Rothert UNL

A totally different design and issue than anything listed in the Rothert reference. Each of the City of Pine Bluff issues listed bears the signature of T.A. Read as Mayor, while this note, perhaps an earlier issue, bears the signature of E.G. Smart, "for" Mayor. **Fine,** the LR corner off, a very rare item worthy of a strong bid. (200-400)

1019 **Brandon - Treasurer of the Corporation of Brandon** 50c 1838 Leggett UNL

Also unlisted in Leggett, and not found in any publicly offered Mississippi collection we know of. **About Uncirculated**. (300-600)

1027 **Jefferson City - Union Military Bond** $10.00 June 10, 1865 Cr. UG24

The Criswell plate example of this note, listed therein as an R-11 (1 to 5 known) and categorized as "Extremely rare." MONTANA

1037 **Butte City - The Montana Mining Loan and Investment Company** $1.00 Oct. 20, 1892

A very scarce lottery ticket cum investment vehicle which must have been at least a moderate success, considering the banking references displayed upon the reverse and the fact that this company was still doing business some ten years later (see next lot). **Fine**, a neat Montana item. (125-250)

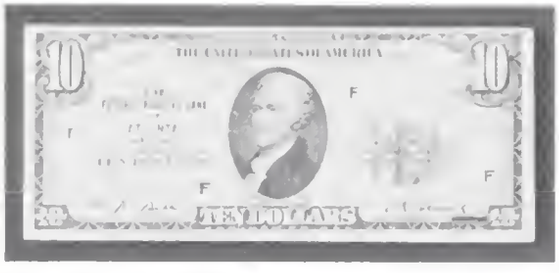
1508 **Fr. 1860E $10.00 1929 Federal Reserve Bank Note. Choice Crisp Uncirculated.**

A nicely centered low number example, L00000021A, enhanced by the autographed signatures of both the Cashier and Governor above their engraved signatures. Unusual enough that it may prove our estimate too conservative. (250-350)



1509 **Fr. 1860-F* $10.00 1929 Federal Reserve Bank Note. Very Good**

Star example from this rare district. Only two $10.00 Atlanta stars have been reported to date, this being one of them. (100-200)

(3 pieces) (150-300)

1517 **Fr. 1980-E $5.00 1988A Federal Reserve Note. Gem Crisp Uncirculated.** Solid Serial Numbers

A very seldom available note, particularly with all eights. The last solid we had to offer was in our 1992 Orlando auction, where a $10.00 solid sevens grading only Fine+ brought $405.00 in spirited bidding. This much nicer example should attract a winning bid in the range of (450-750)

1521 **Fr. 2101-F $50.00 1928A Federal Reserve Note. Gem Crisp Uncirculated.**

The key to the 1928A series, as this district had by far the lowest printing. This lovely example is even nicer than the Choice New note in our last sale which brought $165.00. (200-300)

1522 **Fr. 2112-B $50.00 1950E Federal Reserve Note. Gem Crisp Uncirculated.**

(2 pieces) (250-400)

1529 **Fr. 2301* $5.00 Hawaii Non-Mule. Crisp Uncirculated.**

A very rare note. Hawaii Stars in general are quite scarce, but as a non-mule this issue as a Star is almost impossible to locate. Beautiful bright paper and strong punch through of the serial numbers and seal. The side margins appear to have been very slightly trimmed to square up the corners, otherwise a higher grade would have been assigned. Aggressive bids are recommended. (1000-1500)

Well circulated but intact example of this scarce high denomination Gold Certificate. There are some pinholes, a minor ink spot, and a bit of counting discoloration, but the note itself is sound. (750-950)

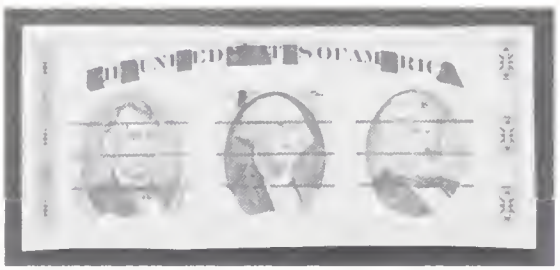
GIORI TEST NOTES

These were produced in Germany about fifteen years ago with plates supplied by the Bureau of Engraving and Printing containing elements of our small size currency. Notes were to be printed from these plates to demonstrate the abilities of presses that the Bureau was considering purchasing. None were intended to reach public hands, although, needless to say, a number did. The following group of lots represents, to the best of our knowledge, the largest single offering of these interesting items.

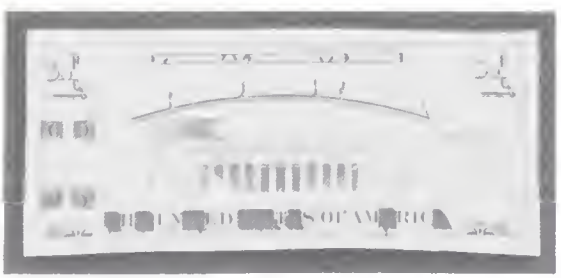
1573 **A Complete 32 Subject Sheet.**

Sixteen faces and sixteen backs. The blank back of the sheet is covered with heavy multiple offsets and a heavy coating of green ink. (350-up)



1574 **A Single Face.**

Very minimally smeared. (30-up)



1575 **A Single Back.**

Very minimally smeared. (30-up)

1576 **A Single Face.**

Massively smeared. (30-up)

1577 **A Single Back.**

Massively smeared. (30-up)

1578 **Sixteen Single Notes.**

Fifteen faces and one back with smears ranging from very minimal to massive. (16 pieces) (400-up)

1583 **Unsevered Pairs.** A group of 25 face and back pairs with a range of smearing mostly light to moderate. (25 pieces, 50 notes) (1000 up)

1584 **Unsevered Pairs.**

A group of 25 face and back pairs with a range of smearing mostly light to moderate. (25 pieces, 50 notes) (1000 up)

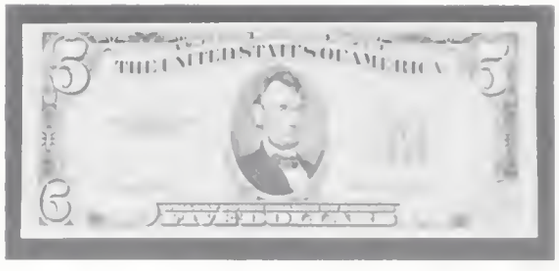
1585 **Unsevered Pairs.**

A group of forty-seven face and back pairs with a range of smearing evenly divided between light, moderate and heavier. (47 pieces, 94 notes) (1750 up)

ERROR NOTES

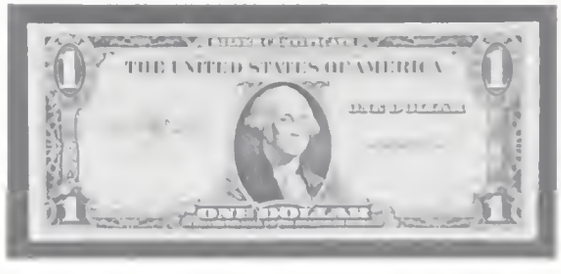
1586 **Fr. 60 $2.00 1917 Fine+.**

A very scarce error on a $2.00 Legal Tender note that here extends the length of the note, going through the portrait and serial numbers. (150-250)



1587 **Fr. 1532 $5.00 1953 Legal Tender. Crisp Uncirculated.**

Scarce type on which to find an error. A gutter fold has caused a BEP rejection sticker to be affixed to the lower right corner. (50-100)



1588 **Fr. ? $1.00 Silver Certificate. Choice Crisp Uncirculated.**

A most striking error, as this note is missing the entire third printing. This is a rare error for these early Silver Certificates, and it makes for a great display item. We've seen very few of these over the years, and none finer than this. (250-500)

1589 **Fr. 1608 $1.00 1935 A Silver Certificate. Choice Crisp Uncirculated.**

An obstruction during the printing process has caused the prefix letter and the base serial number to appear with its symbol. We would suspect to see similar [illegible] notes.

1590 **Fr. 1613 $1.00 1935D Silver Certificate. Gem Crisp Uncirculated.**

Turned digit in the middle of the right serial number, leaving a small portion of the upper and lower number visible. A similar note brought $93.50 in our last sale. (75-100)

1591 **Fr. 1614 $1.00 1935E Silver Certificate. Gem Crisp Uncirculated.**

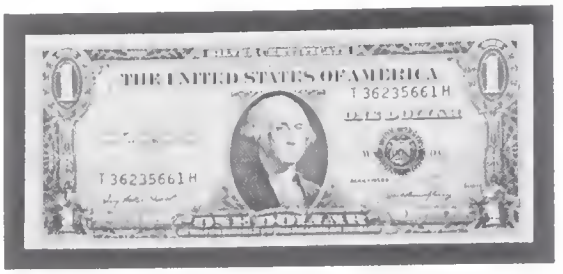
A very scarce multi-butterfly fold, with two clear butterflies showing. This is the first error of its kind we've had to offer. (150-300)

1592 **Fr. 1614 $1.00 1935E Silver Certificate. About Uncirculated.**

Butterfly fold. (50-100)

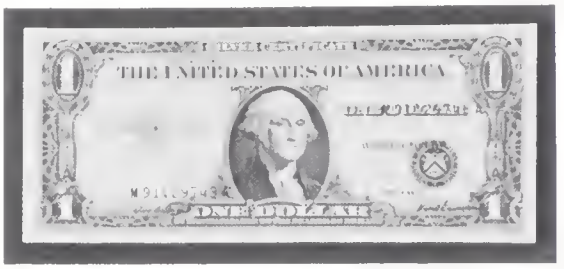
1593 **Fr. 1614 $1.00 1935E Silver Certificate. Fine+.**

Inverted third printing, definitely not a common error on Silver Certificates. (100-200)



1594 **Fr. 1614 $1.00 1935E Silver Certificate. Crisp Uncirculated.**

40% partial back offset on face. While offset errors are fairly common in the Federal Reserve Note series, any Silver Certificate error is a challenge. Only a tiny corner bump from Choice. (50-100)



1595 **Fr. 1619 $1.00 1957 Silver Certificate. Choice Crisp Uncirculated.**

Pronounced shift error, with the right serial number so skewed as to be virtually unreadable. (75-150)

1596 **Fr. 1614 $1.00 1935E Silver Certificate. Crisp Uncirculated.**

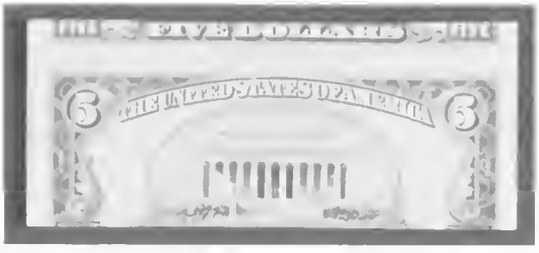
Striking gutter fold running almost the length of the note. (60-100)

1597 **Fr. 1655 $5.00 1953 Silver Certificate. Extremely Fine.**

Long gutter fold, not a common occurrence on $5.00 Silvers. (50-100)

1598 **Fr. 1657 $5.00 1953B Silver Certificate. Very Fine+.**

Striking gutter fold. (75-125)



1599 **Fr. 1655 $5.00 1953 Silver Certificate. Very Fine-Extremely Fine.**

Scarce early Silver Certificate error with the reverse printed far off register. (100-200)

This small run of early Federal Reserve Note errors, along with several of the early Silver Certificates offered previously, were put together in the late 1950's by a Michigan doctor who exhibited them for many years at local and regional coin shows. It is a privilege to offer this group, which would be virtually impossible to duplicate today.

1600 **Fr. ? $5.00 Federal Reserve Note. Fine-Very Fine.**

The first early (Series 1950 from the text of the obligation) Federal Reserve Note we have handled with a missing third printing. This is an exceptionally scarce error worthy of a strong bid. (200-400)

1601 **Fr. 1962-G $5.00 1950A Federal Reserve Note. Extremely Fine.**

A double error with the third printing skewed low and the seal and virtually all of the serial number on the right missing. (100-200)

1602 **Fr. 1962-J $5.00 1950A Federal Reserve Note. Gem Crisp Uncirculated.**

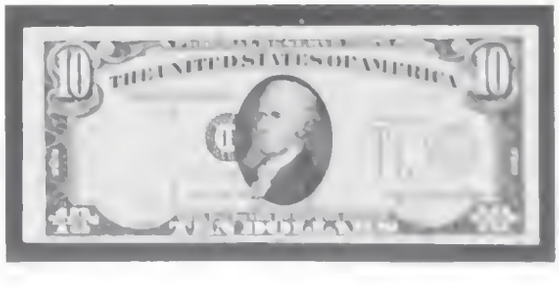
A beautiful note similar to that above, only here an obstruction on the right side as the third printing was being applied covered the paper. The note is otherwise missing the seal, district numbers, and most of the right side signature and serial number. Very scarce, worthy of a strong bid. (200-400)

1603 **Fr. 1962-G $5.00 1950A Federal Reserve Note. Gem Crisp Uncirculated.**

Considerably off center third printing. (75-125)

1604 **Fr. 1962-H $5.00 1950A Federal Reserve Note. About Uncirculated.**

Foldover on reverse which did not get printed. (50-100)

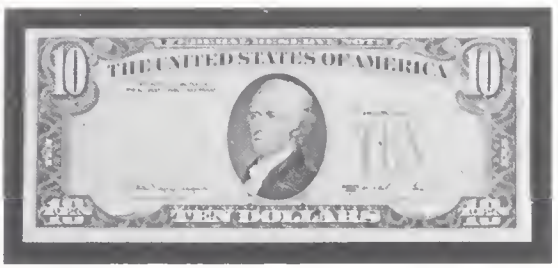


1605 **Fr. 2011-B $10.00 1950A Federal Reserve Note. Choice Crisp Uncirculated.**

Centrally [illegible] (100-200)

1606 **Fr. 2011-H $10.00 1950A Federal Reserve Note. Very Fine. Inverted Reverse.**

One of the highlights of this group. Inverts, particularly early ones, are just plain scarce and are seldom available. Bidding should reach or exceed... (200-400)



1607 **Fr. 2029-G $10.00 1988-A Federal Reserve Note. Gem Crisp Uncirculated.**

Missing entire third printing. A one hundred percent perfect example of this rare error. Not a trace of ink from the third printing, yet the embossing is so bold that even the missing serial number can be plainly read. (200-up)

1608 **Fr. 2113-L $50.00 1963A Federal Reserve Note. Gem Crisp Uncirculated.**

Shifted district seal and numbers, a scarce error on high denominations, particularly one this early. (100-150)

1609 **Fr. 2120-B $50.00 1981 Federal Reserve Note. Crisp Uncirculated.**

Gutter fold. (100-150)

Currency Auctions of America, Inc. is pleased to announce that our next public auction will take place in Memphis in June of 1994!

1610 **Fr. 2073-E $20.00 1981 Federal Reserve Note. Extremely Fine.**

Very dramatic foldover and cutting error. (100-150)

1611 **Fr. 2011-B* $10.00 1950A Federal Reserve Note. About Uncirculated.**

Nice early star note butterfly error. (75-125)

1612 **Fr. 2029-E $10.00 1988A Federal Reserve Note. About Uncirculated.**

Nice butterfly fold on the reverse. (50-100)

1613 **Fr. 2068-G $20.00 1969A Federal Reserve Note. Gem Crisp Uncirculated.**

Nice butterfly fold. (75-125)

1614 **Fr. 2022-A $10.00 1974 Federal Reserve Note. Gem Crisp Uncirculated.**

A neat cutting error. Although it may be our imagination, there appears to be a considerable difference in the thickness of the paper between the note on top and the attached piece. (125-250)

1615 **Fr. 2174-H $100.00 1990 Federal Reserve Note. Uncirculated.**

Small area of extra paper butterfly at the upper left corner. (120-150)

1616 **Fr. 2071-H $20.00 1974 Federal Reserve Note. Extremely Fine.**

Very dark almost full reverse offset. (75-125)

1617 **Fr. 2174-G $100.00 1990 Federal Reserve Note. Uncirculated.**

Nice offset, scarce on the high denominations. There is a bit of writing on the reverse. (130-200)

1618 **Fr. 1980-B $5.00 1988A Federal Reserve Notes. Gem Crisp Uncirculated.**

A consecutive pair with a progressive reverse ink smear, the second note being a great example in which the reverse is [illegible] covered by the excess ink. (75-150)

1619 **Fr. 2072-K* $20.00 1977 Federal Reserve Note. Fine-Very Fine.**

Scarce star cutting error. (75-[illegible])

1620 **Fr. 1913-C $1.00 1985 Federal Reserve Notes. Uncirculated.**

Nice and unusual consecutive pair showing an about to occur blank reverse. (2 pieces) (125-250)

1621 **Fr. 1913-B $1.00 1985 Federal Reserve Notes. Choice Crisp Uncirculated**

As in the lot above, a progressive printing error with an expanding blank area on the reverse. This five note series is not quite so dramatic as the pair above. (5 pieces) (75-125)

1622 **Fr. 1935-B $2.00 1976 Federal Reserve Note Gem Crisp Uncirculated.**

A double [illegible] [illegible] popular [illegible] (125-150)

1623 **Fr. 1935-B $2.00 1976 Federal Reserve Note. Gem Crisp Uncirculated.**

Mismatched prefix letters. (150-200)

1624 **Fr. 1619 $1.00 1957 Silver Certificate. About Uncirculated.**

G55/G54 mismatched serial numbers. (35-50)

1625 **Fr. 2017-E $10.00 1963A Federal Reserve Note. Fine-Very Fine.**

Mismatched serial numbers E63508494A/E64508494A. (40-60)

1626 **Fr. 1910-J $1.00 1977A Federal Reserve Note. Gem Crisp Uncirculated.**

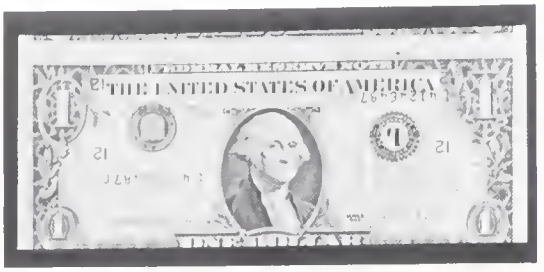
Very dramatic underinking of the first printing. How this made it through two more printings is a mystery to us. (200-400)

1627 **Fr. ? $1.00 Federal Reserve Note. Very Fine.**

Missing first printing. (75-150)

MAIL BIDDERS

Please check your bid sheet carefully to ensure against errors. We can not be responsible for your errors in bidding.



1628 **Fr. 1914-L $1.00 1988 Federal Reserve Note. Gem Crisp Uncirculated.**

Inverted third printing and cut off center as well. (125-250)

1629 **Fr. 1935-L $2.00 1976 Federal Reserve Note. Very Fine-Extremely Fine.**

The second time we have had one of these rare and popular $2.00 Bicentennial inverts to offer. This denomination is of course the key to a complete set of inverts, and is scarce enough to cause considerable demand whenever one is offered. We expect this example should see bidding in the range of... (350-700)

1630 **Fr. 2023-B $10.00 1977 Federal Reserve Note. Gem Crisp Uncirculated.**

Nice blank reverse example. (125-175)

1631 **Fr. 2072-B $20.00 1977 Federal Reserve Note. Gem Crisp Uncirculated.**

Pristine blank reverse example. (150-250)

1632 **Fr. 1911-K $1.00 1981 Federal Reserve Note. About Uncirculated.**

Third printing on reverse. (100-150)

Third printing on reverse. (150-250)

Third printing on reverse. (150-250)

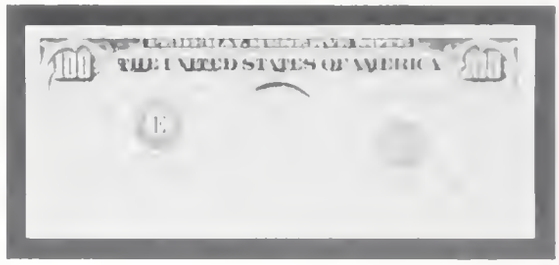
1635 **Fr. 2078-F $20.00 1990 Federal Reserve Note. Gem Crisp Uncirculated.**

Third printing on reverse. This is the first error of this kind we have had to offer with the new security plastic thread type paper. (175-350)

Currency Auctions of America, Inc. is pleased to announce that our next public auction will take place in Memphis in June of 1994!

1636 **Fr. 2171-K $100.00 1985 Federal Reserve Note. About Uncirculated++.**

Third printing on the reverse, a scarce error on hundreds. An Extremely Fine-About Uncirculated example from a more common district brought $462.00 in our last auction. This far nicer example will likely bring... (350-600)



1637 **Fr. 2174-E $100.00 1990 Federal Reserve Note. About Uncirculated.**

Really sharp looking error where the lack of plate ink virtually eliminated the first printing. There are a few pinholes in the note. (250-500)

1638 **Fr. ? $10.00 Federal Reserve Note. Gem Crisp Uncirculated**

An incredible error in which the paper was not fed after the second printing, with the third printing appearing on the third face as well as on the second printing on the note. A dramatic error at first glance, with [illegible] (500-1000)

A MOST UNUSUAL PAIR OF ERRORS

1639 **Fr. 2029-F $10.00 1988-A Federal Reserve Note. About Uncirculated.**

An excessively rare error where the third printing and the cutting were both done incorrectly at the Bureau. We have not seen anything like this or the example which follows. (250-500)

1640 **Fr. 2029-F $10.00 1988A Federal Reserve Note. Extremely Fine.**

The mirror image of the first note, and about as dramatic a cutting error as can be found. (200-400)

1641 **Fr. 1972-J $5.00 1969C Federal Reserve Note. Very Fine.**

The first circulated example of this very scarce error we have offered. This note has very pronounced doubling of the impression from top to bottom. It is one of the more dramatic examples of this error we've seen, and its light degree of circulation should simply make it a bit more affordable. (300-500)

1642 **Lot of Three Silver Certificate Errors**

Fr. 1614 $1.00 1935E. **Extremely Fine+.** Printed off register on the reverse so a small portion of the note above shows.

Fr. 1615 $1.00 1935F. **Extremely Fine+.** Serial numbers slightly too high, with a BEP rejection sticker.

Fr. 1619 $1.00 1957. **Choice Crisp Uncirculated.** Partial offset.

Three pieces. (25-50)

1643 **Pair of Late Errors**

Fr. 2077-B $20.00 1988A Federal Reserve Note. **Extremely Fine+.** Partial inking on reverse.

Fr. 2123-B $50.00 1988 Federal Reserve Note. **Very Fine.** Butterfly fold on face.

Two pieces. (100-150)

ESSAY NOTES

1656 **$2 Essay Back.**

From the 1986 Bowers and Merena Ezra Cole Collection Sale, lot 4005 where it was described as follows:

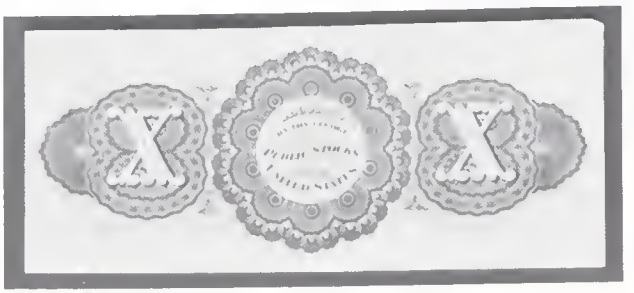
1657 **$5 Essay Back.**

Lot 4009 in the January, 1986 Bowers and Merena Ezra Cole Collection Sale where it was described:

"**$5 back design essay note.** Unlisted in Hessler. **New, with mounting remnants on the blank side.** With National Bank Note Co., New York printed at the lower margin. It is a uniface printing on India paper, and mounted on a card. Circa 1860-64? Probably the experimental design was intended for use on the early Legal Tender issues, or possibly this back was planned for the First Charter National Bank Note series. It is an extremely rare if not unique item for the connoisseur."

Sold for $880.00 then and likely worth today... (1000-1500)



1658 **$10 Essay Back.**

Lot 4011 in the January, 1986 Bowers and Merena Erza Cole Collection Sale where it was described:

"**$10 Essay of unadopted Demand Note or Legal Tender** back design. Unlisted in Hessler. **Choice New.** Circa 1860-62. Uniface. Printed on India paper. Paper is pure white, with a vivid green impression. It is a virtually flawless note, with only a tiny nip at the top right corner which does not inhibit the desirability of this item in any way. American Bank Note Co. New-York is printed twice at the lower margin.

The obligation reads SECURED BY THE PLEDGE OF PUBLIC STOCKS OF THE UNITED STATES within a circle at the center, and it differs considerably from the version used on the early Demand, Legal Tender and Interest-Bearing currency issues. Very likely this item is unique."

Sold for $880.00 and today likely worth... (1000-1500)

LARGE SIZE MISCELLANY

1659 **Expensive Paper Dolls.** Ten high grade U.S. Large Size Notes all severely mutilated by having large areas carefully cut out in the shape of states. Obviously used to make a very interesting and attractive map. Included are Fr. 147, 40, 1187, a black eagle, bison, fed ten, Fr. 237, 39 and two nationals, one a brown back five from Roxbury, Mass. (10 pieces) (some in pieces) (200-up)

LARGE SIZE TYPE NOTES

DEMAND NOTE

1660 **Fr. 1 $5 1861 Fine.** Other than a nick in the lower margin the note is a perfect Fine and a nice looking example of our first currency. Demand Notes in our opinion are very underrated in the current market. (650-up)

LEGAL TENDER NOTES

1661 **Fr. 16 $1 1862 Gem New.** The largest margins we can ever remember seeing on this issue. The color is exceptional, however, the seal is about 98% missing with just the slightest hint of its presence. We've seen similar notes, although never in this grade. Neither sun fading nor chemical alteration seen to be at work here as the remainder of the note including both red serial numbers are their perfect natural colors. Whatever the case, the overall condition is superb and we would anticipate bids in the range of . (500-up)

1662 **Fr. 16 $1 1862 Choice New.** Serial Number 500 and a full Gem with a bit more top margin. Great color and original paper surface. (450-up)

1664 **Fr. 17a $1 1862 Choice About New.**

1665 **Fr. 17a $1 1862 About New.**

1667 **Fr. 18 $1 1869 Very Choice New.** Beautiful color and original paper wave. A would be Superb Gem if the bottom margin were larger. (800-up)

1668 **Fr. 18 $1 1869 Very Choice New.** Bold Gem color and printing, but just not quite enough margin. (700-up)

1669 **Fr. 18 $1 1869 Crisp New.** A vivid and colorful Rainbow note that would be a bold Gem but for the fact that the [illegible] centered to the left. (300-up)

1670 **Fr. 18 $1 1869 Fine.** Solid and well-centered. (200-up)

1671 **Fr. 18 $1 1869 Fine.** (100-up)

1672 **Fr. 20 $1 1875 Choice New.** Nicely centered and with strong red color. (250-up)

1673 **Fr. 20 $1 1875 Choice New.** Superb in every way with exceptional color and nice original paper surfaces. Except for a closely cut top margin, this is a wonderful note. (200-up)

1674 **Fr. 20 $1 1875 Choice New.** A Gem in every way but for a very tight trim across the top. (200-up)

1675 **Fr. 20 $1 1875 Choice New.** A rust spot in the bottom margin is the only detraction. (175-up)

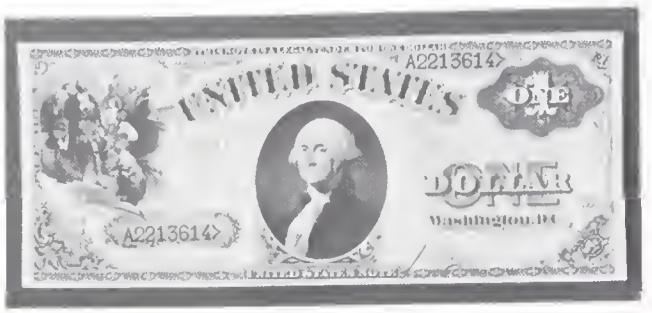
1676 **Fr. 21 $1 1875 Very Good.** A rare number seldom available in any grade. (200-up)

1677 **Fr. 26 $1 1875 Gem New.** Really pretty, with broad borders and strong red color. (350-up)

1678 **Fr. 27 $1 1878 New.** A Gem but for the irregular and somewhat close margins. (175-up)

1679 **Fr. 27 $1 1878 New.** A near Choice example that is perfect but for its centering. (170-up)

1680 **Fr. 28 $1 1880 Gem New.** Beautiful centering both face and back, excellent colors, and an overall exceptional example of this very attractive type. (275-up)



1681 **Fr. 31 $1 1880 Extra Fine.** A handsome example of a very scarce note. (450-up)

1682 **Fr. 34 $1 1880 Choice About New.** Surfaces and appearance of a Gem New note with a single nearly invisible pinch fold. This makes a great looking, natural note quite affordable. (100-up)

1684 **Fr. 36 $1 1917 Very Choice New.** A bright well margined note enhanced by the desirable low serial number B91A. (225-up)

1685 **Fr. 36 $1 1917 Choice New.** Bright color and nice embossing. (85-up)

1686 **Fr. 37 $1 1917 Gem New.** Exceptional margins on this notoriously poorly margined issue. (110-up)

1687 **Fr. 37 $1 1917 Very Choice New.** A Gem in every way but a but close at the bottom right. (75-up)

1688 **Fr. 37 $1 1917 Choice New.** Four notes, serial numbers M1000A, M2000A, M3000A and M4000A. Apparently ex-Grinnell as there is a slip of paper in his handwriting included with this group. A beautiful set and needless to say impossible to duplicate. (4 pieces) (1250-up)

1689 **Fr. 37 $1 1917 Star Note Choice About New.** This is actually a Choice New note with a few light bends. Nice original paper surface. (125-up)

1690 **Fr. 37 $1 1917 Star Note About New.** One of the more common Stars but still desirable in this high grade. (100-up)

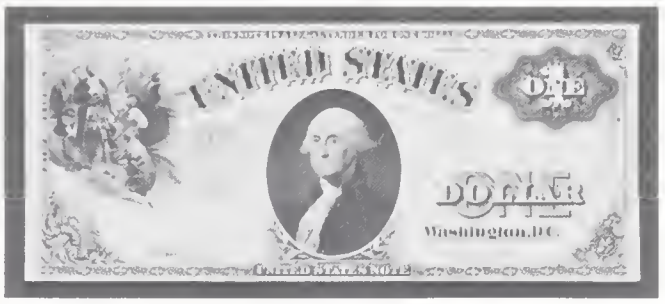
1694 **Fr. 39 $1 1917 Gem New.** [illegible] (600-up)

1695 **Fr. 39 $1 1917 Gem New.** A very nicely centered and bright example of this issue. While not a scarce note, it is a real challenge to locate with the even centering this piece has. (150-up)

1696 **Fr. 39 $1 1917 Very Choice New.** With the neat radar serial number N59999995A. (200-up)



1697 **Fr. 39 $1 1917 Choice New.** Nice original surfaces and the low serial number R10A. (250-up)

1705 **Fr. 40 $1 1923 Very Choice New.** (170-up)

1706 **Fr. 40 $1 1923 Choice New.** Desirable serial number A44444B. (160 up)

1707 **Fr. 40 $1 1923 Choice New.** (150 up)

1709 **Fr. 41 $2 1862 About New.** Great color and better centered than most of these. Other than for a very light center fold, this would grade Choice New. It is fully free of soil or problems of any kind. (650-up)

1717 **Fr. 42 $2 1869 Very Good.** Heavily circulated but problem free. (100-up)

1718 **Fr. 43 $2 1874 About New.** Excellent centering and strong red color on this very scarce number. (350-up)

1728 **Fr. 60 $2 1917 Gem New.** Outstanding margins for this number. (200-up)

1729 **Fr. 60 $2 1917 Cut Sheet of Four Very Choice New.** Gems but for their centering, each note having at least some margin at the top and bottom. This sheet shows why this issue always comes with very tight top and or bottom margins. There is barely one millimeter between the notes as they were originally printed. (4 pieces) (450-up)

1730 **Fr. 60 $2 1917 Choice New.** (110-up)

1731 **Fr. 60 $2 1917 Choice New.** (110-up)

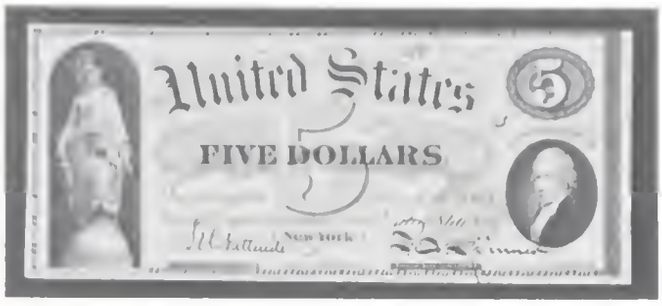
1732 **Fr. 60 $2 1917 Choice New.** A Gem in every respect, but tightly margined at the top. (110-up)

1733 **Fr. 60 $2 1917 New.** Nearly **Choice**. (80-up)

1734 **Low-grade 1917 Twos.** Fr. 58 and four Fr. 60s. All five notes grade **Fine** or a bit better, but one of the Fr. 60s is torn. (5 pieces) (125-up)

1735 **Fr. 58 and Fr. 59 $2 1917s.** The first is **Extra Fine** and the second **Choice New**. (2 pieces) (150-up)

1736 **Fr. 61a $5 1862 Superb Gem New.** One of the brightest and best centered of the group of these that surfaced some ten years ago. Most had poor margins and rounded corners but this low-numbered note is a beautiful exception. (800-up)



1737 **Fr. 63 $5 1863 Choice New.** Light at the top, but with the deepest red seal we've ever seen on one of these. (400-up)

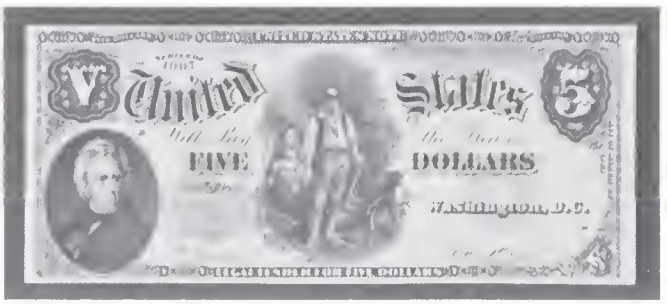
1744 **Fr. 74 $5 1880 Cut Sheet of Four.** Two of the notes grade Choice and two grade Gem. [illegible] centering. All four notes exhibit [illegible] and perfect color. Overall, a superb display piece [illegible] (Type 1 [illegible])

1745 **Fr. 74 $5 1880 Very Choice New.** Fully bright and with deep original embossing. (650-up)

1746 **Fr. 74 $5 1880 Very Fine-Extra Fine**. (180-up)

1747 **Fr. 75 $5 1880 Choice About New.** Lots of great original embossing and good color but there is a pinch fold at the center and a soft fold to its left. This has the look and feel of a Gem. (300-up)

1748 **Fr. 78 $5 1880 Choice New.** A rare note, with only 16 examples listed in the Gengerke reference (three of which are permanently impounded.) This example offers deep original embossing and excellent centering. (1750-up)



1749 **Fr. 83 $5 1907 Superb Gem New.** Fully equal in quality to the Fr. 85 offered below. A full set of Pioneers as nice as these two would be quite an achievement. (250-up)

1754 **Fr. 91 $5 1907 Very Choice New.** A near Gem example of this very popular note. (150-up)

1755 **Fr. 91 $5 1907 Choice New.** (130-up)

1756 **Fr. 91 $5 1907 Choice New.** A pretty Pioneer with good side margins but close at the top and bottom as is almost always the case. (125-up)

1757 **Fr. 91 $5 1907 Star About New.** A desirable high grade Star note. (175-up)

1758 **Fr. 92 $5 1907 Very Choice New.** A near Gem example of this truly scarce note. Other than the Fr. 86, this is the hardest to find of the ten different 1907 fives. (200-up)

1759 **Pioneer Family Group** Fr. 7 (c. 80) $1 and 2). All four notes grade Fine or a bit better and none have any defects. (4 pieces) (140-up)

1760 **Fr. 93 $10 1862 Very Good.** Other than a frayed upper right corner, the note is solid and defect free. (150-up)

1761 **Fr. 94 $10 1862 Very Good-Fine.** By far the rarest of the 1862 and 1863 Legals, Fr. 94 is underrated in all grades. This solid note is totally free of edge problems and we expect it will cause a fair amount of bidder interest. (300-up)

1762 **Fr. 95b $10 1863 Very Fine.** Bright and well margined, but with a tiny tip of the upper right corner missing, not affecting the design. (400-up)

1763 **Fr. 96 $10 1869 Superb Gem New.** A "no excuses" note: not a negative thing could be found to say about this broad margined, brightly colored Rainbow Ten. (1800-up)

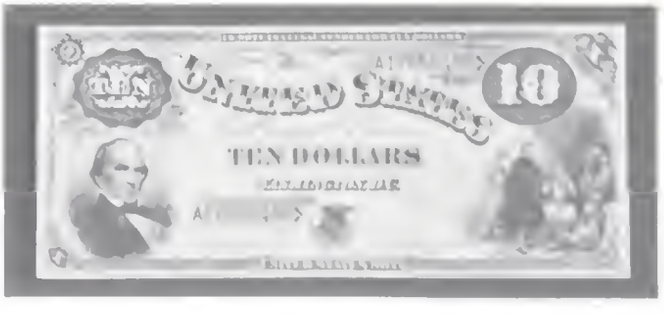
1764 **Fr. 96 $10 1869 Fine+.** Tight margins and a few pinholes. (200-up)

1765 **Fr. 102 $10 1880 Gem New.** Just about the perfect type note. Generous margins, terrific color and extra deep original paper embossing. An ideal example of a brown seal red number Jackass ten. (900-up)

1766 **Fr. 102 $10 1880 New.** Nice original with [illegible] Choice except for minor [illegible] bottom of the back. (400-up)

1767 **Fr. 108 $10 1880 Gem New.** Deep original embossing and exceptionally vibrant colors highlight this sharply printed Jackass ten. The contrasting colors of the pure white paper, deep black printing, large brown seal, and blue serial numbers create a striking appearance. (800-up)

1768 **Fr. 110 $10 1880 Gem New.** A stunningly nice looking note. Fully embossed, nicely centered and with rich color, everything one could hope for in a premium note. It will be quite some time before you'll locate a Jackass note that will rival this. A real prize. (1000-up)



1769 **Fr. 111 $10 1880 Very Choice New.** [illegible] the top margin [illegible] the Comptroller's Office.

1770 **Fr. 114 $10 1901 About New.** Very good looking Bison with just the slightest hint of use. (550-up)

1771 **Fr. 116 $10 1901 Gem New.** A superb note with everything going for it. Super deep embossing and bold color, one of the best quality Bisons, and a scarcer number. Most high grade Bisons are Fr. 114,121 and 122. These middle numbers are a real challenge to find Gem. (1200-up)

1772 **Fr. 116 $10 1901 Choice New.** Superior color and centering on this attractive Vernon-Treat Bison that borders on Gem. (950-up)

1773 **Fr. 117 $10 1901 Extra Fine.** Well margined and good looking. Appears Gem at a glance. (450-up)

1774 **Fr. 118 $10 1901 Choice About New.** Gem appearing. Nice margins and color, but with an almost undetectable centerfold. The kind of premium About New note with all the "eye appeal" factors present that collectors so desire. Worth a strong bid. (700-up)

Currency Auctions of America, Inc. is pleased to announce that our next public auction will take place in Memphis in June of 1994!

1775 **Fr. 119 $10 1901 Choice About New.** A Parker-Burke Bison with a lightly bent corner and a nearly impossible to detect center bend keeping it from the Gem category. A nice note with plenty of eye appeal. (600-up)

1776 **Fr. 121 $10 1901 Very Choice New.** A Gem but for the bottom margin which is a bit tight at the right. Nice color and good original embossing. (950-up)

1777 **Fr. 121 $10 1901 Choice Extra Fine.** The type of E.F. everyone wants. This Bison is a Gem New note with three folds. Full original color, paper surface and embossing, and not a spot of soil. Worth more than most About New notes and some of the "New" notes we have seen. (600-up)

1778 **Fr. 122 $10 1901 Very Choice New.** A lovely Bison just a hair short of full Gem. (900-up)

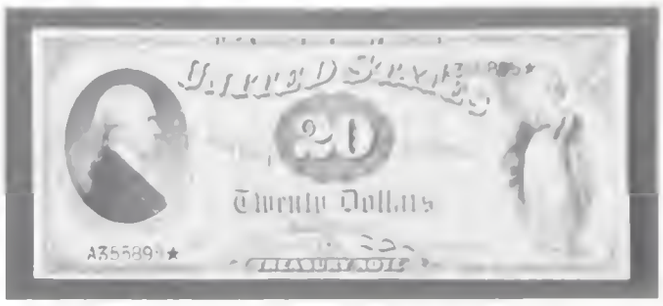
1779 **Fr. 122 $10 1901 Choice New.** Bright color and fresh paper on the last signature of the Bison series. (900-up)

1780 **Fr. 122 $10 1901 Choice New.** Good original embossing but the paper is a slight bit toned and the top is tight. (500-up)

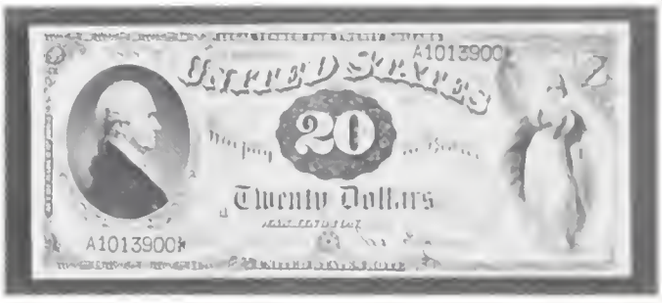
1781 **Fr. 122 $10 1901 Choice About New.** Especially nice centering on a bright Bison with only the most minimal evidence of light circulation. (600-up)

1782 **Fr. 123 $10 1923 Gem New.** A superb example of the rarest Twentieth Century Type note, broadly margined and very well centered on both sides, with original paper wave and brilliant color. In our opinion these are undervalued on the Green Sheet and this note would be a bargain at... (2500-up)

1783 **Fr. 123 $10 1923 Very Fine.** A clean and attractive example of this scarce type note. (600-up)



1784 **Fr. 127 $20 1869 Extra Fine.** Well centered and with strong color. But for a few small pinholes this note is perfect for the grade. (1250 up)



1785 **Fr. 129 $20 1878 Superb Gem New.** Perfect in every way. Hugely margined and with gorgeous color. Fully equal to lot 1277 from our May 1993 sale (which brought $30800) and less than 200 serial numbers away, this beauty is printed on the same blue-stained paper that was used for the Fourth Issue Fractional Currency notes and contains the repetitive USUSUS watermark. One of the finest condition type notes in this sale. (2750-up)

BEAUTIFUL & RARE FR. 177

1796 **Fr. 177 $100 1880 Extra Fine.** A very rare note with only 14 specimens known, four of which are in museums or government hands and permanently off the market. Of the remaining ten, five are low grade. This beautiful "C" note has the look of a Gem from the face and is from Stack's March 15, 1990 sale where it brought $9900. One of the most attractive and artistically well-balanced type notes with any seal, this big orange seal variety is stunning in its appearance. (10,500-up)

$1,000 LEGAL TENDER FR. 187j

1797 **Fr. 187j $1000 1880 Very Good-Fine.** One of just twelve known, three of which are permanently off the market in government or museum hands. This wonderful DeWitt Clinton thousand has somehow escaped the normal harsh treatment that these rare high denomination notes have been subjected to over the years in vain attempts to make them "better." A perfectly natural, circulated note with its only problems being a fair amount of tiny pinholes and some heavy counting soil at the right. In spite of its grade, the portrait of Clinton and the Columbus vignette at the left both retain the clarity and sharpness expected on much higher grade notes. Congratulations to the proud collector who takes this note home. (11,000-up)

1798 **$1 and $2 1917 Legal Tender Notes.** Fr. 39 and Fr. 60 both **Crisp Uncirculated**. The Fr. 60 has some light soiling and margin discoloration. (150-up)

1799 **Two Early Legals.** Fr. 61a 1862 $5 **Fine,** Fr. 18 1869 $1 **Fine** with a corner tip off. (2 pieces) (225-up)

COMPOUND INTEREST TREASURY NOTE

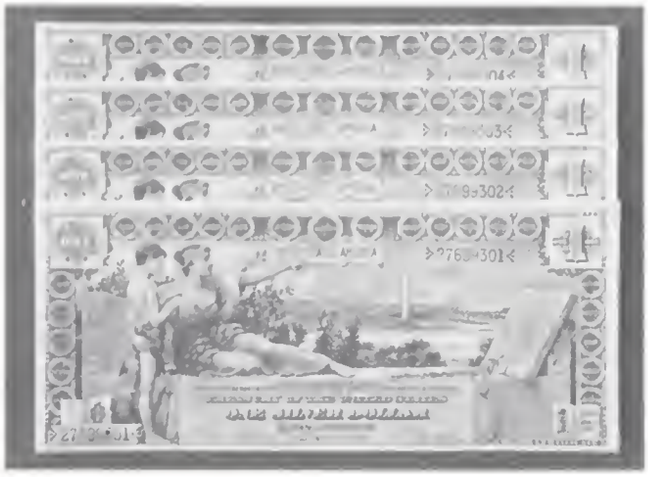
1822 **Both Martha Types.** Fr. 219 from the 1886 Series and Fr. 223 from the 1891 Series. Both grade **Very Fine**. (2 pieces) (275-up)



1823 **Fr. 224 $1 1896 Cut Sheet of Four Gem New.** A super cut sheet of Educational $1 Notes, each of them a full Gem in its own right. 1853 **Low Numbered Pair.** Both are Fr. 233 and both are fresh and original. The V33V would grade Gem but for a tiny spot and the V44V is perfect but for a tight top margin. Both grade **Choice New.** (2 pieces) (400-up)

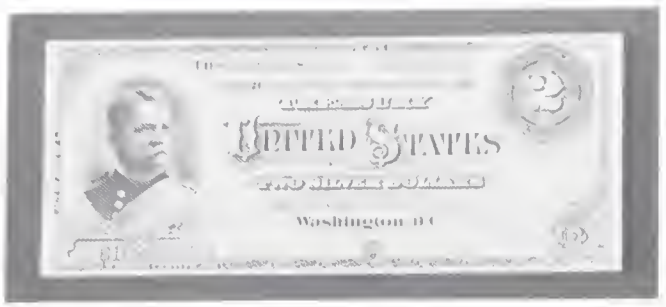
1880 **Twenty 1923 Ones.** Seventeen are Fr. 237 and three are Fr. 238; all grade **Choice** or **Gem New** with the vast majority grading Gem. There are several small groups of two or three consecutive in this attractive batch (20 pieces) (1000-up)

1881 **Fr. 239 $1 1923 Very Choice New.** The scarcest by far of the three signature combinations of the $1 1923 Silver Certificates. This attractive note is crackling fresh and would be a Gem with better sheet centering (the top is right) (175-up)

1882 **Fr. 239 $1 1923 Choice New.** The popular Woods-Jones signature combination (125-up)



1883 **Fr. 240 $2 1886 Gem New.** An especially scarce signature combination on the $2 Hancock. Nice centering, deep embossing and bright color make this a note with everything going for it. Throw the catalogs and price sheets away if you hope to own this one. (1500-up)

1886 **Fr. 243 $2 1886 Superb Gem New.** Perfect paper surfaces, large margins and great color highlight this Gem Fr. 243, one of the scarcest Hancock numbers. Rarer than the Fr. 242 in this grade by at least a factor of 20-to-1. (1500-up)

1887 **Fr. 245 $2 1891 Gem New.** From our 1992 University of Missouri Sale where it was described "A striking Windom with amazing color, super sharp printing and exceptional original embossing. Add to this the low serial number E57 and you have one very desirable note." It brought $2090 at that sale which we felt was a bargain. We would expect a stronger price now. (2500-up)

1889 **Fr. 246 $2 1891 Superb About New.** A wonderfully Gem-appearing Windom. But for a broad corner fold visible only on the back, this would be a $2000 note. Worth far in excess of the Green Sheet About New price. (850-up)

1896 **Fr. 248 $2 1896 Superb Gem New.** An incredibly lovely Educational two with deep original embossing and boardwalk margins all the way around. It's difficult for this cataloguer to become excited about Educational notes after handling untold hundreds, but this is truly an exciting note. At this or an example as could ever be found. (2500-up)

1897 **Fr. 248 $2 1896 Gem New.** Another lovely Educational with the more difficult [illegible] signature combination. (2000-up)

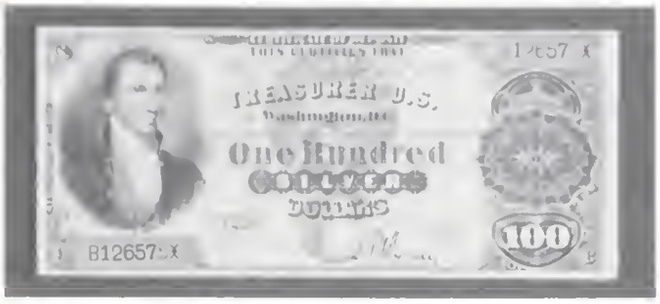
FINEST KNOWN FR. 329

1939 **Fr. 329 $50 1880 About New.** One of the finest type notes that we have had the opportunity of offering in any of our sales. Only 16 examples are known, five of which are permanently off the market in government hands. This note is the finest by several grades of any of the notes in or out of museums. Beautiful colors and very large margins add to the appeal of this extremely striking design. Few major rarities of any design type have survived the years of collector temptation to improve them. (Translation: most rare notes come pressed.) This beauty is a happy exception with its original paper surfaces clearly evident. But for a single corner fold and three extremely light vertical folds this note would grade Gem New. We are delighted to have the opportunity to place it into a collection where it will bring pride for years to come. (17,500-up)

1940 **Fr. 331 $50 1891 Very Good.** A new number to the census making a total of fifteen known, five of which are permanently impounded. (450-up)

EXTREMELY RARE FR. 340



1941 **Fr. 340 $100 1880 About Very Fine.** One of only nine known, four of which are permanently off the market in government hands and museums. Of the remaining five, two have not been seen in decades. The Gengerke reference lists grades for only two of the privately held notes, one graded About Fine and this note graded Fine. Evenly circulated and extremely attractive, its only flaws are a few expertly closed pinholes and an expertly restored corner tip that defies detection if it is not pointed out. One of the rarest notes a collector of U.S. Type could ever hope to acquire and very likely the best preserved that will ever be available. The printing quality is astounding for a note with this amount of circulation, with the full steel plate sharpness that one would expect from an uncirculated note. Even James Monroe's eyes retain the life-like gleam of the original master engraving. A treasure for the advanced collector. (12,500-up)

TREASURY NOTES

1942 **Fr. 347 $1 1890 Extra Fine+.** Excellent color and centering. (450-up)

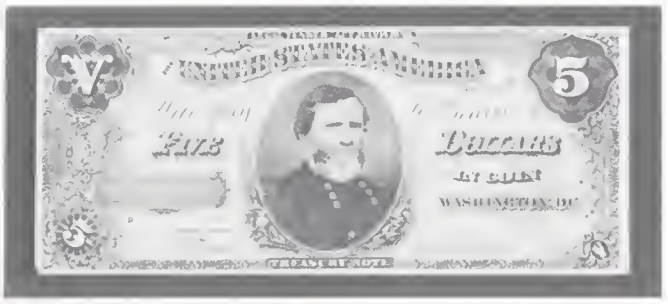
1950 **Fr. 361 $5 1890 Choice New.** The difficult General Thomas $5 1890 Coin Note just doesn't come any brighter, more original or better centered than this example. Would be almost Gem but for a very tiny corner bump at the upper right. Well worth a premium bid. (1500-up)



1951 **Fr. 365 $5 1891 Extra Fine.** Fr. 365 is the rarest of all the Treasury Notes up through the Twenty Dollar Denomination and, in fact, it is considerably rarer than three of the five Twenties. This is only the third example that we have ever encountered in our 70 odd collective years of currency dealing. Other than for tight margins, this note is perfect for the grade with some claims to About New. (750-up)

ONE OF EIGHT KNOWN – FR. 373

1952 **Fr. 373 $20 1890 Fine.** One of just eight known, two of which are permanently off the market in government holdings. Absolutely problem free and perfect for the grade, this fancy back twenty should easily bring... (2500 up)

1963 **Fr. 733 $1 1918 Choice New.** (100-up)

1964 **Fr. 735 $1 1918 Very Good.** The only really rare $1 Federal Reserve Bank Note. Unfortunately this one has some large brown stains. Still easily worth ... (100-up)

1966 **Fr. 738 $1 1918 Choice New.** (90-up)

1974 **Fr. 778 $2 1918 Very Choice New.** A ship-shape Battleship with terrific original embossing and the low serial number L34A. A perfect Gem if it had just a bit more top margin. (400-up)

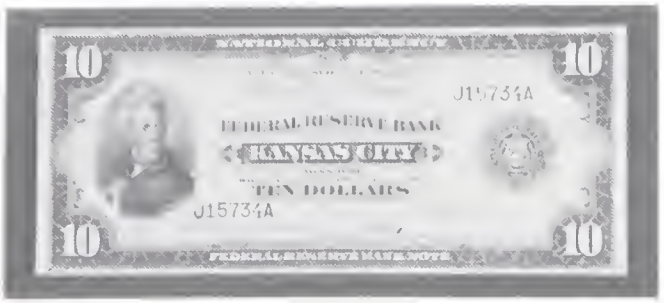
1980 **Fr. 809a $5 1918 Very Good.** The last printing with the May 18, 1918 Date. Not ... (250-up)



1981 **Fr. 817a $10 1915 Superb Gem New.** This is as fine a $10 Federal Reserve Bank Note as we have ever seen. Deep, original embossing, broad margins, and perfect centering on both sides. A very scarce type that is decidedly rare in this ultimate condition and among the highest quality Type notes in the sale. (2000-up)

1982 **Fr. 817a $10 1915.** Two notes. The Friedberg catalog lists this note as handsigned, however, the signatures are rubber stamped. On the higher grade note of this pair the signatures are stamped in red. This is the only one of these we have ever seen or heard of with these red signatures. The first note grades **Fine** with the normal black signatures and the second note grades **Choice Extra Fine** with red signatures. (2 pieces) (800-up)

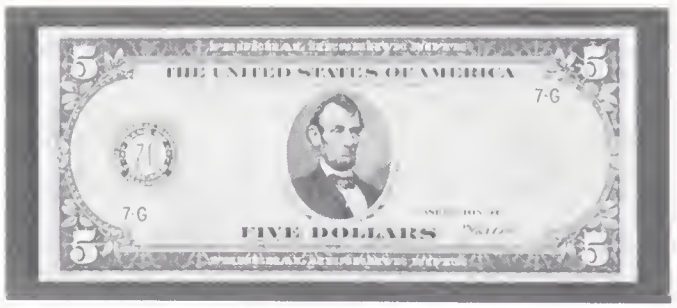
1983 **Fr. 824 $20 1915 Superb Gem New.** This is by far the finest $20 Federal Reserve Bank Note that we have had the pleasure of handling. Huge margins, perfect centering, full color, and deep, original embossing, certainly one of the best in existence. (3500-up)

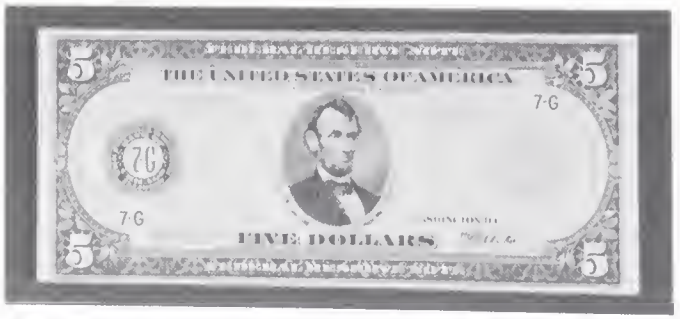
FEDERAL RESERVE NOTES

1984 **Fr. 836 $5 1914 Red Seal Very Fine+.** Crisp and clean with no problems. Terrific color and centering. (65-up)

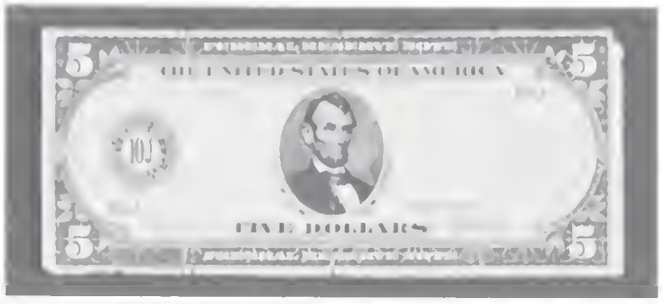


1985 **Fr. 838 $5 1914 Gem New.** A beautiful Red Seal with super color and margins. (300-up)

1986 **Fr. 838a $5 1914 Red Seal Very Fine+.** A nice Red Seal of the scarcer "a" Type. (50-up)

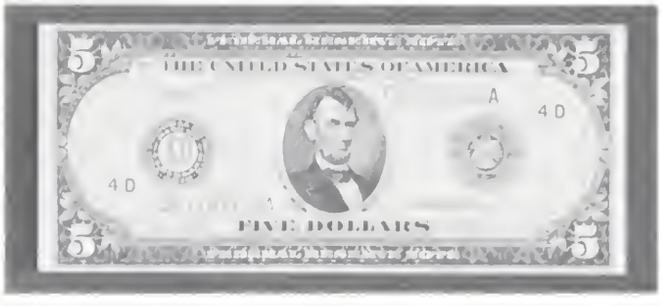


1987 **Fr. 838b $5 1914 Red Seal Gem New.** Deep original embossing and about as nice a Red Seal Five Dollar as you could ever hope to acquire. (350-up)

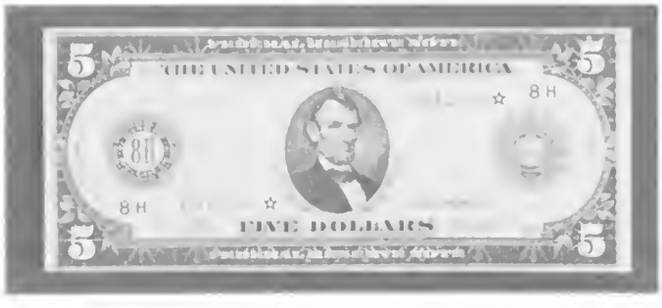


1988 **Fr. 841a $5 1914 Fine.** Serial Number J55A. A hard note to grade as the body is at least Extra Fine but the folds are very heavy and starting to split. There is also some fairly serious edge damage. Still, low number Red Seals are rare. (175-up)

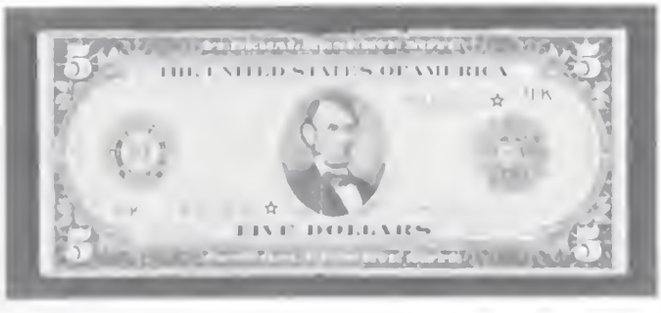
1989 **Fr. 850 $5 1914 Very Choice New.** (60-up)



1990 **Fr. 859c $5 1914 Choice New.** A nice looking Cleveland FRN. (100-up)



1991 **Fr. 875a $5 1914 Star Very Good.** A note with plenty of honest circulation, including a spindle hole through Lincoln's portrait. Nevertheless it is quite a scarce note as only one other Fr. 875a is listed in the Murray reference and is worth a strong bid. (150-up)



1992 **Fr. 886 $5 1914 Star Good-Very Good.** A Dallas Star not listed in the Murray reference. A bit of upper border roughness to represent in this scarce Star. A price for the specialist. (150-up)

1993 **Fr. 893 $10 1914 Very Fine+.** (Scarce! [illegible] up)

1994 **Fr. 896 $10 1914 Gem New.** The color and [illegible] on this Red Seal Fed are as nice as any we've seen. [illegible] up)

1995 **Fr. 907a $10 1914 Star Note.** A new note to the Star note census. This **Fine** now makes a total of [illegible] known for this Friedberg number. (100-up)

1996 **Fr. 936 $10 1914 Gem New.** Exceptionally well-centered. (100-up)

1997 **Fr. 937 $10 1914 Star Note Very Good.** This is the third example known of this Friedberg number and its low grade should make it a bargain in spite of its rarity. (150-up)

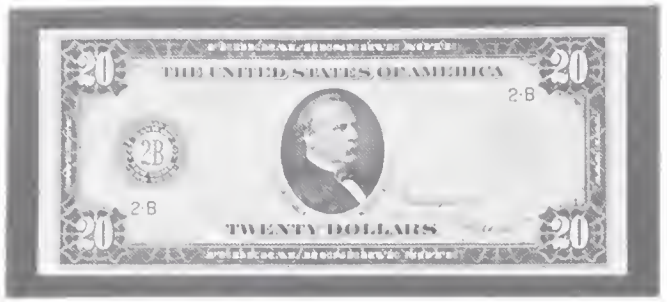
1998 **Fr. 939 $10 1914 Star Note Fine+.** A new note to the Star note census bringing the total known to [illegible]. Solid attractive and perfect for the grade, this rare Star should bring... (150-up)

1999 **Fr. 951a $10 1914 Superb Gem New.** [illegible] we've [illegible] (100-up)



2000 **Fr. 953b $20.00 1914 Red Seal Gem New.** From our May 93 Sale where it was described "As fresh and well embossed as one can imagine any Large Size note being. The rich color and superior centering make this a note that will enhance even an advanced collection. These $20.00 Red Seal Feds are almost impossible to find uncirculated and when they do appear are quickly snapped up by collectors who appreciate just how rare they are." Estimated at $1200, it was bought by a collector for $1540 and traded by him to the present consignor. On its second trip through our auction firm, it is still the nicest $20 Red Seal we have seen. (1500-up)

$20/$10 DOUBLE DENOMINATION

2001 **Fr. 964 $20/$10 1914 Double Denomination About New.** A great Error Note and with lots of grade, this "King of Large Size Errors" appears Choice New at a glance and was graded "Superb Crisp Unc." when it appeared in the Grinnell Sale in 1946 as part of a cut sheet (lot 4831). This note would be a highlight of any Error collection, or, for that matter, any collection of U.S. Notes. (9000-up)

2002 **Fr. 975a $20 1914 Choice About New.** Just a corner tip fold, otherwise very nice. (70-up)

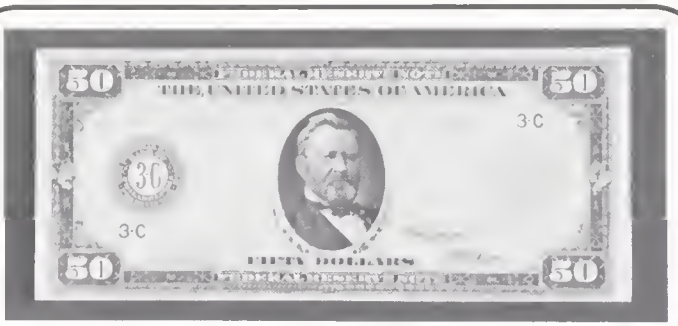
2003 **Fr. 984 $20 1914 Choice New.** Exceptionally well margined. (110-up)

2004 **Fr. 996 $20 1914 Very Choice New.** (110-up)

2005 **Fr. 998 $20 1914 Superb Gem New.** From the same consignor as the Fr. 1011a offered below, and every bit as lovely. This gentleman quickly gave up on his Superb District Set after finding only these two notes in two years of looking. (175-up)

2006 **Fr. 1011a $20 1914 Superb Gem New.** Incredible quality for a $20 Fed. These often come New, but very rarely come nice. (175-up)

2007 **Fr. 1011a $20 1914 Star Note Fine.** One of the seven listed by Murray. (60-up)



2008 **Fr. 1014a $50 1914 Red Seal.** Super original paper surfaces and full brilliant colors highlight this beauty. Very few $50 Red Seal notes have survived in high grade. This **Gem New** example can be traced back to a cut sheet sold in the Grinnell collection fifty years ago. (2750-up)

2009 **Fr. 1014b $50 1914 Red Seal Fine.** Clean and most attractive. An ideal circulated Red Seal Fifty for a Type set. (175-up)

2010 **Fr. 1015b $50 1914 Red Seal Very Good.** Solid for the grade with excellent margins and good color. A nice no problems note. (150-up)

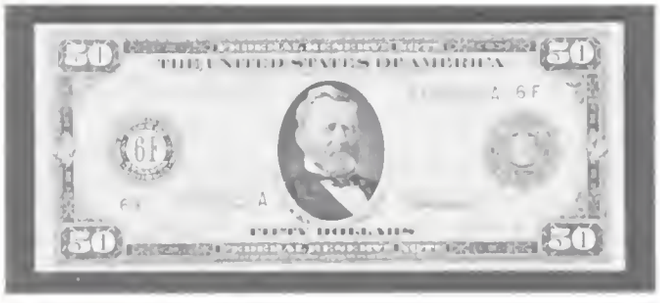
2012 **Fr. 1039a $50 1914 Very Choice New.** Gem in every way but a bit tight at the top. (700-up)

2013 **Fr. 1039a $50 1914 Extra Fine.** (150-up)

2014 **Fr. 1044 $50 1914 New.** A nice Blue seal $50 Fed with good margins and color.(350-up)



2015 **Fr. 1046 $50 1914 Superb Gem New.** Deep original embossing with just-off-the-press color and surfaces. Decidedly rare this nice. One of the highest quality Type notes in this sale. (1500-up)

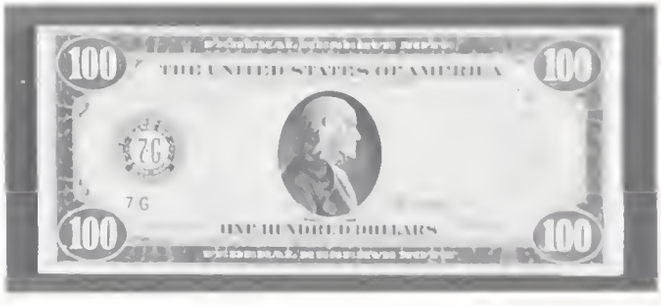
2016 **Fr. 1046 $50 1914 Gem New.** A superb original note with wonderful color, margins and surfaces. We find these fifties are at least ten times scarcer than Gem hundreds. This is due in part to the survival of a small hoard of the $100 Fr. 1104. No groups of New fifties are known to have survived. (1200-up)

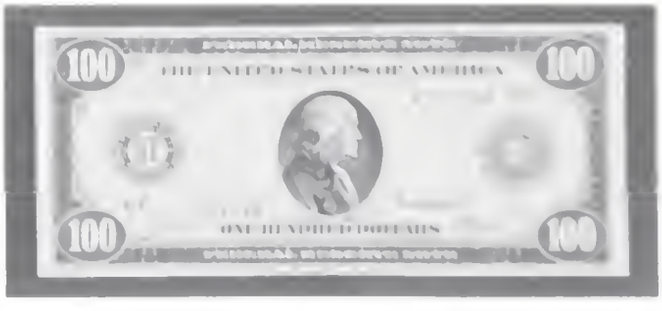
2017 **Fr. 1053 $50 1914 Choice New.** The top and bottom margins are a bit close but this is a New $50 Fed and these are hard to find. (650-up)



2018 **Fr. 1078a $100 1914 Red Seal About New.** A broad bordered and very good looking example of this scarce type. (900-up)

2019 **Fr. 1079a $100 1914 Red Seal Very Fine.** (400-up)

2020 **Fr. 1104 $100 1914 Gem New.** Well margined and deeply printed. (700-up)



2021 **Fr. 1104 $100 1914 Gem New.** Exceptional centering and print clarity. Face engraving has unusual depth and appears fresh right off of a newly cut plate. (700-up)

2022 **Fr. 1104 $100 1914 New.** Choice but for a counting mark. (500-up)

2023 **A Denomination Set of Federal Reserve Notes.** Five dollar Fr. 850 **New**, $10 Fr. 934 **Extra Fine**, $20 Fr. 1011b **Very Fine**, $50 1030 **Very Fine**, and $100 Fr. 1123 **Very Fine**. All are Series 1914 Blue Seals. (5 pieces) (375-up)

GOLD CERTIFICATES

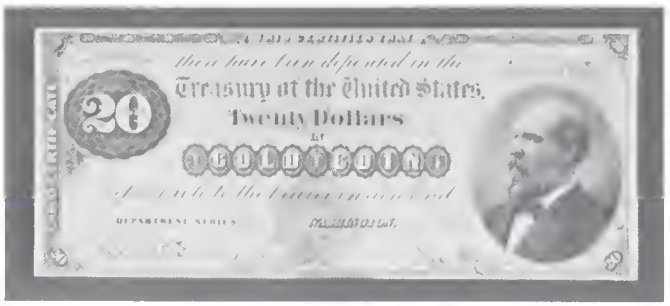
2025 **Fr. 1173 $10 1922 Gem New.** Outstanding margins and paper surfaces. (300-up)

2026 **Fr. 1173 $10 1922 Choice New.** Only a tight bottom margin prevents the Gem grade. (200-up)

2027 **Fr. 1173 $10 1922 Choice About New.** Bright and attractive. (125-up)

2028 **Fr. 1173 $10 1922 About New.** (125-up)

ENIGMATIC FR. 1174



2029 **Fr. 1174 $20 1882 Very Fine.** A new note to the census making a total of eight, only four of which can currently be located, including one in the Smithsonian. Only the Grinnell note, which has not been seen for fifty years, is reported to be a higher grade than this piece. The serial number of this note (A536302) places it outside the possible range for Fr. 1174 which makes it according to Treasury records, either a Fr. 1175a, which it is not, or a Fr. 1176, which it also is not. It is in fact a Fr. 1174 with a serial number 48,000 numbers above the highest number possible for this note. We'll leave the solution to the researchers but the note is indeed a Fr. 1174 and a very nice one at that. (6000-up)

RARE TRIPLE SIGNATURE FR. 1175a

2030 **Fr. 1175a $20 1882 Triple Signature Fine.** One of only nineteen notes reported in the Gengerke Reference. Triple Signature Notes are among the most desirable items in all of currency collecting and this variety with the engraved countersignature of Thomas Acton is the most affordable of them. The currently offered note which is perfect for its grade is considerably finer than the Good-Very Good which we sold in our November 1992 Sale as lot 1970 for $2200. (4000-up)

2031 **Fr. 1180 $20 1905 Fine.** A most attractive example of the Technicolor Twenty. It appears nearly Very Fine from the face and Very Good from the back, hence our compromise grade of Fine. Large solid margins and totally problem free. (500-up)

2032 **Fr. 1184 $20 1906 Fine.** This Napier-Thompson signature combination is the scarcest by far of the 1906 Twenties. (125-up)

2033 **Fr. 1186 $20 1906 About New.** The left end is water stained. (100-up)

2034 **Fr. 1187 $20 1922 Choice New.** Gem color but a bit tight at the top. (300-up)

2035 **Fr. 1187 $20 1922 Choice New.** Virtually identical to the previous lot but this time the bottom margin is tight. (300-up)

2036 **Fr. 1187 $20 1922 About New.** Well margined and good looking. (175-up)

2037 **Fr. 1187 $20 1922 Extra Fine.** (135-up)

2038 **Fr. 1187 $20 1922 Star Very Fine.** A nice looking note for the Star specialist. (175-up)

2039 **Fr. 1193 $50 1882 Fine.** Solid for the grade and a pretty note. (275-up)

2040 **Fr. 1200 $50 1922 Very Fine+.** (325-up)

2041 **Fr. 1200 $50 1922 Very Fine+.** (325-up)

2042 **Fr. 1200 $50 1922 Very Fine.** A few pinholes. (200-up)

2043 **Fr. 1211 $100 1882 Fine.** New to the census, about thirty-five now being known. But for some pinholes, this note is perfect for the grade. (250-up)

2044 **Fr. 1214 $100 1882 Choice About New.** Exceptionally well margined and very attractive. An extremely light center fold and a corner tip fold away from Gem New. (1000-up)

2045 **Fr. 1214 $100 1882 About New.** The appearance of a Gem but with a few very light folds. (850-up)

2046 **Fr. 1215 $100 1922 Very Fine.** A few pinholes. (300-up)

2047 **Fr. 1215 $100 1922 Fine.** (200-up)

2048 **A Gold Certificate Star Note Collection.**

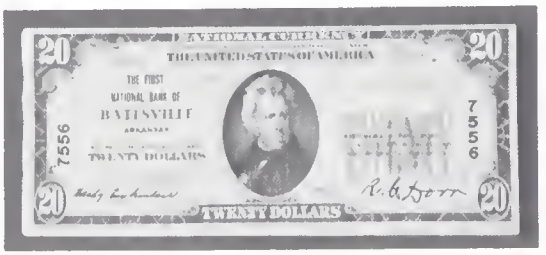
ARKANSAS



2087 **Batesville** - $20.00 Ty. 1 **The First NB** Ch. # 7556

Common enough in large size, but this is only the second small note to surface that we know of. Only a relative handful of Series 1929 examples were issued from here before the bank was liquidated in May of 1930. **Very Good-Fine**. (250-500)

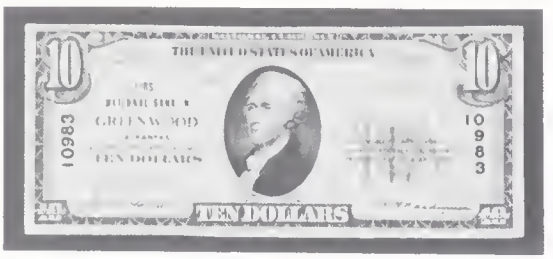
An extremely rare note with only one prior offering at public sale in fifty years, that coming in 1989. A couple of other examples exist, but are in strong hands and have never been offered for sale. **Very Good**, a great opportunity for the collectors of 14000 charters as well as those who specialize in Arkansas. (250-500)



2090 **Greenwood** - $10.00 Ty. 1 **First NB** Ch. # 10983

A very scarce note from Sebastian County in western Arkansas. **Fine**, sure to see some spirited bidding. (200-400)

A great California title on this scarce and popular note. **Very Fine**. (200-400)

2092 **Corona** - $10.00 1902 Fr. 624 **The First NB** Ch. # [illegible]

2094 **Hermosa Beach** - $5.00 1902 Fr. 609 **The NB of Hermosa Beach** Ch. # 12271

One of two banks in this Los Angeles County shore community, with both being just plain rare. We note only three appearances from here of any kind, the last being the Krakover example, a Very Good blue seal which fetched $735.00. The note we offer is a new discovery grading **Very Fine**, with just the slightest of light stains at the folds. We know of no nicer example ever before having been offered for sale. (600-1000)

2095 **Los Angeles** - $10.00 1882 Date Back Fr. 545 **The First NB** Ch. # (P)2491

A beautiful cut sheet of four Brown Backs, each as fresh and crisp as if they were printed this morning. All are original and, with the exception of the first note (which has a slightly close top margin) are flawless and pristine Gems. If you want a wonderful display item or collect only the finest, this lot is for you. **Choice Crisp Uncirculated** (1). **Gem Crisp Uncirculated** (3). (4 pieces) (1000-2000)

2097 **Ocean Park** - $10.00 1902 Fr. 624 **The First NB** Ch. # [illegible]

An excessively rare Los Angeles County bank which has never before been offered at public sale. Even the extensive Krakover collection had no example from this small town. **Very Good**, with a couple of minor tears, the signatures still visible. (500-1000)

Only **Fine** or so, but the finest known of any example extant from here. This is a new discovery, having turned up in a suburban Maryland coin shop last year. Interestingly, it is signed by C.A. Parlier as President. Bidding should end in the range of [illegible]. (400-700)

2102 **San Francisco** - $100.00 Ty. 2 **Bank of America NT & SA** Ch. # 13044

A decent Type 2 hundred which should be quite affordable. **Fine-Very Fine.** (150-250)

2103 **Oakland** - $20.00 Ty. 1 **Central NB** Ch. # 9502 **Fine**

Riverside - $10.00 Ty. 1 **Citizens NT & SB** Ch. # 8907 **VF**

COLORADO

2105 **Berthoud** - $10.00 1902 Date Back Fr. 617 **The Berthoud NB** Ch. # (W)7995

Although small size examples from here are abundant, large notes are scarce indeed. This Date Back is the first we've had to offer. **Very Good+**, with pen signatures of M.C. Bunyan and John Bunyan. (300-600)

2106 **Colorado Springs** - $10.00 1902 Fr. 631 **The First NB** Ch. # 2179

2108 **Delta** - $20.00 1902 Fr. 659 **The First NB** Ch. # 5467

Tougher western slope note although the grade does leave a bit to be desired. **Very Good**, with some soiling and margin erosion at the lower left and upper right. (150-300)

2109 **Fruita** - $10.00 1902 Fr. 626 **The First NB** Ch. # 8840

An excessively rare large size note which is listed as unreported in the Hickman-Oakes catalogue. We do know that this is the only large note from Fruita we have ever seen offered from sale. **Very Good-Fine**, with purple stamp signatures, better looking than it sounds and well worth a bid in the range of... (900-1500)

2110 **Grand Junction** - $20.00 1902 Fr. 660 **The Grand Valley NB** Ch. # (W)6137 **Very Good**

Scarce, but badly cut on the bottom, and with numerous pinholes and margin splits at the top. Tough to estimate because the note is more decent in appearance than it sounds. Should be worth... (150-300)

A most attractive example. **Choice Crisp Uncirculated**. (75-150)

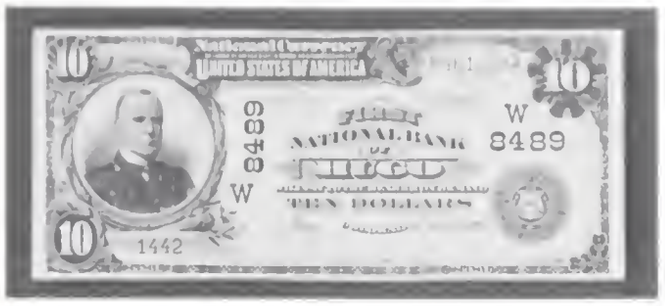
A new discovery from this rare bank, which actually walked into a coin shop in Colorado. This is the first large size note from Holly which we have ever seen for sale, and the first of any kind to be publicly offered since 1979. As this bank only had $770.00 outstanding in large notes in 1935, it may be just as long a wait for the next one to emerge. **Very Good+**, with no problems at all other than honest circulation. (700-1200)



2113 **Hugo** - $10.00 1902 Date Back Fr. 618 **The First NB** Ch. # (W)8489

Total 3 pieces. (125-250)

CONNECTICUT

2117 **Hartford** - $10.00 Ty. 2 **The First NB** Ch. # 121

This is, somewhat surprisingly, one of the more difficult state capitals to find in a top grade small size note. **Crisp Uncirculated** (100-200)

2118 **Middletown** - $5.00 Original Fr. 397 **The Central NB** Ch. # 1340

By far the earliest note we've seen from this Middletown bank. **Good-Very Good**, with a few repairs on the reverse and a couple of bank stamps, actually better looking than it sounds. (125-225)

2119 **Mystic** - $10.00 Ty. 1 **The Mystic River NB** Ch. # 645

Tougher Connecticut small note with a nice title. **Nice Fine**. (100-175)

A very scarce Stamford bank. **Fine-Very Fine** (150-300)

DELAWARE

2124 **Middletown** - $10.00 1902 Red Seal Fr. 613 **The Citizens NB** Ch. # (D)1181

An excessively scarce type from this state, with this being the first Red Seal from Delaware that we have had in any of our sales. Even the famed [illegible] collection, sold at auction in 1984, had only two such examples, neither as nice as the note offered here. Fine-Very Fine with generally strong signatures, but of very mildly fraying at the upper left top margin, but with excellent color for the grade. Rare and to see bidding contest on the order of [illegible] (1,750-2,500)

2125 **Wilmington** - $10.00 Ty. 1 **The Union NB** Ch. # 1390

Very high grade example from this scarce state. **About Uncirculated**, cut a bit close (but not into the design) at the bottom margin. (125-250)

FLORIDA

2127 **Jacksonville** - $5.00 1902 Fr. 600 **The Florida NB** Ch. # 8321

Evenly circulated **Fine** example, although the paper is a bit aged. (50-100)

2128 **Lakeland** - $10.00 Ty. 2 **The Florida NB** Ch. # 13370

Not rare, but always popular, and with the right title as well. **About Fine**. (150-300)

2129 **Miami** - $10.00 Ty. 1 **The First NB** Ch. # 6370

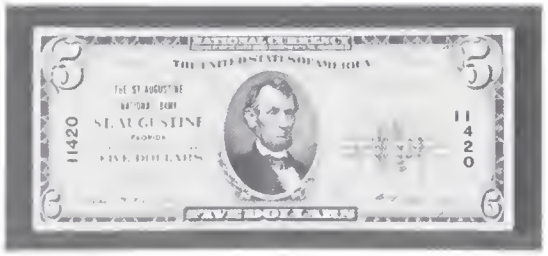
Nice **Fine** example, but the lower left corner tip is off. (40-80)

2130 **Pensacola** - $10.00 1882 Date Back Fr. 545 **The First NB** Ch. # (S)2490

A very scarce Florida type, issued by only eleven banks in the state. This example is one of the nicest we've seen, grading a pleasing **Very Fine**, although like virtually all notes from here it is cut close on the bottom margin. This early Florida example is sure to see considerable bidding, and should realize in the range of... (400-800)

2131 **Pensacola** - $20.00 Ty. 1 **The American NB** Ch. # 5603

Gem Crisp Uncirculated, with huge margins. (100-150)



2132 **St. Augustine** - $5.00 Ty. 1 **The St. Augustine NB** Ch. # 11420

One of the few truly rare Florida banks. We note only two appearances of any note, large or small, from this bank, the last of which was in our 1992 Orlando sale, where an ugly large five with extensive tears brought $330.00. **Fine+**, likely to bring more than our conservative estimate would indicate. (200-400)

2133 **Tampa** - $20.00 Ty. 1 **The Exchange NB** Ch. # 4949

A common note in a most uncommon grade. **Choice Crisp Uncirculated**. (125-250)

2135 **Columbus** - $5.00 Ty. 1 **The First NB** Ch. # 2338

Nice looking **Crisp Uncirculated** example, a bit of counting soil on the right side. (75-150)

2136 **Columbus** - $5.00 1882 Fr. 474 **The Third NB** Ch. # 3937

Only **Good-Very Good**, with the top two corner tips off, but a scarce Georgia Brown Back nonetheless. (125-250)

2137 **Dalton** - $10.00 1902 Fr. 626 **The First NB** Ch. # 3907

2141 **Mountainhome** - $10.00 1902 Fr. 624 **The First NB** Ch. # 6521

A rare note with only two prior offerings at public sale, but washed, which has caused some paper peels on the face. **Very Good** otherwise, and scarce enough to see bidding in the range of... (400-700)

2142 **Wallace** - $5.00 1902 Fr. 602 **The First NB** Ch. # 4773

2311 **Thomaston** - $5.00 Ty. 2 **The Thomaston NB** Ch. # 1142

A most unusual issuing title with an interesting tale behind it. When the Georges NB (Charter 1142) absorbed the Thomaston NB (Charter 890) in 1931, the decision was made to retain the old title. Normally, under the rules set by the Comptroller of the Currency, this would have necessitated a title change from that previously used by the "old" issuing bank. In many cases, the change was minor, perhaps substituting the word "in" or "of" in the title. In this case, for whatever reason, no change was made and the old title was used by the new issuing bank. We can not recall any such circumstance in any other bank throughout the country when one issuing bank was absorbed by another. **Very Fine**, low serial number A000006, the bottom note from the first sheet of Type 2 examples issued from here. (125-250)

2357 **Brookhaven** - $20.00 1902 Fr. 657 **The First NB** Ch. # (S)10494

First large size note from this rare bank we've handled since we sold an About Fine example from our list # 61 for $625.00. This example, while not quite so nice, will probably go for less money as well. **Fine**, but the paper is quite aged. While the note is dark, it is not unattractive. (500-900)

2425 **New York City** - $10.00 Ty. 2 **The NB of Queens County** Ch. # 13296

The title tells it all. **Very Good**. (100-200)

2426 **North Creek** - $10.00 Ty. 2 **The North Creek NB** Ch. # 9716

Scarcer Warren County example. **Fine**. (100-150)

2427 **Old Forge** - $10.00 Ty. 1 **The First NB** Ch. # 10964

2428 **Pawling** - $20.00 1902 Fr. 650 **The NB of Pawling** Ch. # (E)1269

Not a rare bank, but this is the only $20.00 (and one of only three blue seals of any denomination) we've seen from here. **Fine**, cut close at the top but more than made up for with the bold stamp signatures of Geo. H. Chase and J.G. Dutcher. (125-250)

2431 **Plattsburgh** - $20.00 1882 Fr. 494 **The Merchants NB** Ch. # 3174

2432 **Plattsburgh** - $10.00 1902 Red Seal Fr. 613 **The City NB** Ch. # (E)6613

Last of this really spectacular group of Plattsburgh notes. The last note we had from this rare bank was a much lower grade plain back blue seal which sold in our May, 1991 sale for $374.00. The example we offer here is the only Red Seal we have seen on the bank. Grading **Fine-Very Fine**, with good pen signatures, it will no doubt see significant bids in the range of... (500-1000)

Nice evenly circulated **Fine** example from the mid-Hudson Valley. (150-250)

Bright **Choice Crisp Uncirculated** example. (100-150)

2449 **Chillicothe** - $10.00 Ty. 2 **The First NB** Ch. # 128

A perfectly unremarkable note to look at, but this example was part of the last shipment of Nationals sent to a National Bank. Due to a bond adjustment, the Comptroller's office shipped 3060 $10.00 notes and 1000 $20.00 notes to this bank on July 10, 1935, more than two months after regular shipments of Nationals had ceased. **Uncirculated**, cut into the design at the bottom right margin, but a great display piece with a real story to tell. (100-200)

2450 **Cincinnati** - $5.00 1902 Red Seal Fr. 587 **The First NB** Ch. # (M)24

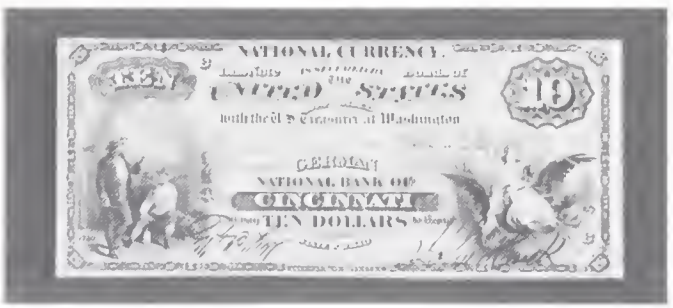
A very scarce type and denomination in the higher grades, and just plain rare in this state of preservation. **Choice Crisp Uncirculated**, cut just a bit tight at the top but still a lovely example fit for the finest of collections. (1000-2000)



2452 **Cincinnati** - $10.00 1875 Fr. 419 **The German NB** Ch. # 2524

A most attractive FCP example with a desirable ethnic title. **Very Fine**, with a scattering of inconspicuous pinholes. (450-650)

2459 **Lodi** - $20.00 1902 Fr. 657 **The Peoples NB** Ch. # 10677

Sometimes a lovely note turns up on a bank which is scarce in any grade. That is the case here, where no example of any kind has been offered since 1984 until this attractive **Choice Crisp Uncirculated** turned up in a consignment of otherwise mundane material. This example is worthy of a premium bid. (300-500)

2460 **Newark** - $10.00 1875 Fr. 419 **The First NB** Ch. # 858

2464 **Toledo** - $10.00 1902 Red Seal Fr. 615 **The NB of Commerce** Ch. # (M)3820

Not a rare bank, but hardly ever seen in Red Seals. **Fine** (100-200)

2465 **Wauseon** - $10.00 Ty. 1 **The First NB** Ch. # 7891

An extremely rare NW Ohio bank which has had only two appearances of any kind since 1935, the last coming in 1979. While one small note has been reported from here, we know of none that has ever been offered for sale from this rare bank. **Fine** (300-600)

2466 **High Grade Youngstown Pair**

Youngstown - $5.00, $10.00 1902 Fr. 607, 633 **The Commercial NB** Ch. # (M)2482, 2482

TERRITORY OF OKLAHOMA

2471 **Hollis** - $5.00 1902 Red Seal Fr. 588 **The First NB** Ch. # (W)8061

Unique both for the bank, and as a Territorial from this town. This example is a new discovery which has never been recorded in the territorial census. That this note even exists is a miracle of survival, as the total issue from here was 852 sheets over a three year period from 1906 through 1909. Well circulated but intact **Very Good**, with surprisingly decent color for the grade, a note hard to estimate but likely to bring... (1500-2200)

A lovely note with a great name, and scarce enough, with but $960 large size outstanding in 1935, so that its last appearance came in 1988. **Very Fine+**, with a couple of pinholes and a bit of soiling on the reverse. (250-500)

2474 **Blair** - $20.00 Ty. 1 **First NB** Ch. # 12130

2479 **Eufaula** - $5.00 1882 Fr. 478 **The First NB** Ch. # (W)5902

2486 **Norman** - $20.00 Ty. 2 **The Security NB** Ch. # 12036

2495 **Dallas** - $20.00 Ty. 1 **Dallas NB** Ch. # 5477

2500 **Monmouth** - $20.00 Ty. 2 **The First NB** Ch. # 10071

A wonder note from rural Polk County in western Oregon. In our entire data base of 147,743 note appearances, we have no record of any example from Monmouth being offered for public sale during the last half century. The example we offer here is a new discovery which surfaced in a Nevada cash hoard along with the Cottage Grove and high charter Medford note. 2506 **Bedford** - $10.00 Ty. 1 **First NB & TC** Ch. # 3089

Scarce in small size in general, and in particular as well, as this example is clearly a replacement note. It is, in fact, one of the most obvious such examples that we have seen, as one look at the serial numbers will confirm. Nice **Very Fine**. (100-200)

2507 **Berlin** - $20.00 Ty. 1 **The First NB** Ch. # 5823

2511 **Boyertown** - $10.00 Ty. 1 **The NB of Boyertown** Ch. # 2137

2524 **Clymer** - $10.00 Ty. 1 **The Clymer NB** Ch. # 9898

An extremely rare small size note, likely because this bank issued just a handful of Series 1929 examples before entering receivership in August of 1930.This is the only small note we know of from here and it is a dandy. **About Uncirculated+++**. If rarity is any guide, bidding should end in the range of...(200-400)

2534 **Doylestown** - $20.00 Ty. 2 **The Doylestown NB & TC** Ch. # 573

Not a rare bank, but certainly very scarce in this condition. **Crisp Uncirculated**, removed from the Choice designation by a bit of light handling. (150-300)

2541 **Ellsworth** - $5.00 1902 Red Seal Fr. 587 **NB of Ellsworth** Ch. # (E)6929

A simply beautiful Red Seal which has it all. Magnificently pen signed by Howard H. Coy and James W. Ellsworth, and from a bank with only $740.00 outstanding in large notes in 1935, this well printed **Choice Crisp Uncirculated** example would be one of the highlights of the collection it enters. 2547 **Green Lane** - $10.00 Ty. 2 **The First NB** Ch. # 14214

A great note from a rare suburban Montgomery County bank which issued Type 2 notes only for less than one year. Both the Grinnell and the superlative Warns collection had no example from here, nor did the Krakover collection when it was sold some fifteen years later. The only other note known from here was sold by us on our October, 1980 fixed price list, and that example, a considerably lower grade FCP ten, has never again been offered for sale. (300-600)

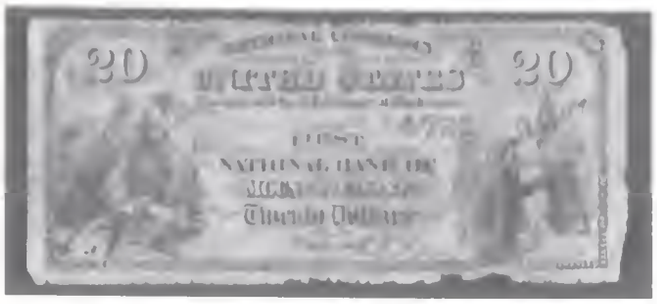
2669 **Midland** - $10.00 1902 Fr. 624 **The Midland NB** Ch. # 6410

Quite possibly the best west Texas note we've had the privilege of selling to date. With the exception of the two notes in the Philpott holdings (now ensconced in a Galveston foundation) we know of no other large notes extant from this bank. This is a classic Texas rarity that has been on many want lists for over a quarter of a century. It still will be, save for the one lucky bidder who brings this jewel home. **Fine-Very Fine,** a true wonder note worth whatever it takes to get it. (750-1500)



2670 **Mount Pleasant** - $20.00 1882 Fr. 499 **The First NB** Ch. # (S)4722

One of the classic Texas National Bank Note rarities. This town has been on the want lists of collectors for many years, with no specimen from either of the two banks here ever having been offered at public sale. Even the massive Philpott holdings only had one Mount Pleasant note. **Very Good**, with some margin fraying and a small inked number to the side, but basically sound, a great east Texas note likely to bring a strong price. (500-900)

2671 **Orange** - $20.00 1902 Fr. 660 **The Orange NB** Ch. # 6050

Tougher large note from this Gulf Coast town. **Fine-Very Fine**, with some old tape stains in the right and left margins. (125-250)

2672 **Palestine** - $10.00 Ty. 1 **The East Texas NB** Ch. # 12556

Scarcer Palestine bank which issued small notes only. **Fine-Very Fine**. (100-200)

2673 **Paris** - $5.00 1902 Fr. 601 **The City NB** Ch. # 4411

A bit of an error note as the cashier's signature is stamped about a third of the way up the note. **Fine**. (60-120)

2674 **San Antonio** - $50.00 1902 Fr. 682 **The City NB** Ch. # (S)5217

A rare type in the higher grades, and almost unheard of in this state of preservation. **Gem Crisp Uncirculated** with magnificent colors and unbelievably good centering. If you are looking for a lovely example of this type look no further. (1,500-2,500)

2675 **Taylor** - $50.00 Ty. 1 **The First NB** Ch. # 3027

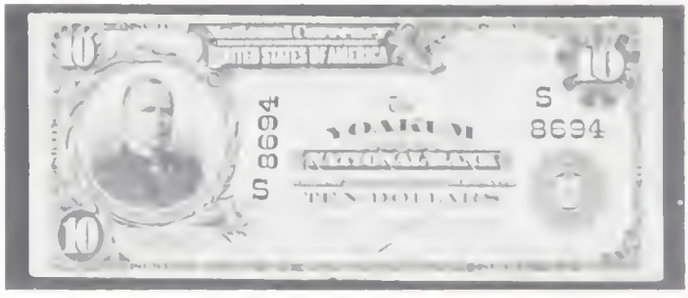
Highest grade small note we know of from this city. **About Uncirculated**, a few very minor paper pinholes on the reverse which hardly detract at all. (150-300)

2676 **Taylor** - $10.00 Ty. 2 **The City NB** Ch. # 5275

An unremarkable specimen save for the fact that this note is said to be part of the over $500.00 found on Clyde Barrow on May 23, 1934 when he was shot by Ted Hinton, Frank Hamer, and Bob Alcorn. While we can't vouch for the truth of this story, the note is (blood?) stained, so any forensic chemists out there might wish to get to work. **Very Good**, worth???

2677 **Temple** - $10.00 1902 Fr. 624 **The City NB** Ch. # 6317

Not quite as high grade as the example from here we sold in our last sale, but still scarce enough to elicit some strong bids. **Very Good+**. (200-400)



2678 **Yoakum** - $10.00 1902 Fr. 626 **The Yoakum NB** Ch. # (S)8694

Very scarce large size note from Lavaca County in S.E. Texas. **Fine+**, but there is a small rust mark on the face of the note. (200-300)

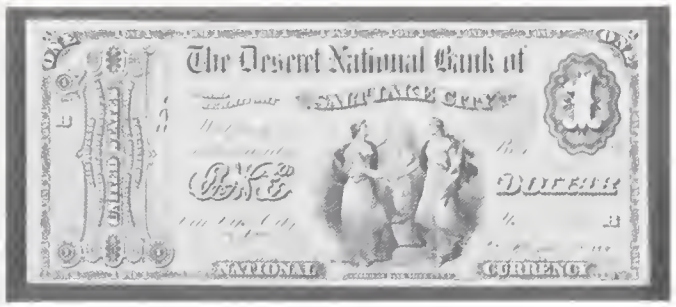
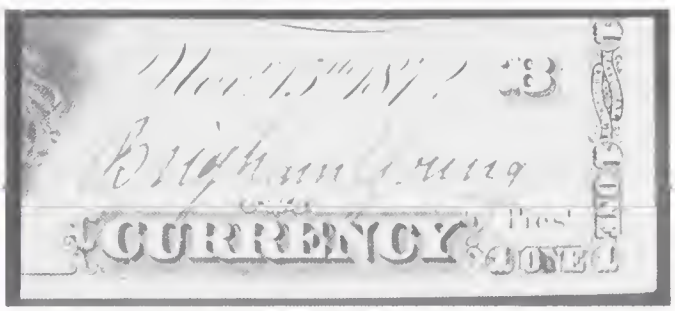
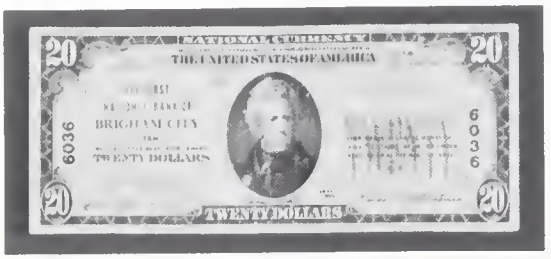
TERRITORY OF UTAH





2683 **Salt Lake City** - $1.00 Original Fr. 382 **The Deseret NB** Ch. # 2059

A wonderful new discovery which is even nicer than the example in our last sale that brought $4235.00. This note is tied for the finest known example from this bank, and, in addition, bears the lowest serial number of any example from here ever offered at public sale. (The other serial number 3 note which is known is part of the American Numismatic Association Museum's holdings.) **Extremely Fine**, with a wonderfully sharp and vivid signature of Brigham Young as President, truly a museum quality item worthy of the finest collection. (3500-6500)



2684 **Brigham City** - $20.00 Ty. 1 **The First NB** Ch. # 6036

Much, much more common in large size than small. **Very Good**, with a few pinholes, but a rare opportunity nevertheless. (400-800)

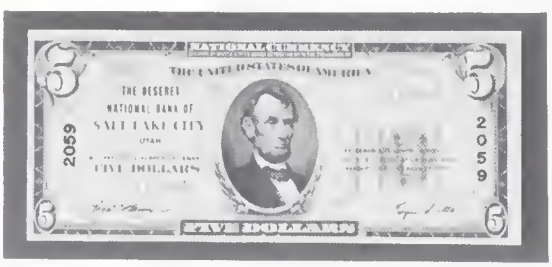
2686 **Ogden** - $10.00 1902 Fr. 634 **First NB** Ch # 2597

Evenly circulated **Fine** example with clear signatures from this tougher state. (150-250)



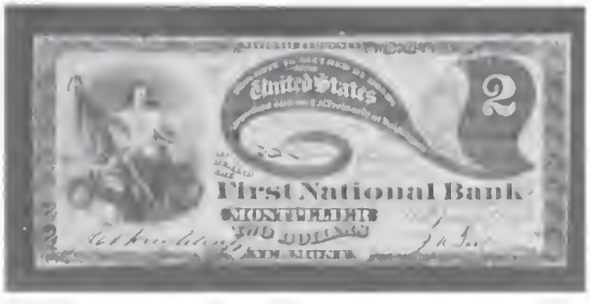
2687 **Salt Lake City** - $5.00 Ty. 1 **The Deseret NB** Ch. # 2059

Not a rare bank but certainly not a common note in this state of preservation. **Choice Crisp Uncirculated**, just as lovely (and only two serial numbers removed from) the example in our last sale which brought $247.50. (200-400)

VERMONT

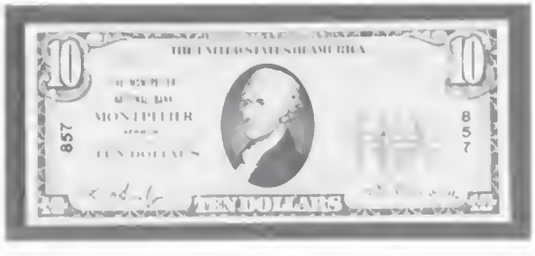
2688 **Burlington** - $5.00 1882 Fr. 472 **The Howard NB** Ch. # 1698

A lovely Brown Back fit for the finest of collections. Well centered **Choice Crisp Uncirculated**, by far the nicest example we know of from here. (750-1500)



2689 **Montpelier** - $2.00 Original Fr. 387 **The First NB** Ch. # 748

A very scarce early note from Vermont's capital. We can not recall seeing any other First Charters from this bank, and know of no other deuces from this city. **About Fine**, an attractive example worthy of a liberal bid. (500-900)



2690 **Montpelier** - $10.00 Ty. 1 **The Montpelier NB** Ch. # 857

A scarce state capital which almost always comes low grade. This example is a happy exception, and may well be the nicest small note extant from here. **Choice Crisp Uncirculated**, worthy of a premium price. (200-400)

2691 **North Bennington** - $1.00 Original Fr. 380 **The First NB** Ch. # 191

Earliest note we've seen from here. Pleasing **Fine**. (200-400)

VIRGINIA

Decent circulated example from this [illegible]. **Fine**. (100-150)

2693 **Leesburg** - $10.00 1882 Fr. 484 **The Loudon NB** Ch. # (S)1738

Very scarce early note from this northern Virginia town. **Very Good**, a few margin chips out but otherwise all there. (250-500)

2694 **Monterey** - $10.00 1902 Fr. 626 **The First NB of Highland at Monterey** Ch. # 9043

A very scarce bank which has had only four appearances at public sale since 1945. This note grades **Very Good** but for a small circular piece out of the bottom margin which barely touches the design. (150-250)

2695 **Norton** - $10.00 Ty. 2 **The First NB** Ch. # 6235

Scarcer by far of the two banks from here to issue Series 1929 examples. **Fine-Very Fine**. (150-300)

2696 **Richmond** - $10.00 1882 Fr. 480 **The First NB** Ch. # (S)1111

Four aces Brown Back. **Very Good-Fine**, with a paper pull and a small hole at the corner. (125-250)

2697 **Stuart** - $10.00 1902 Fr. 633 **The First NB** Ch. # 11900

A rare large size example from the only bank to issue in Patrick County. This is the only large note from here we have ever seen offered for sale. Even the Elvin Miller collection, the largest and finest group of Virginia Nationals sold in the last twenty years, lacked a large note from here. **Nice Fine**, with bold purple signatures, truly a note worth going after. (300-500)

2698 **Warrenton** - $10.00 1902 Fr. 627 **The Peoples NB** Ch. # 9642

Scarcer northern Virginia note. **Fine**, the signatures faded out. (200-300)

Pleasing **Fine+** example from [illegible] Virginia bank. (200-400)

A really rare note with grade to match. Only large notes were issued from here, with but $1190.00 outstanding in 1935. We have recorded only three offerings from here, the last some five years ago. **Extremely Fine**, and certain to please. (450-900)

Attractive uncut sheet of Brown Backs, a very scarce and underrated item from any bank. This sheet is bright and has minimal handling, although there is a fold between each of the notes and some residue from an old mounting still adheres to the top margin and bottom corners. In addition, there is some ink erosion under the cashier's signature on each note. Even with these defects, however, the overall appearance of the sheet is quite pleasing, and its scarcity can not be denied. **Extremely Fine** (1500-3000)

2712 **Williamson** - $10.00 1902 Date Back Fr. 616 **The First NB** Ch. # (S)6831

SOCIETY OF PAPER MONEY COLLECTORS

HISTORY

At the 1960 A.N.A. Convention in Boston, a small group of paper money collectors met informally and agreed that a regular organization would be desirable. During the next year, an organization was formed comprising collectors of tokens, medals and obsolete paper money. At the 1961 Atlanta A.N.A. Convention, it was decided to withdraw from the tokens and medals group and organize separately into the Society of Paper Money Collectors. In June 1964, the Society was incorporated as a non-profit organization under the laws of the District of Columbia.

OBJECTIVES

1. Encourage the collecting and study of paper money.
2. Cultivate fraternal collector relations with the opportunities for discussion, trading, etc.
3. Furnish information and knowledge from experts in various fields, particularly through the Society's Paper Money Magazine.
4. Encourage research and publication about paper money.
5. Promote interest in the hobby of numismatics.
6. Encourage educational exhibits about paper money.
7. Promote education about current market valuations.

MAGAZINE

The Society's magazine, *PAPER MONEY*, is published six times a year and is sent to all members. It contains informative articles about various paper money collecting interests and lists new members and their collecting specialties.

BOOKS

The Society maintains an active book publication program on the obsolete currency of various states.
